

### Vote Appreciation Of PEI Hospitality

The General Council of the United Church of Canada which held its annual meeting in Sackville, N. B., recently went on record as expressing its deep gratitude to those responsible for planning and carrying out the tour they enjoyed last Saturday. The resolution in part expressed to the people here in the words "to our friends on the Island" who gave largely of their time and provided their cars for our pleasure and comfortable conveyance in that never-to-be-forgotten motorcade. They also paid tribute to the various Women's Association for their part as hostesses at Cavendish. The resolution concluded with "The memory of so great kindness and historic interest will be the happy and permanent possession of us all. We shall not forget—and we shall remember to tell the rest of Canada about the goodness of heart and lavish hospitality of "The Maritimes."

### Time Is Fined \$300 For Contempt

GAGETOWN, N. B. (CP)—Time International of Canada, Ltd., Friday was fined \$300 for contempt of court in a Queens county circuit court decision by Mr. Justice G. F. G. Bridgman. ### Former Islander As Anniversary Speaker

Dr. Owen Trainor, M.D., of Winnipeg South, (above) will be the guest speaker at the dedication and anniversary dinner of the Maritime Hospital Service Association on October 13. The prominent Winnipeg medical man will speak on the history of the Blue Cross movement in Canada and the United States.

A native of Charlottetown, Dr. Trainor attended St. Dunstan's College and graduated in medicine from McGill University, Montreal in 1920 and since that time has practiced in Winnipeg. Dr. Trainor is president of the Governing Board of the Canadian Council of Blue Cross Plans and throughout his career has dedicated years of faithful service to the development and growth of provincial and national Blue Cross Plans. The dinner which will be held in the Brunswick Hotel will climax the day-long schedule of events in connection with the official opening of the Maritime Hospital Services Association administration building in Moncton.

### Car Collision At Prince & Grafton St.

What might have been a serious accident proved to result in only minor damage to the cars involved in a collision at the corner of Grafton and Prince streets early yesterday afternoon. Police state that a Studebaker sedan, driven by Mr. Arthur C. Wood, Alexandria, proceeding west on Grafton, drove through a red light and collided with a Chrysler sedan driven by Mr. Percy W. Turner of this city. Mr. Turner was travelling south on Prince street. The collision occurred almost in the exact centre of the intersection. When City Police officers investigated they were told by Mr. Wood that he did not see the light and did not know it was there. It had not been there the last time he drove into the city, he said. The Chrysler, hit on the left side, has most of the chrome decorative strips torn loose and other minor damage. The Studebaker had a right front headlight broken and the fender pushed in. Police officers investigating were Constables J. Howatt and P. Hillier.

### Repeat Order For Island Type Hogs

A repeat order for a shipment of 70 Island type hogs has been received from Saskatchewan and Dr. Stan Curtis, representing the Province's Department of Agriculture, will arrive here early next week to make the selections and purchases. He will be assisted by Mr. H. W. Clay, of the Production Service of the local Federal Department of Agriculture. Mr. Clay and his department are co-operating fully with Saskatchewan and are making arrangements with various breeders to have Dr. Curtis look over their hogs. Several other carloads were shipped from here in past years to the Western Province, as well as smaller orders to individuals. The hogs to be shipped must all be of top quality and rated in Advanced Registry. Mr. Clay noted that at present the percentage of Grade A hogs here is double that of the Canadian average. It is expected that assembling will start soon after Dr. Curtis reaches here and the shipment should be ready to leave shortly after Thanksgiving.

