Yesterday a party from Kingston called before Magistrate Profit and was fined a nominal sum with a warning of the dangers that often result from such conduct. It is understood that other cases are likely to follow.

—C. N. F. B. A. PICNIC—The staff of the head office of the Canadian National Fox Breeders Association, had a most enjoyable picnic on Wednesday afternoon at the beautiful grounds of Mr. Percy Johnson at Clear Springs, near Souris. —SEVERAL USERS of Purina Fox Chow have asked us to estimate the requirements for the pup-feeding season. Here are the figures:—From June 1st to August 1st each pup will require 25 lbs. of fox chow; from Aug. 1st to pelt-ing 50 lbs. of fox pelt-ing chow. A total of 75 lbs. at a cost of about \$3.35. Compare this with the average cost of around \$6.00 for other rations and you will see that by following the best feeding plan known to the industry you are also saving money. If you haven't backed your season's supply, do so promptly so that you will obtain advantage of the company's refund. L-131-6-24-28.

Theatre goers had a rare treat last night at the Capitol Theatre, when "Keep Smiling", first of 20th Century Fox 1939—39 pictures for the popular young star, Jane Withers, kept them in a merry mood all through to the very last act. A strong supporting cast headed by Gloria Stuart and Henry Wallace add much to the picture. "Keep Smiling" affords her high spirited talents, and she keeps you laughing, thrilling and living every exciting moment of it. There is in addition to some of the most hilarious comedy seen in many a month, a tender, heart-warming quality to Jane's performance that will endear her even more to the legion of her fans who have heretofore loved her for her sheer exuberance. Put this picture on your must list for today.—S.
