The balance of the estate, which was valued at \$3,400 real and \$500 personal, was left to relatives.

AN EXTRAORDINARY WOMAN.—A Montreal despatch says: In the parish of Buckingham lives an extraordinary woman, Madam Louise Poirer, who has just given birth to her 21st child. She is only 39 years old and married at the age of 15. At seventeen she was the mother of three children, having had twins, which event has happened twice in that family for the third time in two years.

TAILORING ESTABLISHMENT.—Mr. P. B. Lacey, formerly in the employ of Chas. E. Robertson, has opened up a tailoring establishment in the store lately occupied by A. E. THE SHERIFF IN CHARGE.—The Halifax Chronicle says: The St. Julian hotel, one of the most gorgeously fitted and furnished in Canada, is now in charge of Sheriff Archibald, two of that gentleman's deputies being placed there last evening. The proprietor has recently given bills of sale for large amounts, and on Tuesday A. Stephen & Son, who are creditors, obtained judgment for a heavy sum and yesterday execution was issued with the result above. The whereabouts of Jos. P. Marr, the proprietor, are unknown. It is said he left the city yesterday morning.

THE TURF.—The frontispiece of last week's Horseman contains the picture of the "big four" of 1889, viz: Nelson, 2.14; Jack, 2.15; General Smith, 2.15; and Alroyon, 2.15. As it is the intention of the coming season, record smashing may be looked for from either of the four. Mr. Nelson has intimated that Nelson would make an attempt to bid for the stallion record, and thinks his horse is competent to do the trick. Stamboul, 2.12, it is said, will also be prepared to reduce his present record, and his owner is very confident that he has the ability for doing it, as well as setting his sails for the stallion record which is at present Axtell's mark of 2.12.

Lesson—John, 19:15. "But they cried out, Away with him, away with him; crucify him. Pilate saith unto them, Shall I crucify you king? The chief priests answered, We have no king, but Cæsar."

The bible class will hold its regular meeting in the parlour of the Y. M. C. A., this evening, from 8 to 9 o'clock.

The Services in Zion Church will be conducted to-morrow by the pastor, Rev. D. Sutherland, in the morning at 11, and in the evening at 7. Morning prayer meeting at 10.15. Sabbath school and bible classes at 2.30.

The gospel meeting will be held as usual in the Y. M. C. A. Hall to-morrow afternoon at 4 o'clock. Subject—Sowing and Reaping (Galatians, 6, 1 to 10). A most important subject. Come and speak, and hear all about it.

The price of flour has risen lately, in Brazil. American lard is quoted at 30 cents per pound, and pickled pork at 25 cents. In some localities, it is said, beans sell at \$20 per bushel, and pork is 80 cts. These prices are likely to continue unless importations are made rapidly.

The Rome correspondent of the Herald's European edition says: "Italy is as much frightened at the retirement of Bismarck as if the keystone had fallen out of the arch of peace. Statesmen are bewildered and stunned, and everybody is waiting for a signal from Premier Crispi. The triple alliance is in danger, the Radicals are utterly opposed to it and are stirring up the people to demand an independent national policy." Premier Crispi declines to tell the writer what he thought of the outlook, but the latter says he has good reason for believing that Crispi expects the sword to be drawn before long.

DISASTROUS TORNADO.

Great Loss of Life.

VALUABLE PROPERTY DESTROYED.

A Town Wiped Out.

INDIANAPOLIS, Ind., March 28. A tornado visited the vicinity of Louisville, Ky., last evening, creating fearful havoc and destruction of life. It is estimated that a thousand lives were lost. All wires in that direction are down.

LOUISVILLE, Ky., March 28. The firemen, police and a large number of men have commenced the work of rescue at the Fall City Hotel. They began by cutting through the slate roof. The first victim was Mrs. Sarah Kelly. When unearthed her body was found sitting in an upright position. Her head was bruised, and one arm was broken. When she revived sufficiently to speak, she stated that when the crash came many women were knocked down and trampled upon, and many others, seeing the overwhelming jam at the door, remained behind and were killed. The search was then changed from the rear of the building to the front, and as soon as the roofing was removed, ten women, locked in each other's arms, were drawn out of the debris. Inside the next hour thirty men and women were drawn out dead.

LOUISVILLE, Ky., March 28. The Board of Trade mass meeting held this morning authorizes the statement that there will be no call for aid from outside. K. D. C. For Everybody.

Henry M. Stanley,

perhaps the foremost living man in pluck, endurance and achievement, has just completed successfully his last and greatest undertaking, the rescue of Emin. The story of his adventures and discoveries, "In Darkest Africa," will be published shortly by Messrs. Charles Scribner's Sons. It will be a thrilling and instructive narrative. Stanley is entitled to the fruit of his labors, and this the Anglo-Saxon sense of justice will secure to him by purchasing

"In Darkest Africa"

the only book in which he will have a personal interest. Intelligent and well-meaning people will not buy the bogus "Stanley books" offered under false and misleading representations, to no one of which has Stanley contributed a line. They will wait for the only authentic book on this subject, written by Stanley himself, and in buying it they will put into his pocket a share of the proceeds of its sale. "In Darkest Africa" will be in two octavo volumes, replete with maps and amply illustrated from Mr. Stanley's own photographs and sketches. Price \$3.75 per volume in cloth. Sold only by subscription. Look on the title page for the imprint of

AGENTS WANTED. Apply to the EARLE PUBLISHING HOUSE, ST. JOHN, N. B., Sole Agents for the Maritime Provinces and Newfoundland.

"BARRISTER"

"Lucky Lad."

THESE renowned Clydesdale Horses will be sold at PUBLIC AUCTION, on the MARKET SQUARE,

ON FRIDAY, 18th APRIL,

AT 2 O'CLOCK, P. M.

Half the purchase money to be paid at time of sale. A credit of 12 months will be given for the balance on approved security.

"BARRISTER" and "LUCKY LAD" are so well known to the public interested in horses that it is deemed necessary to say but little concerning them.

"BARRISTER," which was foaled in 1878, was exhibited at many of the leading Shows in the Old Country, and never left the ring without a ribbon. He on this side has competed in New Brunswick, Nova Scotia and State of Maine, and was always placed first. At our Provincial Exhibitions he has never been beaten, excepting by "Lucky Lad." His stock is more favorably known in the Maritime Provinces and State of Maine, both as good workers and prize winners than any other horse of the draught breed.

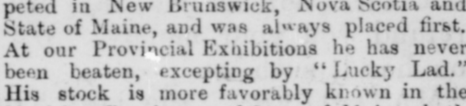

"LUCKY LAD" was foaled in 1884, and was a short legged horse at the great Glasgow Spring Stallion Show, in March, 1887. He entered the ring with no less than 75 of the best 3-year-old horses of Scotland, and was one of twelve left in the circle from which the winner was selected. He is a very stylish, active horse, and as near faultless in conformation as any big horse to be found. He has been shown twice at our Provincial Exhibition and was placed first each time. His progeny took first prize at Charlottetown as foal at foot, at Exhibition, October, 1888, and first prize as yearling and second prize as weanling at Exhibition held in October last. These horses have never had to leave their stables in Charlottetown to make a full season.

R. BEAIRSTO.

Auctioneer.

NOTE.—The reason for disposing of these horses as above is that Mr. C. C. Gardiner, being partner, and being also President and active Director of the Exhibition Committee, has determined to sell in order to prevent his being said that his interest in their conflicts with the independence of his position as a Director in the selection of competent Judges for the Exhibition.
