NEW YORK

NEW YORK (AP)—Rallies by steels and by drugs involved in birth control pills helped cushion another stock market decline Wednesday the third straight loss. Trading was moderate.

The late recovery, on more active trading, pulled the Dow Jones industrial average from an early-afternoon decline of 3.41 to a closing loss of only .98 at 817.94.

Volume was a sub-average 4,470,000 shares compared with 4,300,000 Tuesday. Wall Street was still in doldrums because of the approaching three-day Memorial Day weekend. Stock markets will close Friday.

Steels continued their advance. U.S. Steel and Bethlehem rose 1 each, Youngstown Sheet 1½, Lukens 1¾ and Jones and Laughlin ¾.

The birth control drug issues, although they started their rally much later, out-shone the steels on the New York Stock Exchange. Parke, Davis was third most active stock, up 2⅝ at 31 on 85,900 shares. G. D. Searle was ninth most active, rising 3¼ to 65¼, Johnson and Johnson spurted 2½. Syntex was the most active issues on the American Stock Exchange, rising 6½ to 91½.

REPORTS FROM VATICAN

The drugs took off on news that a Vatican publication and a leading cardinal suggested the Roman Ctholic Church may re-examine its stand on birth control in view of new medical discoveries concerning birth control pills.

In the over-all stock list of 1,340 issues traded, however, 634 declined and 451 advanced.

The Associated Press average of 60 stocks declined .6 to 305.5.

Nine of the 15 most active stocks declined, five advanced.

After a two-day gap, Texas Gulf Sulphur once again was the most active stock, rising ⅝ to 56⅝ on 113,400 shares. Sperry Rand was second, off ½ at 14⅞ on 95,400 shares.

A new crop of merger moves affected some rail stocks, among them Chicago and Great Western, up 2, and Chicago and Eastern Illinois, up 1¼. Rails as a group, however, backed away from recent highs made in their average. Rock Island was off ⅜, Southern Pacific ⅝ and Baltimore and Ohio ½. Chicago and North Western was unchanged.

Pan American World Airways, although it reported far less of a loss for the first four months than it did a year ago, lost 2⅝ in a generally lower airline section.

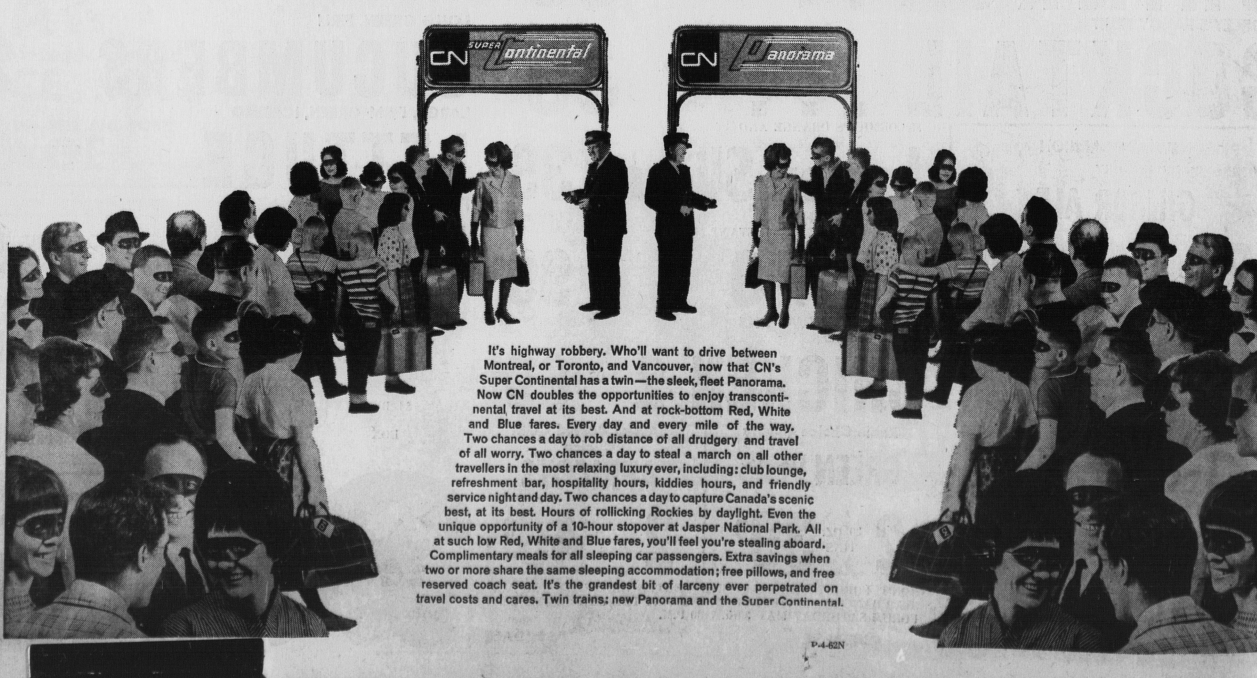
WHAT A STEAL! WHAT A STEAL!



It's highway robbery. Who'll want to drive between Montreal, or Toronto, and Vancouver, now that CN's Super Continental has a twin—the sleek, fleet Panorama. Now CN doubles the opportunities to enjoy transcontinental travel at its best. And at rock-bottom Red, White and Blue fares. Every day and every mile of the way. Two chances a day to rob distance of all drudgery and travel of all worry. Two chances a day to steal a march on all other travellers in the most relaxing luxury ever, including: club lounge, refreshment bar, hospitality hours, kiddies hours, and friendly service night and day. Two chances a day to capture Canada's scenic best, at its best. Hours of rollicking Rockies by daylight. Even the unique opportunity of a 10-hour stopover at Jasper National Park. All at such low Red, White and Blue fares, you'll feel you're stealing aboard. Complimentary meals for all sleeping car passengers. Extra savings when two or more share the same sleeping accommodation; free pillows, and free reserved coach seat. It's the grandest bit of larceny ever perpetrated on travel costs and cares.
