SIR WINSTON IS 89 TODAY

Sir Winston Churchill, holding his ever-present cigar, is pictured at his London home earlier this year. Today the statesman—often described as the greatest living parliamentarian—will be 89 years old. (AP Wirephoto)

Label Change On New Beer Is Planned

MONTREAL (CP) — A Toronto-owned brewery announced Wednesday it will change a blue and white label similar in design to Quebec's provincial flag, the Fleur de Lys, on its new Kebec brand beer.

Dow Brewery Limited, controlled by Canadian Breweries Limited of Toronto, said in a statement the label has been criticized for this similarity and that the change is being made to demonstrate the firm's "good faith and sincerity." The label will be changed "as soon as possible."

A Quebec separatist group, Rassemblement pour l'Independence Nationale, called Nov. 13 for a boycott by French-speaking Canadians against all products of the brewery.

In a statement, the separatist group described the new beer label as "the worst insult ever perpetrated by the Toronto capitalists" and said the Quebec government should take steps to ensure "our national symbols are not exploited for commercial purposes."

The brewery said it does not believe there was anything reprehensible about the design—it had received more congratulations than criticism — but that it would be changed to "put an end to any equivocation and dissipate any misunderstanding."

Sleeping and Pep Pills: WATCH OUT!

Do you depend on "sleeping" pills or their opposite, "pep" pills? If so watch out. In the U.S. abuse of these "nice" drugs has reached epidemic proportions and led thousands to mental illness or the morgue. Read in December Reader's Digest how Canada's handling of this problem might serve as an example to the United States. Get your copy of Reader's Digest now on sale.
