At the annual meeting of the P.E.I. Advisory Board to the Canadian Institute for the Blind, held at the Charlottetown Hotel, Tuesday evening, the chairman Judge C. St. Clair Trainor noted that the past year had been of steady progress in advancing the cause of blinded persons in the Province.

**CHAIRMAN'S REPORT**  
 "In presenting this the seventh annual report of the P.E.I. Advisory Board to the Canadian National Institute for the Blind I would like to mention the deep loss to the Board in the passing of Mr. H.W. Mackay of Mt. Stewart who had been an interested and active member of this Board during the past five years," Judge Trainor said. "At the beginning of the year just ended there were 170 blind people registered with this Institute and during the year 22 persons were added while 4 were removed from our register, by death, moving out of the Province etc. so that at March 31, 1956 there were 178 cases registered in P.E.I. which is a new high. Two hundred and fifty-six calls were made by our Field Secretary and other persons of the Institute staff during the past year and services rendered to our blind were as follows: Home Teaching 9, Salesroom 19, Library 19, Concessions 45, Allowances (relief) 12, General 167, Eye Service 11, Employment 10.

"During the past year employment was extended to Wolastin (Bill) MacEachern who was established in a news-stand donated to the C.N.I.B. by the Charlottetown Lions Club. He is not only doing well but is very happy with his business. Thelma Doucette completed her Home Teachers Training Course last December and has been taken on the Institute staff.

**THE ADDRESS**  
 The occasion of your ordination and celebration of your first Mass, June twenty-sixth and twenty-seventh, nineteen fifty-six.

Dear Father MacIntyre, We are pleased to have this opportunity to congratulate you on this happy occasion. No doubt, it is one which once seemed to you only as a dream; a distant scene oftentimes beclouded by that uncertainty peculiar to important decisions. A scene sometimes enshrouded in the mists of sacrifice associated with pursuit of such a vocation. Yet in spite of these, this day

bears testimony to your perseverance in response to God's call. This may well be a proud day for you, Father, for you are now numbered among those whom God designated should serve in the ministry of His Holy Church. It may well be a proud day too for your parents in whose devout presence the seeds of your vocation were sown, who shared in your sacrifices to help realize the fulfillment of God's desire.

It is also a proud day for us, your fellow parishioners, who were acquainted with you from your early years, and who noticed your exemplary ways and thorough manner. We were, therefore, not surprised when we learned of your intention to join the priesthood whereby you honor the parish by adding your name to the list of those from St. Margaret's who selflessly dedicated themselves to the service of the Church. Indeed, the name MacIntyre now occurs three times on this list, all relatives of the illustrious Bishop MacIntyre who once graced the throne of this Episcopal See.

To honor, this happy event in your life and in the life of the parish we offer you this gift. Please accept it as a token of our sincerest regards. We will remember you in our

The campaign will open in Charlottetown in September at the beginning of the school term when Elmer Pennants will be presented to each of the six schools. These pennants will be hoisted on the school flagpole immediately below the Union Jack at ceremonies attended by grades one to six, and representatives of the sponsoring bodies. After these ceremonies Sgt. A. J. Dowling of the City Police will give lectures to the grades mentioned in the five basic rules of safety. The five rules are as follows: (1) Look both ways before you cross the street; (2) Keep out from between parked cars; (3) Ride your bike safely and obey all signs and signals; (4) Play your games in a safe place away from the street; (5) Walk—don't run when you leave the curb.
