Back For A Few Days

IT SEEMS just like yesterday that we were contributing sports columns for The Patriot and here we are back again for a few days while regular columnist Pius Callaghan is away on a jaunt to Toronto where he is scheduled to attend a special meeting of the CAHA.

We really enjoyed Wednesday night's baseball game under the lights and were impressed with the type of ball these Kings County players dish out. Prior to the game we'd have been inclined to pick the Abbies the winners and would have been wrong as the results well proved.

ERWIN Connolly gave a terrific mound performance for the winners. Prior to the game one of the Kings County fans told us that Connolly pitched outstanding ball for Iona this year but his trouble was finding a catcher to handle his fast balls. Mount Stewart backstop Ross Piggot, who has earned himself a reputation as a real steady catcher, appeared to have little trouble handling Connolly's deliveries and that might well have proved the difference between victory and defeat for the visitors.

Strikeouts Galore

The slim moundsman had the City players baffled with his unorthodox windup. He racked up at least one strikeout in every inning except the fifth. Roger MacLeod, who struck three times at batter, went down swinging four out of five times he appeared at the plate. Forbie Kennedy scored one run in the opening inning with a long sacrifice fly, then slashed a single and then grounded out to third. In his last trip to the plate Connolly whizzed two fast balls by him and then had him looking on a changeup.

EXCEPT for the second inning when he allowed four hits and three walks, Charlottetown pitcher Donnie 'Funnel' MacLean gave a creditable performance on the slab. He scattered four hits over the other eight frames with only one figuring in on the scoring. Ernie Smith's triple smashed in the eighth inning.

Kings County backers came out in full force and City Baseball League President George Francis looked happy over the success of this venture. We think that these types of games are the answer for bringing baseball up to the status it enjoyed in years gone by. We also hope that fans will turn out in as great a number for the Island Senior finals between Summerside RCAF and Senior Abbies.

Cruickshank Memorial Sat.

UNDOUBTEDLY there will be a large number of race fans heading for Halifax this weekend to attend the B.C. Cruickshank Memorial Saturday night.

Jack Cruickshank has lined up an impressive array of horseflesh for this annual feature. Heading the list will be the Dartmouth-owned Dee's Boy, who captured the Gold Cup and Saucer classic at the local oval Old Home Week. Dee's Boy has drawn the number 2 spot for Saturday.

Rhythm Time, owned by T. Collette and P. Leblanc of Newcastle, N.B., has drawn the post position in the $4,000 classic.

There will be two Island entries in the Downs feature, June Byrd, owned by the Greenshow Farms of Hunter River and Tammany Hall, owned by Stanley Mayhew and Jack Brown.

TAMMANY Hall has drawn third position with June Byrd alongside him in fourth place. You can be sure that Clarke Smith, up behind Tammany Hall and Jackie Ferguson reining June Byrd, will be going all out for the major share of the big purse.

Other entries in the race are Time To Go, a New Brunswick entry who won at Moncton last week in 2.05 and is considered a comer in 2.00, Bob Lee Boy 6th, and Eben's Ace seventh, trailing the pole horse.

Cruickshank and associates anticipate a crowd in the vicinity of 10,000 and a large number of these will be Islanders.

Senior Abbies Crush S'side RCAF 17-3

Charlottetown's Senior Abbies rolled to a lopsided 17-3 win over Summerside RCAF last night under the lights at Memorial Field in the first game of a best of five final series for the Island Senior baseball crown.

The Abbies brought home three runs in the initial frame and never looked back. Their best effort came in the third inning when they put together a nine-run rally on five hits. They scored two runs in the second and then added singles in the fifth and eighth.

Wilf Shepherd was credited with the victory. The City pitcher limited the visitors to six hits over the nine innings while walking seven and fanning 12.

Ken Gillis starred for the RCAF and lasted only one inning, being relieved by Lorne MacDougall in the second. MacDougall pitched the second and third and then gave way to Dee Lefurgey who went the remaining distance.

The locals bombed the losers for a combined total of 9 hits and drew a total of ten walks. This combined with eight costly errors proved the downfall of the Prince County crew.

HEADS ATTACK

Catcher Forbie Kennedy headed the offensive attack for the winners, slashing three hits in six appearances, the longest being a two run triple in the third inning.

Second sacker Bobby Lund poled a grand slam homer to centerfield also in the third frame.

The losers counted one run in the second, one in the third and one in the fifth.

The fielding gem of the game was a backhand stab of a line drive in centrefield to rob Wayne MacDonald of the Abbies of at least a double in the sixth inning.

Coke Grady called the balls and strikes for last night's game with Jack MacKinnon, Hank Landry and Jimmy Allen assisting him on the bases.

Nfld. Mink Crop Reported Good

ST. JOHN'S, Nfld. (CP) — The Newfoundland agriculture department said Thursday this year's crop of young mink may be the best since large - scale mink ranching was started in the province about seven years ago.

