

## Your Horrorscope

Due to popular request, the Genie of the Gem has come out of his astrological bottle once again and announced the destinies of hundreds of U.P.E.I. students. He has told us that this month, Uranus and Jupiter are in conjunction with the east side of the Vt. Comet, and Halley's Comet is pointing towards the Alumni Gym. Furthermore, there will be a complete solar eclipse on the planet Venus this month. Through this valuable data, he has been able to develop the following scientific appraisals of your personalities.

### YOUR HORRORSCOPE:

#### CAPRICORN (Goat)

December 22-January 19

You are a modern, mellow and carefree person who likes gorgeous blonds. In fact, you are so layed back that most Capricorns end up marrying old, ugly, bald people. Still, you are a trust-worthy and kind person by nature — you love animals. You often go to the zoo just to feed the bunnies ... to the tigers. Mos. Capricorns are eaten by killer-bunnies.

#### AQUARIUS (Water Bearer)

January 20 — February 18

Great soliders, politicians, and leaders of the business world are born under this sign, so naturally YOU will feel self-conscious and insecure. You idolize the floating fat man in "Dune" for his face condition. Picking your teeth gives you great satisfaction. You are very cost conscious, thus you save used Q-tips until they grow fuzzy again. Most Aquarians die of new diseases.

#### PISCES (Fishes)

February 19 — March 20

You are a staunch and upright person. This is because if you bend over, you will split your pants. You were the alternate model for the Harvey Lazybones Participation commercials. You are easily embarrassed, especially when you get stuck in revolving doors. Most Pisces make their living by posing in "before" pictures.

#### ARIES (Ram)

March 21 — April 19

You are an extremely unlucky person. If you cross paths with a black cat today, the cat will have seven years bad luck. You are a good sportsman who is always a good loser. This is because you have had a lifetime of practice. The few friends that you have left secretly want to paint your nails and send you off first class mail to Kingston Penitentiary. Most Aries deserve to go there because they kill their friends.

#### TAURUS (Bull)

April 20 — May 20

You were born under Taurus, the Bull, which probably accounts for your flat appearance and personality. You drive a Chevettie (and are proud of it). Your favorite colour is brown, and you enjoy spending your Friday nights playing a game of "Guess who owns the shoe by the smell" just for the action. Most Tauruses die of boredom or become federal senators.

#### GEMINI (Twins)

May 21 — June 20

You are a good hunter, which is handy, because you will constantly have to hunt hard for a date, food and money. You are over-die for a major change in your life that you richly deserve. Hopefully, someone with no nose will change your old T-shirt for you. Still, you are very intelligent and you wear your 'U' University ring with great pride. Unfortunately for you, it stands for "Unimportant, Unimportant and Ugly."

#### CANCER (Crab)

June 21 — July 22

You consider your strength to be enormous, but only your double chin can claim that title. The size of your double chin is only exceeded by your bloated ego. You consider yourself to be strong, but it is only your pu-ent body odor that is pure. You enjoy hearing yourself talk on one

of the "infinite" topics that you are a "master" in, but no one listens to you, because they know ... that you are a dork.

#### LEO (Lion)

July 23 — August 22

You are a lonely person whose feelings are easily hurt, especially if you are punched in your ugly face. Your lonely nature is largely due to your constant use of garlic, (and for your new fetish of squeezing other peoples zits which you picked up from an Aquarian last week). Your greatest happiness comes from working hard and overcoming obstacles, so don't expect much happiness.

#### VIRGO (Virgin)

August 23 — September 22

You are a noble and generous person. When ver you have a cold, you never hesitate before giving it to others. You are very careful where you spend your money — thus all of your clothes are 'hand-me-downs' from the "Lee Family" — "Cheap Lee, Crude Lee and Ug Lee". You like to be looked up too, which is unfortunate, because you tend to be short in all respects.

#### LIBRA (Balance)

September 23 — October 22

Libra's produce many famous writers, musicians and artists — but you are probably the exception. You secretly fantasize about raiding the local Salvation Army clothes shop so that you can dress up as Madonna next Halloween. Your neon clothes makes your friends want to hang you beside a nightclub. (You friends are probably Scorpios). Most Libras marry rich drinks in nightclubs.

#### SCORPIO (Not Jack)

October 23 — November 21

You tend to be extroverted, and you love to have crowds of people around you. Most Scorpio's are pickpockets. Also, you are fearless and strong. You do not know the meaning of the word "fear" — you have to look it up. You enjoy ripping of Santa's beard in front of hundreds of adoring children, (and then impersonating him and

making him look bad). Most Scorpios end up working for Lison.

#### SAGITTARIUS (Archer)

November 22 — December 21

You do not like to be dependent upon others, except for such necessities as food, clothes, money and luxury. You are generous to a fault. Unfortunately, the fault is that you never give anything away. You are ambitious for a high position. Most Sagittarians are on drugs, hotel window cleaners or both.

— HAPPY BIRTHDAY —

... The Genie of the Gem

## University of Alberta Scholarships for Graduate Studies

University of Alberta is a large university and research center offering a full range of academic programs to over 26,000 students. Approximately 3,500 students are pursuing graduate studies through the 75 departments which belong to the Faculty of Graduate Studies and Research.

University of Alberta offers a large array of scholarships to superior graduate students, including the following:

1. Graduate Faculty Fellowship - an additional \$2,000 per annum to all graduate students who hold major awards from MRC, NSERC, and SSHRC.
2. Approximately 60 Province of Alberta Graduate Scholarships and Fellowships valued at \$8,100 - \$9,300.
3. Approximately 20 Dissertation Fellowships of \$11,500 for completing Ph.D. students.
4. 20 Andrew Stewart Prizes of \$2,500 to senior Ph.D. students in recognition of excellent research.
5. Over 140 Alberta Heritage Medical Research Foundation Fellowships of \$12,000 (plus \$2,500 research grant) to graduate students in the medical sciences.
6. Approximately 20 Izak Walton Killam Memorial Scholarships of \$11,500 available to Canadian and international graduate students.
7. Many more major and minor awards listed in the "Graduate Calendar".

In addition, we have a fully competitive program of graduate assistantships for teaching and research, and a program of research travel support available to students.
