Habit.
Habit hath so vast a prevalence over the human mind that there is scarcely anything too strange or too strong to be asserted of it. The story of the miser who, from being long accustomed to cheat others, came at last to cheat himself and with great delight and triumph picked his own pocket of a guinea to convey to his hoard is not impossible or improbable.

A TORONTO LADY CURED OF ASTHMA

After Twelve Years' Suffering. Toronto Physicians Advised Leaving Her Home to Go to Manitoba. Clarke's Kola Compound Cured.

Mrs. McTaggart, 80 Varnauley street, Toronto, writes:—"I have been troubled with asthma and bronchitis for twelve years, which gradually grew worse each year. In spite of the hundreds of dollars my husband has spent with several doctors, and almost every remedy we could procure, for the past two years I could not lie on my left side, and during the past year previous to taking Clarke's Kola Compound the asthma became so severe that I had not had a full night's sleep, and during most of that time we had a doctor in attendance. We gave up several doctors, as I was becoming no better, and the last doctor, after about two months' treatment, told me he could do nothing for me, and advised me to go to Manitoba or some dry climate. We heard of Clarke's Kola Compound being a cure for asthma, and before taking this remedy made several enquiries from those who had taken it, and in each case found the result so satisfactory that we resolved to try it. After taking the first bottle I became much better, and began to sleep well at nights. Since taking the third bottle I have not felt the slightest symptoms of my former trouble. I have during the past six months gained nearly 20 pounds in flesh, and feel perfectly healthy in every way. I can assure you that I will do all in my power to induce any sufferer from this terrible disease to try it."

Clarke's Kola Compound is sold by druggists, or by the Griffiths and Macpherson Co., Limited, 121 Church street, Toronto.

Alkali in Great Source of Trouble in Northwest.

OAK LAKE, MAN., Feb. 5.—One of the great drawbacks to life in the great Canadian wheat belt, is the presence of alkali in the water. This is a prolific source of kidney and bladder trouble and it is for this reason that Dodd's Kidney Pills are becoming indispensable in this district.

Frank Colleaux, of Oak Lake writes: "It gives me great pleasure to testify to the excellent curative qualities of Dodd's Kidney Pills. About two years ago I was attacked with kidney disease and severe pains in the back. A friend of mine advised me to try Dodd's Kidney Pills. I did so and six boxes cured me. My back has not troubled me since."

W. Chase, America's greatest physician. This great kidney cure is sold by all dealers at 25 cents a box, and has proved most effectual as a remedy for the many ills to which woman is subject.

His Experience.

"Woman's work is never done," quoted the sympathetic citizen.
"That's right," answered Mr. Meek-ton earnestly. "I have observed it in Henrietta's case. Woman's work is never done. There is always enough of it left over to keep her husband busy from the time he gets through his dinner till he's so tired he has to go to bed."—Washington Star.
