Muise Wins Yarmouth Five Mile Race

(C. P. By Guardian's Special Wire)
 YARMOUTH, N. S., June 9.—Henry Muise of Amherst's Hill won the annual five-mile Natal day race here today, breasting the tape ahead of nine other entries in 30 minutes and 22 seconds. John Roy of Chebogue was second and Mike Saulnier of Wedgeport, third. Allan Calhoun won the 20-mile bicycle race in one hour, four minutes and eight seconds.

Jacobs Fails To Sign Louis For Fight

(By Eddie Briets Associated Press Sports Writer)

LAKEWOOD, N. J., June 9.—There was a strong possibility here tonight that there will be no heavyweight title fight between James J. Braddock and Joe Louis this year, even if the Brown Bomber succeeds in beating Max Schmeling in New York, June 18.

The Louis board of strategy, composed of Louis and his two managers, Julian Black and John Roxborough, flatly refused to sign a contract with Mike Jacobs for a fall fight for two reasons:

First—The Louis camp wants considerably more than the challenger's share of 12 1-2 per cent, which Jacobs offered.

Second—Roxborough and Black are not at all anxious for the challenger to appear in more big shows this year for income tax reasons.

Jacobs came here with two representatives of Mrs. F. W. R. Hearst's milk fund, under the auspices of which the Louis-Schmeling fight is being staged, and went into a long huddle with Roxborough and Black.

"I tried to sign them to an agreement to fight Braddock if Louis beat Schmeling," Jacobs announced, "but they turned me down cold."

Roxborough and Black hold to the theory that they have the biggest attraction in the fight world and they want to cash in on him. Both men claim there is no definite break with Jacobs.

Peculiar Lope May Frustrate Britons Hope

(By The Canadian Press)

LONDON, June 9.—A man with an Olympic worry is V. W. G. Stone England's walking champion—and for good reason.

Stone is a blue streak on the cinders so much faster than his British rivals that they scarcely can keep him in sight, yet the Olympic officials have notified him he won't be among those present at Berlin this summer unless he alters his walking style!

"And why not?" asks Stone, justifiably, having just won the British seven-mile championship. "Because," comes the rejoinder, "we're not so sure that you're really walking. Maybe you're running."

And that's how matters stand. A potential Olympic champion (they claim his time is well under the Olympic record) might have to stay at home because his country's officials don't wish to take any chances.

Moving pictures, it is pointed out by Stone's supporters, reveal nothing amiss with his walking. He retains, it seems, unbroken contact with the ground, which is the vital difference between walking and running. Yet he has such a peculiar, unorthodox lope and is so much speedier than any rival hereabouts, that officials simply won't believe it.

The judges' eyes never left Stone while he was winning the English championships the other day. One reportedly official flopped flat on the ground, a newspaper held above his eyes, so that he might rivet his attention on Stone's feet. Yet he couldn't see anything wrong, and neither could his fellow judges.

In another meet, in February, the same thing happened. Stone won a 10 mile event in incredible time breaking the existing record by almost three minutes, and the judges decided he really was walking.

A week later, though, in another race, he was disqualified near the finish when he stepped his nearest competitor by half a mile. On March 14 he won the Essex County championships, breaking the course record, and the judges could find nothing wrong. A fortnight later, in a race at Woodford, he was disqualified when leading the field by 200 yards.

Second Contest For Rifle Team Scheduled Today

Prince Edward Island government yesterday received its second offer of free property for National Park establishment from Mr. E. L. Cotton, Charlottetown businessman. Mr. Cotton informed provincial authorities he was willing to donate a 100-acre Queens County property at Holland Cove for the proposed park site. Word had been received Monday that Senator Creelman MacArthur of Summerside offered to turn over his 600-acre Foxley River estate to the province "free of charge and unconditionally" if it would be used as the National Park site.

Proposed sites will be inspected next week by F. E. H. Williamson, Deputy Commissioner of National Parks, and W. D. Cromarrie, Chief of Dominion Architectural and Landscaping Surveys, it was learned.

Gateways Turn Back Royal Giants

YARMOUTH, N. S., June 9.—Yarmouth Gateways gave the Boston Royal Giants the second defeat of their Nova Scotia tour here today as the teams split a double-header.

A Gateway rookie, Freddie Cozmau, broke up the first game in the seventh inning when he cracked out a home run with one on base to give Yarmouth a 4-3 victory. Giants attacked two local pitchers in the second game to win 11-

Pirates Move Into Second Place Tie With Giants As Cardinals Increase Lead

(A. P. By Guardian's Special Wire)

NEW YORK, June 9.—The Pirates swept a double-header at Brooklyn with the Dodgers 4-1 and 7-5 today to pull up to a second-place tie with the defeated New York Giants in the National League.

The Bucs rallied with two out in the eighth inning of the first game, broke up a pitching duel in the ninth, and won 4-1.

George Eastshaw of the Dodgers held the upper hand, and scored all their runs to turn a prospective 1-0 defeat into victory. Big Jim Weaver wound up on the long end of the hurling struggle.

In the nightcap Johnny Welch, recently obtained from Boston Red Sox, made his first start for the Pirates but was driven off the mound in the fifth.

The Reds shelled the slipping New York Giants 15-4 at Cincinnati to advance to fifth place. Kiki Cuyler, Reds outfield veteran, batted in four runs with a homer and three singles.

For the seventh consecutive time Clyde Castelman failed as a starting pitcher for New York. Lee Stine, had little trouble liming the Giants to nine hits.