However, the department said market conditions are still uncertain due to a 30 per cent price drop for mink pelts in 1960 which was only partially recovered last year. The drop is attributed to a growing world production of mink and to cheaper furs produced by Scandinavian countries.

Pistons Even Final Series; Defeat National Park 7-4

Canadian Tire Pistons evened their best of five final series for the City Softball League title at 1-all last night at the Old Diamond when they defeated National Park All-Stars 7-4.

Lloyd 'Teet' Gregory making his second start in as many nights, went the distance for the winners, tossing a ten-hitter. Gregory issued no free passes to first and struck out one.

John Hughes was on the mound for the Park and limited the Pistons to five hits but got shaky support from his teammates, a total of five costly errors being committed. The Bedford speedster also walked five and fanned seven.

The Danny McCormack-coached Pistons counted two runs in the opening frame, runners Jimmy Hughes and Cecil Ladner, who made it to first on walks, scoring on Paddy Shepherd's long fly ball to right field.

They added another run in the third, Cecil Ladner drawing a walk, taking second on a passed ball, then touring the next two bases on two errors. Merle 'Kingfish' Longaphie followed Ladner with a long hit over leftfielder Phil Arbing's head that went for the circuit.

In the fifth Longaphie poled a double and came home when fielder Arbing dropped a fly ball hit by Charlie Smith. The Pistons counted their other two runs in the sixth.

Kenny Fitzpatrick drove in the first run for the losers with a triple in the first frame. Vince Bradley was riding the sacks at the time. Three singles plus an error accounted for another Park run in the third. In the fourth three more hits accounted for another run and John Hughes climaxed the Park effort with a four-bag smash in the seventh.

Hughes was top sticker for the All-Stars with four hits in as many appearances. Merle Longaphie was the only player on the Canadian Tire team to get more than one hit.

The third game in this series is slated for Saturday afternoon at 1.30 on the Old Diamond.

Officials last evening were as follows: — Plate — Bud Lund; bases - Frank Bell, Vern Blanchard, Ev. Beagan.

Riders, Eskies Meet Today

EDMONTON (CP) — Two Canadian Football League teams which built solid reputations on their crushing ground offensive may stage the battle of the pass here today.

It will be the first game of the interlocking schedule this season for both Edmonton Eskimos of the Western Conference and Ottawa Rough Riders of the Big Four. Both are expected to take to the air, where they have had most success this year.

Edmonton, which lost the 1960 Grey Cup game to Ottawa 16-6 then defeated Rough Riders 35-26 in their interlocking schedule encounter last year, will be looking for their third win in four games. Ottawa will be seeking its second win in three starts.

Eskimos coach Eagle Keys and Rough Rider coach Frank Clair both appear to have concentrated on their passing game this season.

In Ottawa's upset victory last week over Montreal Alouettes— they went into the game 12-point underdogs and won 29-18 —import quarterback Ron Lancaster led his team to victory on the strength of his passing.

In Eskimos' wins so far this year, it has been the passing of quarterbacks Jackie Parker and Don Getty that has moved the club for long gains and touchdowns after their ground attack has been stalled.

SPORT ECHOES

Summerside Bureau of The Guardian

To Attend Hockey School

Alan "Lippy" Gaudet and Paul MacWilliams left this morning (Friday) for Niagara Falls to attend a hockey school under the sponsorship of the Boston Bruins. The boys expect to be there a week or ten days performing under the eagle eyes of Boston scouts who will decide if the boys have the potential to continue in the Bruin farm system.

Hockey fans around here, who have seen these two players in action, will be confident that they will go far. Alan is in one of those boys who are poison around an enemy net. Paul, a bit huskier than Alan, is also a good goal getter and can handle himself when the traffic gets jammed. Best of luck, boys, and we hope to be seeing you with the Boston Bruins on television someday.

Anyone who saw the account of the Souris-Summerside Midget game and the 18-0 score shouldn't jump to the conclusion that the Souris lads are that much better than Summerside. The teams fought to a 5-4 decision in Souris, Summerside winning and it was nip and tuck all the way. The Souris boys just happened to have the misfortune of playing their season's worst game at Queen Elizabeth Park on Tuesday.

They dropped easy throws to bases and routine flies in the outfield and each miscue seemed to disorganize the boys more. They were getting solid wood on the ball at times, but the sphere was going straight to Summerside infielders and outfielders, as if drawn by magnets. We'd like to see those boys in action again, and are sure they could give a much better account of themselves.

A Classy Outfit

Legendre in the outfield and Bernard at short stop were particularly brilliant. Mort Onyett shone pretty bright at third base for MacKenzies but his act was overshadowed by the RCAF. We're betting that those boys will clan clean up on all Intermediate "B" teams without too much trouble. Imagine an Intermediate "B" entry beating a Senior "B" 14-1.
