Georgetown Girls - Q.S.S. Boys Win Island Titles In Interscholastic Hockey

The Georgetown girls and the Queen Square School boys were the winners in Island Interscholastic hockey championship play here at the Forum on Saturday night when the Georgetown girls squad eked out a close 1-0 verdict over Summer Side Saint Mary's and the Queen Square boys over the Summer Side High School under an 8-2 defeat.

Both games were sudden death contests for the Provincial titles in their respective divisions.

Chalking up the only goal of the game at 9:55 of the first frame DeLoery fired the winning marker for Georgetown on an assist from Prosper, with both teams battling to a scoreless draw in the two remaining periods that produced a wealth of smart hockey. Only three penalties were awarded during the cleanly played and keenly contested match.

It was a different story in the boys division. Driving hard right from the start, Queen Square banged home three goals to one in the opening frame, and notching up the only tally in a much closer middle session, fired home four more in the closing frame before Summer Side came through with their second and final goal of the game.

Joe Revell and P. Davey were the leading marksmen for Q.S.S. with a brace each, while Eddie Kays, Billy Purcell, Bill LeClair and Angie Carroll counted one each for the remaining tallies. P. Green and L. Clow were the sharpshooters for the remaining tallies. P. Green and L. Clow were the sharpshooters for the Western Capital squad with one each.

RIOT OF COLOR

LONDON - (CP) - Floral colors of the Festival of Britain pleasure gardens, Battersea Park, will have a scheme of gold, purple and green. The display will include 40,000 tulips, 17,000 pansies, 15,000 wallflowers, 7,000 begonias and 25,000 daisies.

The 1950-51 Maritime Major Hockey League championship is still undecided. Many local followers of the sport here thought it would be all over at Halifax on Saturday night, but coach Sweeney Schriener and his Saint Mary's pucksters had other ideas.

One again the Islanders and Saints put up a great performance for a packed Halifax Forum, but the result in that fourth game on Saturday night was a different one from the three previous series performances—the Halifaxians were on the winning side of things by a 4-3 count to give them their first game of the series to date.

As was the case in the third game played on Wednesday, the Islanders were forced to come from behind a two-goal deficit before getting the upperhand, but unlike that performance, this time were unable to maintain their lead with the Saints rallying with a strong third-period barrage that netted them two goals to give them the winning edge. Deadlocking the score in the third frame, it looked very much like the match was destined for another overtime session like its predecessor when Bill Ford fired the big marker of the game with some 50 seconds of playing time left. Ford has been one of the Saints most outstanding forwards during the series and further enhanced his value to the Halifax squad with his Saturday night performance.

Now the scene of action returns to the Charlottetown Forum tonight for the fifth game of a series that might end here tonight or be pushed to a sixth or even a seventh and deciding game. With the Saints now having tasted victory for the first time in the series, anything might happen from here on, and although it is still a long haul for the Schrienerites, there is just no knowing.

But there is one thing that fans who will be attending tonight's contest can be sure of, and that is a bang-up contest. The closeness of the two meetings at Halifax has set the stage for this game that will likely produce the hockey battle of the season. Another win for the Saints would mean new life and championship hopes for them, while for the Islanders a victory will mean the Maritime Major Hockey League championship and a crack at the Maritimes title. With such a set-up how could it miss being a real battle; there is far too much at stake for either squad to take any chances or display anything less than their very best hockey.

Congratulations go out today to the Georgetown girls and Queen Square boys school teams who, having won the Provincial interscholastic hockey honors and the Physical Fitness Trophies for their respective divisions in final matches played here at the Forum on Saturday night, Summer Side teams, Saint Mary's convent in the girls' bracket, and the high school boys were the defeated in both cases.

Meeting in sudden-death final encounters, the Georgetown girls only squeezed out a narrow 1-0 verdict from Saint Mary's convent, but in the boys bracket, the Q.S.S. pucksters walloped the Western scholars to the tune of 8-2. But it was smart hockey while it lasted with all four teams giving it everything they had and whether victor or vanquished, may well be proud of their performances.

The Kensington Pee-Wees and West Kent School Paperweights also made aggressive showings in semi-final play leading up to the finals for Provincial titles in those brackets. The Kensington squad downed West Kent with a 4-0 shutout for the Queen's-Prince Pee-Wee title and earned the right to meet Souris representatives later this week for the Island crown in that division. Coming up with an aggressive performance the West Kent Paperweights had better luck than their pee-wee performers, when they copped off the Queen's-Prince title by eliminating the Western Capital paperweights 4-0. They too will meet Souris in the finals for the island title.

