## Attention Psychology Majors!!

Application forms for the honours program are now available in the office in the psychology department. Due date for these applications is December 18, 1990. See Dr. Terry Percival for more details.

Just a reminder for graduating seniors interested in applying to graduate schools for the 1991/1992 school year, now is the time to contact the schools you are interested in attending. Paul Gray has some information in the psychology lab as well as a very helpful listing of institutions and their programs throughout North America. Any question, contact us.

## Fine Arts

Greetings Everyone. We are, at last, the Fine Arts Club. Born into being in October, we exist for you; that is, anyone in the university community regardless of age, major or minor et cetera, who is interested in art in any capacity, form or function artistically or/and intellectually. Meetings are sporadic and will be, for the most part, gatherings at galleries to view exhibitions, to hear critics, to learn about processes, restoration and heritage, and importantly, to share and express knowledge and opinions. Did you know that we have a gallery space on campus? If you are a student, faculty member, or on staff and might be interested in exhibiting your work please let us know. Look for our soon to be familiar notices around campus announcing events, times and places. Please feel free to join us some time at any of our functions. You will be welcome.

Bye for now,  
Carrol Williams  
Fine Arts Club rep.
