

MISSING: THE CADRE

Every week, the Cadre aims to ask its readers a question to get their feedback about campus and community issues. So far this year, the Cadre has been delayed in its production. Where has the Cadre been?

"The Cadre has been hiding in an old, old wooden ship."

- Josh Coles

"Maybe it was scared off by all of Nickelback's swearing back in the summer."

- Becca Coles

"Everywhere I go, the Cadre rides shotgun."

- Susan Gillespie

"The Cadre has been in a crib wit a studio and it's all full of tracks
To add to the wall full of plaques."

- Miles Kinnee

"Um, UPEI?"

- Moe Chandler

"The Cadre is currently chained to a rusty pipe fixture in my basement."

- Ben Arsenault
