FOR OVER FIFTY YEARS MRS. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

The Telephone Company

—OF—

P. E. ISLAND.

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Close the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.

A Dangerous Joke.

A few months ago a person hardly dared say they had La Grippe for fear of ridicule. And now that one-half of our population have had it, the other half are in mortal terror for fear they too will have it. We cannot wonder; for no epidemic scourge has ever visited this country and left such a trail of death and sorrow behind. The best loved members of families from state circles down to the humblest state in life have gone.

It has been the relapses and after dangers from La Grippe that have been so appalling. The death rate in many larger cities has exceeded 100 a week from the "grip" alone; and the end is not yet. Physicians are learning to fear (much more than the epidemic itself,) the serious and fatal extension of the inflammation downward to the throat and bronchial tubes, causing croupous and catarrhal pneumonia, true sequences of the malady; which terminate in death or produce severe laryngitis, bronchitis, asthma and a form of catarrh which contributes largely to chronic disease of the ear, nose and throat, causing loss of hearing, smell and taste. Those physicians who have been most successful with the epidemic say, the surest treatment has been with tonic and anodyne remedies. The medicines most relied upon have been Quinine, Antipyrine, Salicilate of Soda, Johnson's Anodyne Liniment, etc. A prominent Boston paper announced in January last that more persons had successfully used the last named medicine than all the others combined. That seems reasonable for the effects from La Grippe cause severe inflammation, and it is a well known fact that for nearly eighty years no remedy has taken the place of Johnson's Anodyne Liniment for every form of inflammation, internal or external. Therein lies its great value as a household Anodyne, namely the fact that it is and can be used more internally than any other way. At any rate, if one has any symptoms of the after dangers of the "grip" we advise them to get a bottle of the Anodyne at once, or send to the sole manufacturers, I. S. Johnson & Co., Boston, Mass, for full particulars which they send free, and which may save you a big doctor's bill. mar15 d6i w1i

The woman with the dog was making herself obnoxious to everybody by her silly fondling of the animal, which, by the way, was a fine one, as dogs go. Finally a man sitting near made a remark that the woman overheard and she fired up.

"I'd have you know, sir," she said, "that this is no cur. It is a well-bred dog, sir," and she put her arms about its neck.

"I beg your pardon, madam," he responded politely. "I said nothing against the dog. He has my sympathy. I've often noticed that well-bred dogs are owned by ill-bred people," and the dog wagged his tail for some reason or other.

The Children's Enemy.

Scrofula often shows itself in early life and is characterized by swellings, abscesses, hip disease, etc. Consumption is scrofula of the lungs. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

Little John Pegley was caught up a peach tree, filling a bushel sack. He was immediately taken into custody and led toward a corn-house that was to serve as a temporary prison. Discomfited and bewildered by his sudden apprehension, he said, in a most solemn and entreating tone. "Miss Bettie, I declare t' gracious it ain't me."—Harper's Bazaar.

HAWKER'S BALSAM OF TOLU AND WILD CHERRY is the safest, surest and best known remedy for the cure of coughs, colds, bronchitis and all throat and lung troubles. The children's favorite. Sold by all druggists and dealers.

Skinner—Is it true that our club will entertain Mr. Wiltingham, the famous after-dinner orator, at a banquet next week?

Coshick—No, it's not true. Mr. Wiltingham will do the entertaining.—The Club.

D. M. JOHNSON, Esq., M. D., Port Hawkesbury, certifies: "I have used Puttner's Emulsion with great satisfaction where Cod Liver Oil is called for. I recommend it as a disguising the oil that patients never refuse to take it.

Judges are not sufficiently epigrammatic to suit some people. Their sentences are too long.—Binghampton Leader.

HAVE YOU A COUGH?—Then use Everybody's Cough Syrup, a pleasant and efficacious remedy. Price 25 cents a bottle. A full line of the popular Cod Liver Oil Emulsions, Cough Syrups, Balsams, &c, guaranteed good and fresh, always in stock.—Johnson's Drug Store, Cor. Kent and Prince Streets.

"We are going to have a late spring this year," said Mr Hicks anxious to stave off the spring-clothes question. "Then I shall have to have another winter bonnet," said Mrs Hicks. And then Mr Hicks wished he had stayed in the frying pan.

HANDSOME FEATURES.—Sometimes unsightly blotches, pimples or sallow opaque skin, destroys the attractiveness of handsome features. In all such cases Scott's Emulsion will build up the system and impart freshness beauty.

The Star boarder shoved the eggs away from him.

"What's the matter" enquired the landlady.

"I don't like these eggs," he replied.

"What's wrong with them? Eggs are scarce now and cost a great deal of money."

"I don't doubt it," he ventured. "I notice that the fashion in antiques has increased the price quite beyond reason."

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

COD LIVER OIL has long been justly celebrated as a lung healer. Alone it is difficult to take, but combined with the Hypophosphates in Puttner's Emulsion, it is agreeable to the taste, and unequalled by any other medicine for weak lungs.

HEART FAILURE, FAINTNESS, ACUTE DYSPEPSIA, with Complete Nervous Prostration,

Cured by Using

HAWKER'S NERVE & STOMACH TONIC.

A LADY'S EXPERIENCE.

Mr. Wm. Thompson of Musquash, N. B., says: "For 2 years past my wife has suffered with *Acute Dyspepsia* accompanied with complete *nervous prostration* and a *smothering sensation about the heart* which frequently produced an attack of faintness. She became weak and nervous, lost all energy, and had a constant *feeling of dread*. She suffered with *intense pain in the stomach* after eating, which was usually followed by the smothering sensation about the heart and *fainting spells*. She tried a great many remedies and was treated by the doctors for some time, but obtained no relief. She became so *discouraged* that she gave up all hope of ever getting better, when *our pastor suggested* that she try HAWKER'S NERVE AND STOMACH TONIC and LIVER PILLS, *which had produced remarkable cures in several cases he knew of*. We did so and she obtained immediate relief from the distress after taking the second dose, and has continued to improve ever since until today she is as well as ever, and can enjoy her food without fear of suffering. I cannot speak too highly of these valuable medicines which have restored my wife to health and strength and saved much suffering and expense."

Rev. Henry M. Spike, Rector of Musquash, N. B., says: "I am personally acquainted with Mrs. Tompson's case, and am greatly pleased that the medicine which I recommended to her produced such remarkable results."