### CCF M.P. Opposes Arms For Germany

BONN, (Reuters)—Colin Cameron, CCF member of Parliament for Nanaimo, B.C., said here Friday his three-day visit to West Germany has increased his conviction that West German should not be rearmament. Cameron is on his way to Scarborough, England, to attend the conference of the British Labour party. He told Reuters news agency today he had a long talk with Erich Ollenhauer, leader of the West German Social Democratic opposition. Cameron said the rearmament of West Germany now could lead to a possible resurgence of those forces which produced Hitler. "They are still here, there is no doubt it," he said. West German rearmament would also rule out the possibility of German unity. It was impossible to expect the Russians to consent to German reunification if West Germany were firmly tied into the Western defence alliance. The great powers, should instead make a start of their proclaimed disarmament program by agreeing not to rearm Germany, Cameron urged.

### RECORD SHARK CATCH

LOOE, Cornwall, England (CP) — J. F. Barlow, an electric engineer, landed a blue shark weighing 155 pounds after a 45-minute battle. It tops the previous British record of 128 pounds caught by 59 pounds.

### Death of Mr. Leo Weatherby

The death occurred in the Charlottetown Hospital yesterday of Mr. Leo Weatherby, well-known Charlottetown resident, following a lengthy illness.

At the end of World War I he followed to Charlottetown and followed the painting trade until illness forced him to retire.

His wife predeceased him fifteen years ago.

He leaves to mourn his loss eight daughters and four sons as follows: Roberta (Mrs. Levi McNally) Johnston's River; Leola (Mrs. Edwin Callaghan) Auburn; Dorothy (Mrs. Peter Callaghan) Fort Augustus; Norma (Mrs. Joseph McNally) Kitchener, Ont.; Lois (Sister Charles), Sisters of St. Joseph, St. Paul, Minn.; Frances (Mrs. Louis Welsh), Kitchener, Ont.; Harold, Windsor, Ont.; Charles, Charlottetown; Joan (Mrs. David Connell) Windsor, Ont.; Leo, Kitchener, Ont.; Bernadette, Windsor, Ont.; Errol, Fort Augustus.

Two sisters also survive, namely, Mrs. Peter Morrison, Rocky Point and Mrs. Auffrey.

### Potato Pickers From City Placed In Eastern Kings

Several potato pickers, the first of the season placed by the Charlottetown National Employment office, will leave for the eastern part of the Province Monday. The men are from the Charlottetown district, and as long as Island men offer their services, no men will be brought in from the mainland.

Usually the local office places about eighty men while potato harvesting is underway and in recent years has not been able to secure this number of Islanders. Most of these are required in Kings County.

Very few if any pickers will be available in and around Souris, where many people are working in the fish plants. The fishing drags, based on Souris, including some from New Brunswick, are continuing to land thousands of pounds of haddock, flounders, and cod, keeping the workers ashore fully employed. Souris, as a result is said to be one of the few communities in the Maritimes enjoying full employment. This applies not only to Souris itself, but to a good portion of the surrounding countryside, from which men and women are transported daily to keep the fish plants in full production.

Any pickers procured for Kings County will be obtained elsewhere than in the County itself, although school children here as elsewhere in the province will be a valuable help gathering the potatoes. In Prince County, where four to five hundred Cape Bretoners and Pictou County men, have been imported annually to lift the crop, every effort will be made to recruit Islanders this year. The Bedeque-Kinkora-Albany district takes the greatest proportion of this number; and it is in this Eastern part of Prince County that the biggest growers reside.

All workers whether Islanders or from the mainland, are given free transportation to the farm which employs them, and return transportation in most cases, if they continue working satisfactorily until the season is over. This may mean being transferred from one farm to another for four or five times, under the direction of either the Charlottetown or Summerside National Employment Offices.

Wages customarily paid are a minimum of four dollars per day, plus board. Pickers are not paid for rainy days, when no work is performed, but receive their board for such last days.

Transportation costs are shared by the Provincial Department of Agriculture and the Federal Department of Labor. The Unemployment Insurance Commission does not contribute anything towards transportation although its offices issue the travel warrants. A greenhouse is being constructed for seed breeding and soil fertility purposes. Some of the foundation has been poured and the forms are now being made. The Farm, through Mr. B. F. Tinney, who is in charge during the temporary absence of Mr. R. C. Parent, reports a reasonably good crop of potatoes with not too much evidence of late blight. He also stated that much of the fall ploughing had already been done. Mr. Tinney also noted the aid given by the Farm staff in judging at the fair at Egmont Bay.

