WEDDING BELLS.

St. Dunstan's Cathedral was the scene of a quiet but pretty wedding Tuesday morning, Nov. 20th, when, in the presence of a number of friends, Mr. Michael Morrissey, of Earncliffe, and Miss Mary McDonald, of Douglas Street, Charlottetown, formerly of Vernon River, were united in the bonds of matrimony. The bride looked charming, attired in a suit of pearl grey with hat to match, and was attended by her cousin, Miss Mary McDonald. The groom was supported by his brother, Mr. E. Morrissey. The interesting ceremony was performed by Rev. Dr. Morrison.

After the ceremony the party drove to the home of the bride's mother where a sumptuous dinner was daintily served, after which the happy couple, attended by a number of friends, wended their way to Earncliffe.

The gifts were both numerous and beautiful, which showed the high esteem in which they were held. That every blessing may be theirs in the wedded life, so happily begun, is the earnest prayer of their many friends.

At Kelly's Cross, on Tuesday 27th by Rev. D. B. Keid, R. E. Cahill of Kingston Lot 31 to Miss. Mary E. second daughter of John Murphy Esq., of Lot 65. Miss Mary Cahill acted as bridesmaid, and the groom was supported by M. J. Murphy. After the ceremony the happy couple drove to the home of the bride's father, where a number of invited guests sat down to a sumptuous dinner served by Mrs. Murphy in her usual hospitable manner, after which they spent a most enjoyable evening in social converse, music and dancing.

The gifts to the bride were numerous and beautiful, going far to show the very high esteem in which the bride and groom are held by their many friends and acquaintances.

The bride was beautifully attired in fawn cloth with satin and white trimmings and hat to match, while the maid of honor wore grey with blue chiffon trimmings.

The young couple start on their journey through life with the best wishes of the whole community.

—There is a great difference in furs. We've been especially fortunate this year in procuring the best astrachan jacket in Canada, it's made by "Gnaedinger" who guarantees every one. Prowse Bros.

Cure of Dyspepsia.

In Two Weeks if You Use Dodd's Dyspepsia Tablets.

Test Them if You Dont Believe it—Those Paragraphs Tell How They Cure it, and Why They Cure it.

There's no need for you to say you don't know whether or not Dodd's Dyspepsia Tablets will cure Dyspepsia, Indigestion, Sour Stomach, Biliousness, Flatulence, etc. Test them for yourself. It's the easiest thing in the world to do.

Put a small (or large) quantity of food (such as you eat at breakfast, dinner or tea) into a glass bottle. Drop one or two of Dodd's Dyspepsia Tablets into it; heat the bottle to the temperature at which a healthy stomach works. Then watch. In a few minutes you will see the Tablets begin to dissolve and mingle with the food. The food is soon reduced to a pulp and then to a thin fluid. It is digested.

This is the work a healthy stomach does. This is the work an unhealthy stomach doesn't do. This is the way Dodd's Dyspepsia Tablets cure Dyspepsia, Indigestion, Biliousness, Sour Stomach, Water-brash, Heartburn, Flatulence, Eructation, or "raising wind," Nausea, Acidity of the Stomach, Sick Headache, Biddiness, Foul Breath, and Coated Tongue.

All these complaints are caused by a disordered stomach that can't digest the food. Dodd's Dyspepsia Tablets digest the food, and tone and strengthen the stomach. They cure all diseases of the stomach.

If you don't believe it—TEST THEM. They'll convince you by curing you.

Nome Isolated.

SEATTLE, Wn., November 29.—The United States revenue cutter McCulloch has arrived from Alaska with news that Nome is now completely isolated from the outer world by a barrier of ice. For seven long months this condition of affairs will continue. The camp is well supplied with provisions and fuel.

KRUGER EXCITED.

LONDON, Nov. 29.—The Paris correspondent of the Daily Mail wires that he had a conversation with Mr. Kruger, and that the Boer statesman grew excited and vehement when the reporter hinted that England would ignore all attempts to secure arbitration and would fight any combination of powers rather than give up the republic. "Mr. Kruger insisted," says the correspondent, "that Mr. Chamberlain had signed the Hague Convention and could not withdraw. He said that England had earned a just punishment, and that if there's a God, she would be punished."

British Minister Left Holland.

LONDON, November 28.—There is some comment here on the arrival in London of Sir Henry Howard, the British minister at The Hague. It is officially explained that Sir Henry is taking a holiday, but it is admitted that his presence in this city is not altogether unconnected with the approaching arrival of Mr. Kruger at the capital of Holland and the promised demonstrations which naturally would be very embarrassing to the British representatives were he at the Dutch capital.

To Queen, Church and Country.

LONDON, Nov. 29.—Sir George Clements Martin, the organist of St. Paul's Cathedral, has in his possession the complete score of a Thanksgiving Te Deum composed by the late Sir Arthur Sullivan at the request of the dean and chapter of St. Paul's, suitable for the termination of the South African war, and dedicated to "Queen, Church and Country."

MARRIED.

On the ground floor we are now showing our line of iron and brass beds. They are all set up with wire springs, mattresses, &c., and you can tell exactly what they look like. If you want an iron bed now is the time to buy. Our prices are very low.—John Newson.

PARALYSIS CURABLE.

Stricken Ones to be Seen Everywhere—This Form of Living Death Cured by Dodd's Kidney Pills.

The most startling example of human helplessness is the paralytic. The victim excites your commiseration, but resents your pity. He of the palsied hand stiffly pressing the benumbed side is to be seen everywhere we go.

The most convincing proof that this pitiable condition is the outcome of kidney disease is the fact that Dodd's Kidney Pills cure it. Not generally recognized as a kidney disease, it succumbs to kidney treatment.

Did you ever know of a cure? Just think a moment!

If you do it must have been the work of Dodd's Kidney Pills, for no other medicine ever yet cured.

An Old Theory Exploded.

The old-fashioned theory of tearing down disease was entirely changed by the advent of Dr. A. W. Chase's Nerve Food, which cures by creating new rich blood and nerve tissue. Through the medium of the circulation and the nervous system they strengthen and invigorate every organ in the human body.

At a meeting of the British Cabinet no official record of any kind is kept of the proceedings.