Under the sponsorship and direction of the Department of Physical Fitness, the minor league brackets have been producing plenty of keen competition and healthy recreation for hundreds of hockey minded youngsters this season and although their activities are fast drawing to a close with only a few brackets left to declare island winners, it has been a more successful season. Queen's, Prince Hockey Titles Are Decided

The Kensington Pee-Wees and West Kent School Paperweights captured Queen's-Prince hockey titles in their respective divisions at the Forum on Saturday morning when they topped out their opposition by 4-0 scores in each case in semi-final, sudden-death play-offs leading up to the Provincial titles.

The Kensington squad downed the West Kent Pee-Wees for their shutout victory while the West Kent representative team in the Paperweight division blanked the Summerside Paperweights by a 4-0 count.

Marksmen for Kensington in the Pee-Wee division were Bridges and Thibault who potted a brace each.

In the Paperweight clash, young Derek Buntain of W. K. S. was the big star of the game when he turned the hat trick for three goals while W. MacMillan accounted for the other marker.

The Kensington Pee-Wees and the W. K. S. Paperweights will now meet the teams representing those divisions in Souris for the Island titles. The games will be sudden-death affairs and will be played later this week. Referee for both matches was Art Perry of the Department of Physical Fitness.

Fifth Game In Series Scheduled For Forum In Ch'town Tonight

Halifax Juniors Square Series

HALIFAX, March 25 - (CP) - Thin-legged Billy Ford, sprawled on the ice and wrestling with Charlottetown defenceman Johnny Dutchak, somehow managed to shake his stick clear and sweep the puck into the Islanders' cage Saturday night to give Halifax St. Mary's a 4-3 victory over the Prince Edward Island club in the fourth game of the Maritime Major Hockey League finals.

It was the first win for Halifax in the four-of-seven series, in which Islanders lead three games to one.

Less than a minute of playing time remained in the third period when Ford scored. He had been knocked down about ten feet from the crease. As he attempted to fight out the clutching hands of the Big Charlottetown defenceman, his stick swept out in a circular motion from his side, hooked the loose puck and swept it into the net before the surprised Charlottetown goalie could make a move.

Realizing that tempers in this playoff would run higher than usual, referees Leo Murray and Charlie Deziel were very sharp with the whistle. As a result, both clubs were frequently short-handed. But as in other games of the series it was the Charlottetown club which took advantage of most of the opportunities.

All three of the Islanders' goals were scored when Halifax were short-handed, while the Saints could rack up only one when the situation was reversed.

Billy Watson had a big night, scoring two of the Halifax goals and assisting on another. Eddie Brown and Ford were the other scorers.

Frank Bathgate, easily the outstanding Charlottetown player, checked in with a goal and two assists. Danny Horeck and Red Favero had the other two goals.

Augustine Cove Bulldogs Win

Augustine Cove Bulldogs won the third and final game of the semi-finals for the South Shore League C hockey championship Wednesday night defeating the Albany St. Pats by the score of 7 to 4. The Albany boys were leading 4 to 3 going into the third period but the Cove set a return in that final frame to sew up the game and the series.

Moncton Juveniles Win N. B. Crown

MONCTON, N. B., March 25 - (CP) - Moncton's East End Beavers advanced to the New Brunswick-Prince Edward Island juvenile hockey finals Saturday, defeating Fredericton Juveniles 10-4. The win gave the locals the two-game total-goals series 16-8.

Beavers now meet Charlottetown in a sudden death game, possibly Tuesday at Charlottetown, team officials said.

FAMOUS COLLEGE

Heidelberg is the oldest of 20 Universities in Germany, having been founded in 1386.

Al Rollins Is Winner Of Vezina Trophy

TORONTO, March 25 - (CP) - Al Rollins, lanky Toronto Maple Leafs goaltender, tonight won the Vezina Trophy when the Leafs shut out Boston Bruins 1-0 in Boston.

Rollins had carried a one-goal lead over Terry Sawchuk of Detroit Red Wings into the final game of the season and Sawchuk was unable to catch him despite Detroit's 5-0 victory over Montreal Canadiens.

The \$2,000 in prize money goes to Rollins who played 40 of Toronto's 70 regular season games. It was the first time for a rookie to win the coveted trophy since 1938-39 when Frankie Brimsek of Boston Bruins turned the trick.

The trophy, named after the late George Vezina, an all-time N. H. L. goaltending great, annually goes to the goalie playing the most games for the team with the fewest goals against it.

Vice-President Of Red Sox Dies

BOSTON, March 25 - (AP) - Eddie Collins, 63, vice-president of the Boston Red Sox baseball club, died in hospital tonight.

He suffered a shock last Aug. 10 and had been under the care of physicians since.

Collins, a member of the Hall of Fame, was recognized as one of baseball's greatest second basemen.