### C. W. L. Annual Convention To Be Held Next Month

CAP DE LA MADELINE, Que. (CP)—The 34th annual convention of the Catholic Women's League of Canada will be held Oct. 16-20 in this shrine centre near Trois-Rivieres, 90 miles northeast of Montreal.

Cap De La Madeline, home of the Notre-Dame-du-Cap sanctuary, recently was the scene of Canadian Roman Catholic Marian year celebrations. Mrs. Fred Drake of Regina, president of the 100,000-member league, will head the convention in discussions of the theme "The Catholic woman and the work of vocations." President Mary Ramsay of the Quebec provincial council will be official hostess.

The league, organized in 1920 to promote Catholic social action and give women a bigger role in church activities, is recognized by the Catholic Conference of the arch as the official voice of English-speaking Catholic women in Canada. Archbishops and bishops from Quebec, Ontario and the Maritimes will attend the convention and Msgr. Giovanni Panico, apostolic delegate to Canada, will be guest speaker at the closing banquet.

### 55 MEN CANCEL RALLIES

FRANKFURT, Germany (AP)—German veterans of former Gestapo boss Heinrich Himmler's SS elite guard have called off two scheduled war rallies. Unofficial word from Chancellor Konrad Adenauer had gone out that such meetings might prejudice the West against Germany at the Sept. 28 nine-nation conference in London.

### Leaves For Paris

Mr. William Rogers (above) left this morning for New York en route to Paris, France, where he will study music composition on a National Research Council scholarship during the coming year.

### Naval Band From HMCS Cornwallis Due Here Tomorrow

The famous 40-piece Naval band from H.M.C.S. Cornwallis, accompanied by a guard, will arrive here tomorrow evening for a week-long visit on Prince Edward Island. H.M.C.S. Cornwallis is the new entry training base in Nova Scotia.

Purpose of the visit is to aid in the publicity drive in conjunction with the major recruiting drive now being conducted. A "Sunset" ceremony with march past will be held at Memorial Field on Monday night with His Honor Lieutenant Governor T.W.L. Prowse taking the salute. On Tuesday the group will go to Summerside for another ceremony with His Worship Mayor Henry Wedge taking the salute.

Back in Charlottetown Wednesday there will be a major parade staged with the band, guard and all ranks of H.M.C.S. Queen Charlotte, the local training ship, taking part. The salute will be taken by His Worship Mayor J. D. Stewart, D.S.O., who will be attended by Lieut. Cmdr. J. Kenny, commanding officer of Queen Charlotte. This will be followed by a band concert at Memorial Field.

Montague citizens will have the pleasure of hearing the band and watching a ceremony Thursday night. The salute at the march past will be taken by His Worship Bruce Yeo. It is expected the band may go to Mt. Stewart Friday for a band concert there. The group will be back in Charlottetown for various sports events on Saturday. This is the first time such a group has ever toured the major centres of the Island for this type of ceremony and it is hoped to secure as many recruits for H. M. C. S. Queen Charlotte as possible. Lieut. Cmdr. Kenny states that to date the results have proven very satisfactory in the recruiting drive.

### Still Cleaning Up At Experimental Farm

Many trees of the Experimental Farm were lost during the big storm of hurricane Edna and the staff there are still busy at work cleaning up the Farm. Most of the trees were aged and none were those planted in recent past years by celebrities, including British royalty.

A greenhouse is being constructed for seed breeding and soil fertility purposes. Some of the foundation has been poured and the forms are now being made. The Farm, through Mr. B. F. Tinney, who is in charge during the temporary absence of Mr. R. C. Parent, reports a reasonably good crop of potatoes with not too much evidence of late blight. He also stated that much of the fall ploughing had already been done. Mr. Tinney also noted the aid given by the Farm staff in judging at the fair at Egmont Bay.

