Montreal: Stocks mixed in narrow range; little trend.

N. Y. Stocks

NEW YORK (AP)—The stock market went through a dull session Monday and closed mildly higher.

The day was notable for one thing — it was the first Monday since President Eisenhower's heart attack that prices didn't break badly.

Buyers displayed their greatest interest in steels, motors and a few railroads and oils. Coppers did well at first but then turned mixed.

The Associated Press average of 60 stocks was up 40 cents at $166.10. Volume was 1,480,000 shares.

U.S. Steel was at the head of the most active list up ⅝ at 54¾. Westinghouse Electric, with 29 of its plants on strike, was off ⅞ at 55¼ in second place. It was followed by Textron up ⅞ at 23, General Electric up ½ at 48¼ and Sperry Rand up ⅜ at 22.

Canadian issues were mostly lower. Hiram Walker and Distillers Seagram both fell ½, McIntyre dropped 1 and Canadian Pacific lost ¼. International Nickel was up 1¼ and Dome Mines remained unchanged.

On the American exchange Royalite Oil fell ⅛, Giant Yellowknife was off 1 1-16 and Lake Shore remained unchanged.

Toronto Stocks

TORONTO, (CP)—Prices marked up a nominal advance in Toronto stock exchange trading Monday, reversing the sharp downward trend that has marked the opening sessions of the last three weeks. The market edged forward from the opening but yielded some ground toward the close and finished only narrowly ahead.

Sales totalled 4,253,000 shares. Base metals recorded a fractional index gain. International Nickel and Hudson Bay led the seniors, each with a $1.25 advance. Eureka continued its strong upsurge of last week, jumping 43 cents to $2.83. The warrants climbed 41 to $1.66. Gaspe Copper added a point, Granduc 35 to $6.54, Opemiska 25 to $8.40 and Harrison Minerals 11 to $1.08. Noranda was down ½.

In a mixed golds section, McIntyre lost 1½. Hollinger improved ⅝. Bulolo gained 40 to $5.65 and Sullivan and Sturgeon River were also stronger. Scant attention was paid to uraniums.

Among western oils, lively trading continued in shares of Petrol Oil and Gas. The stock added 13 to $2.07. Gridoil moved up 55 to $8.90. Consolidated Mic Mac, Federation Pete and Merrill dipped 15-20 cents.

Index changes: Industrials up .35 to 419.70, golds down .33 to 84.38, base metals up .43 to 199.19 and western oils up .12 to 107.26.
