## IN MEMORIAM

WALSH—In loving memory of Percy Walsh, who died Aug. 25, 1951.

We're not sad, we're not lonely.
We know that God knew best,
To take you from your suffering
To Himself and Heavenly rest.

Ever remembered by daughter and son-in-law, Penny and Ken Stephensen, Zweibrucken, Germany.

SMITH

In fond and loving memory of a dear wife and mother, Mrs. Jerome Smith who passed away on August 24th, 1954.

A silent thought, a secret tear,
Keeps the memory ever near,
Time takes away the edge of grief,
But memory turns back every leaf.

Sadly missed by Husband and Family.

STEWART — In loving memory of Mrs. Rose Stewart who died August 24, 1950.
The dearest mother the world could hold
A cheery smile and a heart of gold
To those who knew her
All will know,
How much we lost eight years ago.
Sadly missed by son and daughters.

WARD — In loving memory of Mrs. Albert Ward, who passed away August 25, 1944.
God knows how much we miss her,
He counts the tears we shed.
And, whispers "hush!" she only sleeps,
Your dear one is not dead.
Some day, some time, our eyes shall see
The face we loved so well
Some day, some time her hand we'll clasp
And never say farewell.
Ever remembered by sons and daughters.

## N. Y. Stocks Moved Ahead Last Week

NEW YORK (AP)—The stock market weathered some adverse breezes last week and moved ahead moderately.

Wall Street was more cautious, as shown by the drop in weekly volume to 12,270,245 shares from 14,621,501 the week before. But there were enough buyers to push the market averages ahead once again.

The Associated Press average of 60 stocks rose $1.10 to $184.50.

The week's five most active stocks were in the lower - price category, none higher than American Motors, which closed at 16¾. All were gainers.

But higher-priced issues also got a good play. Among such gainers were American Telephone up 1½ on the week; U.S. Steel 2⅝; Standard Oil (New Jersey) ½; Bethlehem ¼, and General Motors ⅛.

On the list, advances outnumbered declines by 655 to 555, not much of a bulge.

Tightening credit was emphasized by action of the Dallas Federal Reserve Bank in boosting the discount rate to two per cent from 1¾ per cent and by an increase in commercial paper and other money rates. It followed San Francisco's lead of the week before.

Another market factor was a drop in the short interest on the New York Stock Exchange, the first since January. The reduction in the number of short sales was about five per cent. The decrease also represented a decrease of bearish sentiment for the long term.

The first most active issues on the New York Stock Exchange were: Studebaker-Packard, up ¼ at 6¾ on 304,400 shares; Penn-Texas, up 1⅝ at 8½; American Motors, up ¼ at 16¾; Avco up ⅛ at 8½; and Minute Maid, up ½ at 16.