Given a four run working margin in the first two innings, Roy Henshaw, diminutive Cub southpaw, breezed through Philadelphia 6-3 at Chicago to extend the Cubs longest winning streak of the season to six games.

Henshaw gave seven hits in chalking up his fourth victory. One of them was a homer by Ernie Sulik with one on in the seventh.

The Cubs scored three runs on singles by Herman, Galan and Demaree, a pass and a wild pitch off Hal Kelleher in the first inning.

The Cardinals added another game to their first place margin over New York, defeating Boston Bees, 7-5 at St. Louis.

Bill Walker, who started for the Cards, weakened in the fourth and again in the sixth when he was relieved by Ed Heusser after four straight singles.

Manager Frankie Frisch presented a revamped Cardinal lineup. Pepper Martin was shifted to third base, sending Johnny Mize to right field, and leaving three third basemen, Frisch, Gelbert and Vezgo, on the bench.

Mize was the spark of the Cardinal attack. He hit a home run with the bases filled in the first inning and singled to drive in another run in the eighth.

Andy Pilney, Notre Dame football star, reported to Bill Kechnie here today for a tryout in the Bees outfield.

Stewarts Win 2nd Straight Softball Tilt

Stewart's doughboys won their second straight game in the City Softball League last evening by defeating the Superiors 16-3. Ray Sturm ace moundman, exhibited perfect control to hold the Superiors to three scattered hits and strike out 11 batters.

The Bakery boys put the game away in a big fifth inning uprising by scoring 10 of their 16 runs. Bill Warren of the Superiors was found for 16 safeties before yielding the mound to Elmer Rice who pitched fine relief hurling for the remaining three innings.

Edorn and Carmichael both countered with homers during the tilt.

Gives Promise As Rower

(C. P. By Guardian's Special Wire)
 HALIFAX, June 9.—One of the Maritime Provinces' most promising athletes before infantile paralysis left one leg shorter than the other, Vernon Eville has turned to a branch of sport he never tried before—and rowing were predicting great things from the Acadia University graduate.

Eville gave promise of developing into one of Nova Scotia's greatest runners during his college days, but his track and field career was cut short in 1932 while he was attending the Olympic trials in Hamilton, Ont.

Pioneers Take Exhibition Series With Brilliant 8-5 Victory Over Red Wings

The Pioneers ended the present exhibition series by taking the measure of the Red Wings here last night by an 8-5 score. The game was very close up to the Pioneer end of the 5th when the winners clinched the game and series with a five hit spurge which combined with a base on balls netted them six runs. The Pioneer big guns showed no mercy shelling Wilson from the mound and then continued their steady barrage on "Pony" Daly who relieved the Wing ace.

Schurman in making his debut for the season as a starting pitcher let the losers down with six scattered blows, struck out six and did not issue a single base on balls. The diminutive hurler showed his characteristic feature of the last two seasons being unbeatable in the pinches and leaving five runners stranded on the paths.

Wilson before being relieved in the fifth had allowed only four hits, had struck out seven and allowed two passes. A costly error to start the third got the big hurler into trouble and with Herman Durant's triple and Millman's single the winners scored twice, making the board read 2-2.

The Red Wings scored twice in the first and added their other three in the fifth. In the fifth after Crossman and Phillips reached second and third respectively Schurman retired the next two to face him and had the count two and two on Lidstone when Dave connected with a scratch single, scoring both runners. In the fifth Crossman and Phillips both scored with Elmer Ward adding the Wings last marker.

Herman Durant started the ball rolling in the big inning of the game, the fifth, with a snappy single, Millman was safe on a fielders choice to be followed by singles from C. Ward, LeBlanc, Willard Durant and Schurman, with a base on balls sandwiched in to Steele. Features of the game were Durant's batting as he secured a long triple and a single to score two runs in four trips to the plate, Dave Lidstone's steady playing in centre field and the pitching of Schurman and Wilson.

Berton Robinson made his appearance as an umpire to the satisfaction of all. Competition is known to be very keen between the two teams and there was a touch of the proverbial crabbing in two decisions but matters were quickly righted. Summerside will now mark time for a day or two while final word is awaited from capital ball enthusiasts. The present series has certainly produced good baseball and the teams look legitimate entries in an intermediate league.

Schmeling "A Natural" Scribe Finds

(By Paul Mickelson, Associated Press Sports Writer)
 NAPANOOCH, N. Y., June 9.—Down the sports trail to the foot of the Catskills where we meet Maximilian Siegfried Adolph Otto Schmeling, the Teuton schlager, as the drills for his apparently hopeless struggle against Brown Bomber Joe Louis.

Contrast—Schmeling's fighting fame has spread around the world and the story of how he rose from a \$5 preliminary bout to world's heavyweight champion and then fell is an interesting one. Yet the press agents who tried to build him up as a man of sports color admit they have failed. The truth is that Max is unlike the John L. Sullys, Max Baers, Jack Dempseys and Mickey Walkers. He's more like an industrious clerk as he goes about his business of drilling and his routine of life.

Fighters, training for their big shot, train hard and live a careful life. Not so with Schmeling. Even in training he lives the natural life. He sleeps long hours, eats what he wills and walks alone as he will the night of June 18 when he is left in solitary under the calcium lights of the Yankee Stadium to face the devastating blows of the Brown Bomber.

Max has no bad habits. He doesn't smoke, drink or chew. He eats all German food if he can get it, buying very expensive imported German sausages, cheeses and mineral water. Even his surroundings are as Teutonic as possible. When the newspapermen ask him to play along with them—to fish, hunt or play golf—he says simply, "I want to be alone."
