

# What's on at the Panther Lounge

Although this article will be written before the Blue Rodeo concerts, The Panther Lounge and the Student Union are more than overwhelmed at the response to this event. So in the near future we will do our best to bring top of the line performers to the Barn. Rumour also has it that attendance in Ab Ferris's accounting classes is at an all time high (apparently Ab bought some tickets for Blue Rodeo and was giving them out to students who gave the right answers. Now that's how to motivate!) A big thanks also goes out to Labatt and CFCY radio as their help was instrumental to the success of the event. Thanks also goes out to the X-Press for the great cover and the great title they gave to the article (In case you missed

it, Sean McQuaid retitled the "What's on" article "Blatant Blue Rodeo Plugging" in last week's issue. The crew at the X-Press always had a peculiar sense of humour!)

The next couple of weeks should be called Giveaway Month at the Barn. Labatt are giving away fourteen hockey kit bags, Sante Fe and Coors Lite are giving away shorts, shirts, kitbags and even a neon sign (Fridays) while Bacardi are also giving away free glasses on Fridays.

This week's movies (Jan 22) will be "Boomerang" starring Eddie Murphy and "Thunderheart" starring Val Kilmer and Canadian Graham Greene. Friday, Jan. 29 will be the marathon movie pub. We will be showing Lethal Weapon 1,2,and 3. The

draught specials will be on right till the end of the third movie. Should be quite and afternoon!

Don't forget about the Fashion Show on Thursday, January 28. Come watch some of your friends model some snappy clothes and stay for the dance after the show. Stay tuned for details coming up on Spring Fest '93 A whole week of great events at the Barn, March 11-18)

Football fanatics come to the Barn Sunday, Yes Sunday, January 31st to watch the Superbowl on one of our two 40 inch televisions. Free Chili and draught specials. (What a combination!!!)
