Beer Bros. for Dress Goods. Railway Convention of Montreal Sept 18-20. The visit of Mr. John C. Moore, of Moncton, is postponed until later in the fall. Some Service at the Gospel meeting in Philharmonic Hall tomorrow afternoon at 3.45. Everybody welcome. A SINGING.—The City of Halifax has been a civic debt of \$74,516, last year's increase amounting to the respectable sum of \$374,159. GOSPEL MEETING.—Remember the Gospel Meeting in Philharmonic Hall, Sunday afternoon at 4 o'clock, conducted by the Railway Men. Strangers always welcome. Lesson Acts 4-13, "They had been with Jesus." GRASSHOPPERS PLAGUE.—Swarms of grasshoppers are doing great damage to vegetables in Michigan. The excited farmers say that the "hoppers" will even eat the fences which they can get nothing else, and this year average 50 bushels to the acre in some places. DESTROYED BY FIRE.—We hear with regret that the public hall at Hunter River was destroyed by fire about noon today. The public school was held in this building, and the Orangemen and Societies of Temperance held their meetings there. The origin of the fire is unknown. Nothing was saved. HARVEST MOON.—A moonlight excursion will be held on the steamer Jacques-Cartier by the members of Charlotetown Lodge, I. O. G. T. The date set is Monday, Aug 24th. Everybody who attended their last moonlight excursion spoke very highly of it, and this one is promised to be much better. The 82nd Battalion Band has been engaged for the evening. Refreshments of all kinds on the boat. The troupe are always to the fore in entertainments, and are deserving of a large crowd. FANT MUSIC.—The fine band of the 82nd Battalion gave a concert in Queen Square Gardens last evening, to the evident appreciation of the large number of people present. The band was assisted on the occasion by Mr. Frank Archibald on the Clarinet, Mr. Fred Bayliss on the Euphonium and Mr. Walter Hornay on the piccolo. After the concert Messrs. Archibald, Bayliss and Brecken, who leave shortly, were entertained at a supper at the Revere Hotel, where a pleasant evening was passed. BOAT RACE.—The sail-boat race on Monday next will start at one o'clock. At that hour the Southport will leave Ferry wharf, calling at Connolly's wharf for passengers. There are several boats in the race, which promises to be of a most interesting character. There will be a four-oared race in connection, starting about three o'clock. Those who wish to spend a pleasant afternoon on the water will find it well worth the trouble to the promoters of the day's sport, should make a point of taking in the excursion on the Southport. BUSINESS EDUCATION.—The regular sessions of the Charlotetown Business Course and Writing Academy will be opened on Monday, the 19th inst. Those who did not complete the course last year are requested to enter as early as possible. We also ask those who have made application for admission to enter as early as convenient. His Honor Lieutenant-Governor Howland has kindly consented to open the Course of Lectures, which will be delivered before the students from time to time by some of our most talented educationalists. Circulars and particulars furnished on application to L. B. Miller, Principal. SCOTTISH GATHERING NOTES.—Among the visitors to the Caledonian Gathering as well as on Thursday, were His Honor Lieutenant-Governor Howland and suite, Rev. Dr. Dugie of Vernon River, U.S. Consul Kane and a party of friends from New York, quite a number of prominent Scotchmen from Boston, Mass., members of the Caledonian Club of that place, and from the adjoining provinces. Leading members of the club from different sections of the Island were present, as were also large numbers of other nationalists. The fact that such an unusually large assembly passed off quietly and orderly indicates the good feeling maintained among all classes. Among the visiting club present were Senator Macdonald, Chief of the Club, A. McNeill, ex-president and secretary, Robert Lawson, James Paton, John Andrew Macdonald, Alex. McKenzie and other old members of the club. The agreeable and obliging counsel of Capt. H. McLean of the Jacques Cartier, and Capt. Macdonald of the Southport, elicited much praise from all on board the boats, each of which was crowded.

PULLING AND BOXING THE EARS. SIR.—With reference to the article in yesterday's issue on the education of deaf children, I would say right here that not a few children are rendered deaf from having their ears pulled by their teachers while at school. Now this pulling, I am sure, is not the result of cruelty on the part of the teacher, but from mere habit. Of course the conduct of some children is very trying. And since the old-fashioned laws and canes have been abolished (and the children know it) there is nothing left whereby the teacher may give the careless one a reminder except a pull or box on the ear, which is indeed a cruel habit, and ought to be resented by parents. I speak from experience, having a boy who suffers now from punishment received at school five years ago. I know of other little ones who were rendered deaf, if not altogether, deaf from the same cause. Better put the fangs into the teachers' hands again rather than have our children afflicted with earache and deafness.—A MOTHER.

INFORMATION WANTED. SIR.—What has become of the blue Elephant that was seen sprinkling here and there around our streets a day or two ago. This article if purchased will be \$350 of the citizens' money wasted. It would be now in order for the citizens to notify the City Councilors that they request of them the said City Councilors more rigid enforcement of economy and less squandering of the City's finances. QUI VIXIT.

SPECIAL MEETINGS.—The King's Own Band, consisting of musicians and vocalist, in charge of Capt. Gage, will give a musical entertainment in the Salvation Army Hall this (Saturday) evening. Admission, 10 cents. The meetings all day Sunday will be led by Capt. Gage as assisted by the Band as follows: Kee at 11 at 7 o'clock. Holiness meeting at 11 at 7 o'clock in the large hall. In the afternoon will be Victoria Park if we hear him. Great Salvation meeting at 8 o'clock. Silver collection at the door.

C. E. CONVENTION.—A meeting of the decoration committee will be held at the residence of Mr. Arthur Johnson on Monday afternoon at 3.30 o'clock. The committee of management are requested to meet with them. The C. E. local executive committee will meet in the Y. M. C. A. on Monday next at 5 o'clock. C. E. week rally will be held on Tuesday next at 8 o'clock in the First Methodist Church.

FRIGHTNESS TO DEATH.—Miss Catherine N. Chisholm, a Nova Scotia girl, died in Cambridge, Mass., last Wednesday night in a peculiar manner. She had been troubled with heart disease, and when a heavy thunder storm came up towards morning she was so badly frightened by a peal of thunder that she fainted and never rallied.

LIFE OF TILLEY.—The Life and Times of Sir Leonard, which is now going through the press, will be ready for delivery about the end of the present month. In addition to the story of the life of Sir Leonard, Mr. Hannay, the author, gives a most interesting resume of the political history of New Brunswick.—St. John Telegraph.

AMERICAN GOLD.—American gold is coming into Canada in considerable amounts at the present time, there being a rush on the part of capitalists from the United States to deposit their money in this country where they estimate it will be safe.
