 The Island's triple crown of racing the big attraction. This Evening Patriot has attracted such favorites as June Byrd, Hi Jay, Bob Brook, Dee's Boy, McStampon, Tammany Hall and Lord Aden. Falls are expecting a terrific battle in both dashes of this outstanding feature. Most of these horses have claimed before this season and some really remarkable miles have been hung up.

## Drivers go after award

Drivers at Charlottetown Driving Park during Old Home Week will be trying to capture the British Consols trophy emblematic of the top pointgetter in the 11-card racing spree. Of course, those with larger stables will have the greatest opportunity of grabbing the coveted award. Fellows like Cyril Smith, Clark Smith, Emmet Bernard, Joe Hennessey and John Buddy Campbell have plenty of opportunity to drive home winners. Drivers such as these gentlemen will be kept on the hop continually throughout the big week.

Harvey Cormier and Jack Bernard will also have a big lineup of speed going throughout the Old Home Week celebration. Jack has already captured the big award and no doubt he will be trying for a repeat in 1962. Of course, many drivers with fewer horses in their stables will be doing considerable 'catch' driving during the big fair. Their services will be sought by many owners and those services will be willingly given.

When Jack Bernard arrives from Fredericton he will have with him: Mayhew's horses with him. Here at Charlottetown

Clarke Smith and Joe Hennessey have been racing Mayhew's string during the past few months. Undoubtedly Stanley Mayhew will have the greatest number of horses going during the Old Home Week show.

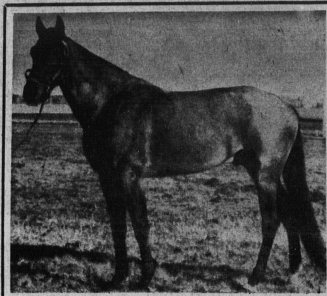

Bob Craig who raced out of here last season is handling Dr. Delaney's string from Moncton and Harry Hirsch's string includes such notables as Deanna Dell and Fedoran. Harvey Cormier will bring eight and Curt Olive has six under his wing.

SPACE AT PREMIUM  
 Every inch of stall space will be jammed during the week-long harness racing show and those in charge of accommodation are surely having their headaches these days.

The draw for Monday night's card took place yesterday afternoon and other draws will take place each morning next week at 10 o'clock. There will be one exception on the day of

The Gold Cup and Sancer parade. The draw that Friday morning will likely be held at 9 o'clock instead of the usual 10. Many new race tabs are expected to be obtained by the big field of horses and Everett Hastings, plant superintendent, and his assistants are working feverishly to have the oval in the fastest possible shape. Evening races will commence at 8:30 and afternoon shows will start promptly at 2:30.
