REVIEW.—There will be a military review at Victoria Park, to-morrow afternoon, commencing at 3 o'clock.

PICNIC.—The picnic of the season comes off on Aug. 1st at Midgell, on the beautiful grounds of Geo. H. Dingwell, Esq.

THE TWELFTH.—To-day is the Twelfth of July—a great day with the Orangemen. The weather is not all that could be desired.

NAVAL.—H. M. S. Bellerophon, Tourmaline and Pyrites sailed from Halifax for St. John's, Nfld., a few days ago. They will return in a fortnight.

THEATRICAL.—The Camilla Urso Concert Co. will give two of their popular entertainments in the Lyceum, commencing on Thursday evening, August 2nd.

TWO-FORTY.—The Managing Committee of the Summerside Driving Park have, we are pleased to learn, anticipated THE EXAMINER'S suggestion that a race in the 2.40 class be held on the day of the Hernando-Pilot match race.

AMALGAMATION.—The Sunday Schools of the Methodist Churches of this city will hold a picnic at Midgell on the grounds of George H. Dingwell, Esq., on Wednesday, the 1st August. For particulars see advertisement on Monday next.

ACCIDENTALLY KILLED.—Mr. David Goselin, of St. Saviour, Que., was killed at Lethbridge, a few days ago, while aiding in the construction of a church steeple, by a plank falling upon his head, dropped by his son who was working above him.

THE POTATO CROP.—Reports from Massachusetts state that the potatoes, both early and late are looking well, and the outlook for a large crop is good. The acreage is about the same as last year and the condition normal. Potato bugs are reported as plenty and aggressive.

ADDRESS AND PRESENTATION.—On Monday evening last, says the St. John Sun, Rev. G. A. Hartley, of the Carleton Baptist Church, was presented with an address, accompanied by a gold watch and a purse containing one hundred dollars, the occasion being the thirtieth anniversary of his pastorate.

BURGLARY.—We learn that the store of Donald McKay, Esq., at Oyster Bed Bridge, was entered by burglars last night. The doors of the safe were blown open by powder and completely destroyed. About forty dollars in cash were taken, and a large quantity of valuable papers. Mr. McKay would be thankful to anyone who having found the papers, would return them to him.

MORTUARY STATISTICS.—To Dr. Johnston we are indebted for the following statistics for the month of June: Number of deaths, 8; as compared with June, 1887, 12; 1886, 10; 1885, 14; 1884, 15. Causes of death—cholera infantum, 1; asthma, 1; Bright's disease, 1; consumption, 2; old age, 2; stillborn, 1. Age at death—Under 1 year, 1; from 27 to 64, 4; from 65 to 90, 2; stillborn, 1. Average age at death—51 10-12 years. Religion—Protestants, 5; Catholics 2. Nationality—English, 2; Scotch, 1; Irish, 6. Sex—Males, 7; females, 1.

DISMISSED.—At the regular inspection of the police force, yesterday, the Magistrate informed officer Costello that after the expiration of the present month his services would be no longer required. It appears that it was Costello who furnished the false information to the late Editor of the Island Guardian which led that gentleman into publishing the slanderous letter about the Stipendiary Magistrate's action in Scott Act cases, signed "No Surrender," which appeared in the issue of November 12, 1887, and for which the Guardian Co. have had to apologise.

FANCY SALE.—The ladies of the congregation of Christ Church, Cherry Valley, intend having a Fancy Sale on Thursday, the 26th July, to be held on the beautiful grounds of Theophilus Nelson, near China Point Wharf, for the purpose of raising funds to purchase an organ for the church. In connection with the Fancy Sale there will be all kinds of refreshments and amusements to be had on the grounds. It is in the hands of an energetic committee, who will spare no pains to make it the first-class time of the season. St. Peter's Boy's School Band will be in attendance.

RECYCLING.—The St. Augustines (Fla.) News, of the 5th, to hand this morning, gives an account of the Fourth of July celebration at Anastasia. Among the sports of the day were the bicycle races for a gold medal, in which, among the contestants, were two Charlotte-town boys—Fred. St. C. Davies and Howatt. Davies took second place in the first and second races; Howatt fourth in the first race and first in the second. In the first race the distance covered was two miles, and the best time was 3.17 first mile, and 3.23 the second. The second race was a one mile affair, and the best time was 3.14.

SOMETHING WRONG.—A correspondent of the Penman's Art Journal writes:—"A friend asks me to multiply \$5 by \$5. I do so and announce the result as \$25. All right. Now multiply 500 cents by 500 cents, giving the answer in cents pure and simple, not as fractional parts of a dollar. I do so, and am surprised to see the figures climb up to 250,000 cents, which is \$2,500. As \$5 and 500 cents are equivalent, the result is puzzling. It can not be urged that decimal marks should be used. A cent, as such, is as distinct a unit as a dollar, and as the result is to be announced in cents, the decimals cannot be pleaded in extenuation of the rather surprising result. But there is clearly something wrong. What is it?"

AN OLD GAME.—Benjamin Terrey, of Hantsport, N. S., was among the passengers on one of the Fall River steamers from New York to Boston on Monday night. During the trip he made the acquaintance of George W. Chipman, who so far gained Terrey's good opinion as to prevail upon the latter to lend him \$220 with which to pay a bill in Boston, promising to return the money on the departure of the northern boat. Chipman gave as security a check on the Citizen's National Bank of Kansas city, by Roper, Turner & Co., for \$350, endorsed by himself. Terrey went with Chipman down town, and waited outside the building for him. Getting tired of waiting, he entered and found a staircase to another street, but no Chipman. He notified the police who are now looking for the swindler.

The Cumberland campaign is getting exciting. Minister Foster spoke at Springhill mines to-night to a large audience and was replied to by Mr. Bulmer. PARNELL'S VIEWS.—In the course of a recent interview, Mr. Parnell is reported to have said that he believed the home rule movement would result in the establishment of an Imperial Parliament in which England, Scotland, Ireland, Wales and the colonies would be represented. Each country would have a separate Legislature to manage its local affairs. The Imperial Parliament, he thought, would supplant the House of Lords. Mr. Parnell said he also believed the next general election would result in the return to the House of Commons of a majority of 120 Gladstonians.
