

CONGOLEUM BY THE YARD

Hard, multi-cote finish gives Congoleum its brighter colours and durable wear. Here is an attractive floor covering for most any room in the home. The manufacturer classifies some of this Congoleum as "seconds" but this shouldn't affect the wear. Estimate your needs and shop early for best choice. An assortment of colours and patterns. 6 ft. wide.

CONGOLEUM RUGS (Seconds)

Top grade materials only are used in making the well known Congoleum rugs. Attractively patterned, vibrant coloured designs. For long, hard service, rich enamels are based on a durable asphalt saturated felt back. Some of these rugs have minor flaws in the printing, classifying them as "seconds", but this should not affect the wearing quality.
