Rural Life Sunday will be fittingly held on the O'Leary Pastoral Charge of the United Church of Canada on Sunday May 7th. It is a day set apart for emphasizing the meaning of Christianity for rural life; for the invocation of God's blessing upon the seed, the fruits of the soil, and the cultivators of the earth; for the consideration of spiritual values of rural life.

Rural Life Sunday is the fifth Sunday after Easter, but as this 5th Sunday is Mothers' Day, May 7th will be Rural Life Sunday. It was first observed in 1929 at the suggestion of the International Association of Agricultural Missions. It is closely linked with Rogation Days celebrated for centuries in the Christian Church during the three days preceding Ascension Day.

The following is a quotation from the special programs prepared by the Home Mission Board of the United Church:- "Service (70) per cent of all United Churches are in rural areas. Approximately 1,700 ministers serve 380,000 rural members. These Ministers serve an average of four appointments each Sunday and through-the-week services require many miles of travel. The United Church of Canada ministers to more than one-half of all Protestant rural people. We are grateful to Almighty God for the important and vital contribution our Rural Church, its Ministry and people are making to Canadian life and the cause of Jesus Christ."

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out about 2 pints of bile juice into your digestive tract every day. If this bile is not flowing freely, your food may not digest. It may just decay in the digestive tract. Then gas bloats up your stomach. You get constipated. You feel sour, sunk and the world looks punk.

It takes those mild, gentle Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Effective in making bile flow freely. Ask for Carter's Little Liver Pills. 60 at any druggists.

The minutes of the last annual meeting and a summary of the year's work was presented by the recording secretary, Mrs. J. F. Gallant. The treasurer, Mrs. Milton Keough, gave the financial statement which showed a most successful year had just been completed. Mrs. Howard Harper read the report on correspondence and this report as well as the reports of the conveners, all showed the great interest taken in the work of the C. W. L., both for the parish as well as outside duties. Rev. J. A. MacDonald addressed the meeting. He congratulated the president and members for the splendid success they had attained during the past year, and asked all to keep up this good work for God and Canada. Father MacDonald stressed the great need of prayer at all times. He said without prayer nothing can be gained, and it is by prayers offered by the faithful that this awful world upheaval will be settled, and peace once more comes to weary and worn Christians who, although innocent, are being persecuted because they love and believe in God.

The result of the voting is as follows: President, Mrs. F. J. Skerry; 1st vice-president, Mrs. Eugene Perry; 2nd vice-president, Mrs. Milton Keough; 3rd vice-president, Mrs. A. A. LORETTA YOUNG AND VAN JOHNSON STAR IN "MOTHER IS A FRESHMAN"

—Capitalizing on the current trend towards realism, Twentieth Century-Fox has given the campus a fresh new look which the rah-rah brethren of the raccoon twenties and the frantic thirties wouldn't recognize.

According to previewers, the Technicolor comedy, "Mother Is A Freshman," starring Loretta Young and Van Johnson due today at the Capitol Theatre, is a college movie where students really act like students, with no chorus of shapely chorines, no absent-minded professor or not even a game-winning, last-minute touchdown in the final reel.

Instead, there is projected against a realistic college background the novel story of a lovely young widow, who financially embarrassed after years of luxury, discovers that she is eligible for a college scholarship. Following her sophomore daughter to the campus, she enrolls as a freshman and promptly falls in love with the handsome professor of English literature, with whom her daughter is also enamoured. Seen in the title role, Loretta Young has Betty Lynn as her daughter while the apex of the unusual triangle is Van Johnson, as the youngish professor.

Prior to production, Director Lloyd Bacon made a tour of leading western colleges and universities, finally selecting the picturesque University of Nevada for exterior and classroom scenes.

Celebrates 91st Birthday

—On April 20th another of our esteemed elderly citizens, in the person of Mrs. Donald Buchanan of Mount Royal, near O'Leary, celebrated her ninety-first birthday and about fifty guests gathered at the home of Mr. and Mrs. Wilfred Silliker loaded with gifts, flowers and good wishes. Mr. Forrest Phillips, M.L.A., who is the Speaker in the Legislature, explained the nature of the gathering and on his own behalf and on behalf of the entire audience, extended heartfelt congratulations to Mrs. Buchanan and wished her God's continued blessing and expressed a wish that God would spare her to enjoy many more happy birthdays.

Mrs. Buchanan still enjoys very good health. She helps with the many chores about the house, but outside work—well, she gave that up last year. During the past winter, besides helping with the housework, Mrs. Buchanan devoted much of her time to hooking mats, which was her delight.

Miss Marjorie Betts opened the gifts and the accompanying good verses were read by her granddaughter, Mrs. Herman Harris, after which all joined in singing "Happy Birthday To You". Delicious refreshments were then served after which all departed to their homes wishing this grand old lady many happy returns of the day. Mrs. Buchanan has a daughter in Scotland, two sons in British Columbia, and a son, Martin, on the homestead.—O.
