Certified Management Accountant

## ON CULTIVATING BUSINESS GROWTH.

As Controller of the Grocery Division of Nestlé Enterprises Limited, Katharine Harvey plays a pivotal role on the management team of one of Canada's leading food companies. Working with the division's Senior VP, and team members from manufacturing, marketing, and sales, Katharine has been instrumental in the development of the division's long-term strategic plan.

"Each year, I look forward to planning and planting my garden with my Dad. He taught me, very early, that healthy growth is never a hit and miss proposition. With a garden it takes long-range planning and constant care. Plus, you always have to be ready to adjust your plan when Mother Nature throws a curve your way.

"There's a very close parallel between managing a successful garden and managing a successful business. You need commitment to a long-term plan, but you also need to be creative, and ready to make refinements when needed.

"The management focus of my CMA training has given me the ability to identify and understand critical issues, and to communicate effectively. The new Accreditation Process will ensure future CMAs are even better equipped to make contributions in a changing business environment."

You can contribute to business growth like Katharine Harvey does. Become a Certified Management Accountant.
