MONDAY

Visiting the local Experimental Farm this week is Dr. R. S. Gove, senior geneticist in the Poultry Division of the Federal Department of Agriculture, Ottawa.

The spacious auditorium of Trinity United Church was filled to capacity yesterday morning by a great company assembled to worship and to celebrate the 89th anniversary of the completion of the church building, and the 16th of the founding of the congregation.

Rev. A. F. MacLean, assisted by Rev. J. T. Irwin, conducted the services. The special preacher for the day was Rev. John B. Hardie, M.A., B.D., Professor at Pine Hill Divinity Hall, Halifax.

Two arrests and the recovery of considerable portion of the stolen cigarettes marked a step forward yesterday morning in the investigation by City Police into the breaking, entering and theft from the premises of J. C. Montgomery & Co., on Queen Street during the night of Thursday last.

An early lead in the investigation prompted a vigil of 16 hours at a place near the city where the loot was recovered. The two City men in custody in connection with the offence are booked to appear before Magistrate Gilbert A. Gaudet in Queen's County Magistrate's Court this morning, according to information from Chief of Police MacArthur.

Two people were taken to hospital here last night after they were struck by a car near the church at Bristol. Mr. Reuben Drake suffered a broken leg and possibly other injuries and was immediately taken to Prince Edward Island Hospital by Aldus MacKinnon, driver of the car which hit him.

Mr. Drake and his wife were walking along the road apparently to attend church when the car driver honked the horn and they stepped to the side of the road. Though complete details were not available last night it appeared that they walked across the road directly in front of the oncoming car.

Mrs. Drake was treated by Dr. Burden at St. Peter's and it was later decided to send her to hospital for further treatment. X-ray examinations of both Mr. and Mrs. Drake will be made here today.

TUESDAY

In Supreme Court at Summerside yesterday John J. Moran, Alberton merchant, was awarded damages of \$678.18 in a civil jury case against Island Motor Transport, resulting from a collision between an I.M.T. bus and Mr. Moran's motor car on October 25, 1948, at the intersection of the Western and O'Leary highways.

The seven-man jury found the defendant guilty of negligence by failing to approach with caution when coming to a main highway.

Mrs. Ben Pillman, Traveller's Rest, received the sad news yesterday of the death of her brother, Mr. George Gardiner of Wataskiwin, Alberta.

Mr. Gardiner was the son of Mrs. Gardiner and the late Richard Gardiner of Central Lot 16. He is survived by his wife and one son, Gordon, and by the following brothers and sisters: Leslie of Wataskiwin; Elsie, Mrs. Albert Shepherd of Kelso, Washington; U. S. A.; Sadie, Mrs. Harry Murray, Tascasset, Mass.; U. S. A.; Annie, Mrs. Ben Pillman, Travellers Rest.

Winger Bob Bonness, falling to the ice as he fired a backhand shot into the corner of the net, scored at 17 seconds of a sudden-death overtime period last night to give the Halifax Atlantics a 6-5 victory over the Islanders in one of the greatest hockey battles waged at the Forum since the local club entered Maritime Major Hockey.

The goal, coming with amazing suddenness as the Atlantics caught the Islanders flat-footed inside their own defense zone, climaxed a terrific third period comeback by both the Islanders and Atlantics. The Halifax team went into the third period leading 4-2. The Islanders went ahead 5-2 and the Atlantics came back with 32 seconds left to tie up the game at 6-5.

WEDNESDAY

A coroner's jury last night brought in the verdict that Edith MacKinnon, Cecil Naddy and Gerald Dunn came to their death as a result of being trapped in the cab of an overturned truck driven by Edith MacKinnon on November 8th, at approximately 1:30 A.M. at New Perth. Death was caused by asphyxiation from fumes of gasoline which was flowing from the gas tank. No blame was attached to the driver because of the other occupants of the car. The inquest was held at the Legion Hall, Montague, with Dr. G.S.A. Inman presiding as coroner. Mr. S.S. Hessian represented the Crown.

Brigadier W. W. Reid, D.S.O., ED., returned from Ottawa last evening after attending an investiture of Boy Scouts at Government House by the Governor General, where he received the "Silver Acorn" in recognition of his work among the Scouts of the City and Province.

The long sought after McCurdy Chip finally reached the hands of its rightful owners for the coming year with the presentation of the trophy to the Saint Dunstan's University football team by Bill Grant, President of the Maritime Rugby Union last night.

Nathan Jenkins, a patient at Beach Grove, was found dead at the base of the water tower on the premises at an early hour yesterday morning. The deceased had been missing all night and a search party had thoroughly covered the area in the vicinity but without success. The body was discovered just before daylight when the search was resumed.

Coroner Dr. E. Frowse empanelled a jury which after viewing the remains and the location where the body was recovered, were directed to meet again at the City Hall on Monday, Dec. 8. This was the second nomination Brigadier Price has received as federal candidate for Prince. In 1949 he contested the constituency and was defeated by Mr. J. Watson MacNaught, M.P., the present parliamentary assistant to the Minister of Fisheries. His nomination was moved by Lt. Col. Dr. J. A. MacPhee, Summerside and seconded by Mr. Sydney Enman of Enmore.

OTTAWA, Dec. 4 — (Special) — J. Angus MacLean, joint Conservative member for Queen's tonight called on the government to make good on a number of its unfulfilled pledges to Prince Edward Island.

For some years past, Mr. MacLean said in the Throne Speech debate, there had been promises for a Federal Building for Charlottetown; for a new armory and for a new naval barracks. None of these pledges had been met, and they are now long overdue. The Queen's member recalled that requests had been made and are being made to the government to extend the runways of the Charlottetown airport. He understood that this matter is currently receiving the consideration of the Minister of Transport, and urged Transport Minister Chevrier to accede to the request for extension of the airport, Prince Edward Island, Mr. MacLean said, and Queen's County in particular. He received a very small share of Federal public works and of defence contracts.