### Reports Encouraging Progress In Campaign

Over \$8,000.00 has already been subscribed to the Canadian Redemptive Seminary Fund Campaign by Holy Redeemer Parish, Charlottetown. After only 10 days of active soliciting, Dr. Loyola Duffy, DDS, chairman of the memorial gifts committee, made the announcement at the first memorial report meeting.

The memorial gifts committee will continue to function for the next two weeks. The committee has as its objective the offering of memorial opportunities in the new seminary to those parishioners and friends who desire to perpetuate the memory of a loved one or to do honor to a family. Dr. Duffy was well satisfied with the results thus far and indicated that this early success of the campaign was due to the generosity of parishioners and friends, and the enthusiasm and zeal on the part of his committee.

Present at the meeting were Messrs. Ivan Berrigan, Benj. Callaghan, Pius Callaghan, E. G. Cameron, Carl Cullen, Dr. Loyola Duffy, chairman, Dr. L. Farmer, Dr. Frank MacMillan, co-chairman, Charles McQuaid, Gerald Nantes, Lester O'Donnell, Frank O'Neill, Russell St. John, Joseph Shelton, Judge St. Clair, Joseph Trainor.

### Willow Tree Burns

HALIFAX, (CP)—The old willow tree which once bore the hanging bodies of 13 mutineers was destroyed by fire Saturday. Sparks from trolley coach wires ignited the heart of the "Gallows Tree" these branches were used for many of its 170 years as a hanging post. Thirteen Royal Navy mutineers were once hanged to death from its spreading limbs in central Halifax.

### BIBLE SOCIETY HOLDS IMPRESSIVE ANNIVERSARY SERVICE AT ST. PAUL'S

Rev. William J. Platt, D.D., general secretary of the British and Foreign Bible Society, London, England, preached the sermon at a special service conducted in St. Paul's Anglican Church last evening commemorating the 150th year of the Society and the Third Jubilee.

Speaking on the text "Behold I have set before thee an open gate," Dr. Platt traced the history of the society and its avowed purpose from the foundation in 1804 to bring the scriptures to all nations. "From that time until today, the impact of the written word in the language and dialects of hundreds of countries has had far reaching effect."

"The Bible is the common heritage of all Christian people, a text book to serve all the churches," Dr. Platt said as he traced the spread of the gospel message through India, Africa, China, Japan, Korea, and the Islands of the seas, through translations into the language of the country.

A striking example of the advance of Christianity was described by the speaker in dealing with modern Japan where 80 million people were confronted with the announcement that their Emperor had renounced the claim of his divinity.

Ten million copies of the scriptures have been distributed each year for the past ten years in Japan and the Emperor's children are being taught Christianity, with the Emperor frequently taking part.

Dr. Platt expressed the deep appreciation of the London headquarters for the splendid contribution made by the people of this Province through the 83 branches in operation towards the jubilee fund over an assigned period of five years. The quota suggested was \$6,000 and the amount raised was \$10,000.

In introducing Rev. Dr. Platt, Rev. Canon J. T. Ibbot, rector of St. Paul's, expressed the pleasure and honor accorded the Bible Society in having the distinguished visitor visit the city after an active career which has carried him to remote places of the earth in the interest of the society and the spread of the gospel through the written word to the people. He congratulated Dr. Platt on his receipt, only last week, of the degree of Doctor of Divinity from Knox University, Toronto, an added dignity which he said was well merited.

Associated with the Rector and Dr. Platt in the service were Dr. Lloyd W. Shaw, president of the P. E. Island Auxiliary of the Bible Society, who read the lesson, Rev. J. H. Bishop, vice president of the Charlottetown Ministerial Association who conducted the prayer.
