

Station OC Sees NATO, U.N. As Enforcers Of World Peace

"I appreciate this opportunity during the closing days of 1959 to extend to the citizens of Prince Edward Island, on behalf of the officers, airmen and airwomen at RCAF Station Summerside, my sincere best wishes for a prosperous and happy New Year.

"During this past year we can be thankful that peace has been maintained and that prospects for continued peace seem better now than at any time since the end of the last World War. To a large degree, this peace has been earned through our united efforts expressed in NATO and the United Nations. Canada's part in both of these organizations continues to be important and RCAF Station Summerside's mission of anti-submarine operations and training plays an increasingly important part in this deterrent to aggression.

"Since my arrival at the station in early August, 1958, this Island province has generally enjoyed many improvements and can look forward to those being contemplated. This is also true of our own air force station where various construction projects have been completed or are under way. The employment of local workers for these projects is benefiting the economy of the province and future planned construction will continue this trend for some time to come.

"Our station strength has increased considerably and the end of the expansion programme is not in sight. This development has resulted in the construction of new apartment houses, the

GROUP CAPT. CREEPER

"Hillcrest" housing project, and other new sources of accommodation. This integration of RCAF officers, airmen, their wives and families, with local citizenry will continue and the association is fostering a spirit of co-operation and comradeship which is mutually enjoyed. The P.E.I. hospitality is unsurpassed and the airmen from homes all over Canada who spend a tour at RCAF Station Summerside take with them, on subsequent transfers, a long lasting, pleasant memory of their stay on the Island."

The Guardian, Charlottetown, Thurs., Dec. 31, 1959 11

Churches
