Defending Champion And Other Ranking Players Ousted From Tournament

(C. P. Cable, By Guardian's Special Wire)
SOUTHPORT, Eng., May 18.—National champions, former champions and Curtis Cup heroines toppled like dominoes in the deep bunkers here today as the field in the British Women's golf championship was reduced from 64 to 32 by the first round.
Tossed into the discard by two sharpshooting fellow countrywomen, almost before the galleries had gathered, were defending champion Wanda Morgan and the United States "queen", Mrs. Glenna Collett Vare.
Thereafter the elimination axe descended at intervals, removing Mrs. Helen Holm, former British titleholder, Robertson Durham, the Scottish titleholder and Jessie Anderson, the New Zealand champion who gave Britain the tie in the Curtis Cup matches at Gleneagles May 6. With them went two strong Americans, Mrs. Opal Hill and Mrs. Frank Goldthwaite, leaving but five shotmakers from that country to try for the only British links title that has never crossed the Atlantic.

It was Miss Bridget Newell, 24-year-old justice of the peace from Derbyshire and the tourney medalist who tripped up Wanda Morgan, 3 and 1.
This result was not the surprise that was furnished by the elimination of Mrs. Vare by her sister American, Miss Charlotte Glutting. The United States champion was shaky from the start and her opponent made the turn two up. Mrs. Vare blew sky high on the in-journey, while Miss Glutting continued to play a beautiful long game that ended the struggle on the 15th, with the score 5 and 3.
An all-British match that attracted much attention ended with Diana Flashwick, 1930 British champion, winner by one up over Isabella Rieben of Wales. The Welsh girl staged a courageous rally to carry the duel to the last green after being four down with five holes to go. She barely missed a 10-foot putt on the 18th that would have squared the match.
Another well known homester, Kathleen Garnham, stayed in the fight by downing Pat Sherlock, two up. England's closed champion, Elsie Corlett, beat Miss G. Craddock-Harport, 3 and 2.
PATTY BERG ADVANCES
Helping Miss Glutting carry the United States bid into the second round will be 18-year-old Patty Berg, Mrs. Maureen Orcutt Crews, Mrs. Leona Cheney and Miss Marjorie Miley.
Mrs. Crews had things her own way when her opponent, Mrs. Grant White, started off 3 7 5. The margin of victory was 4 and 3.
Miss Miley rallied to win with little difficulty from Doris Park. Miss Miley stood two up at the turn and birdied the 14th and 16th holes to win 4 and 3. Miss Berg was not pressed at any time to win from Marjorie Barron 6 and 5.
Mrs. Cheney also had an easy time winning from Mrs. Helen Holm, a member of Britain's Curtis Cup side, 6 and 4. Mrs. Hill, an American veteran, went down by 3 and 2 before Molly Gourlay, the former English closed champion. After reaching the turn one down, the American shot the last seven holes in even fours but still lost three of them.
The British opponents the Americans must hurdle follow: Mrs. Crews vs. Nell Forrest, who beat the Scottish champion, Miss Durham, 2 and 1.
Miss Glutting vs. Dorothy Pearson, who defeated Doris Ferguson, on the 21st hole.
Miss Berg vs. Elsie Cortlett, who won from Peggy Lloyd, 4 and 3.
Miss Miley vs. Stella Franklin, who beat Mrs. Ernest Swincoe, 6 and 4.

OUTSIDERS IMPRESS RAILBIRDS

TORONTO, May 18.—Deep in the heart of Mrs. R. E. Webster of Midland, Ont., is a desire to bring race horse women an honor they have never held—victory in the King's Plate, Canadian turf classic.
When the historic 1-1-8 miles event is run here next Saturday one and possibly two thoroughbreds will carry the colors of Mrs. Webster's stable. Passed over as unlikely contenders in the race that carries 50 guineas, donated by the King and a \$6,000 added purse, the pair, Chalga and Lady Challenge have made railbirds take notice.
They are not ranked with H. C. Hatch's Sweepouch, E. F. Seagram's Samson or R. S. McLaughlin's Epileurus, the favorites, but are held as the ones most likely to turn in an upset. Neither was rated with outstanding two-year-olds, but trainer Willie Walsh, working on them through the winter and spring, built them into well-developed three-year-olds.
Chalga, a gelding by Challenger 2nd out of Ugo 2nd, has shown a reversal of his juvenile form. He went to the post five times last year and the net result was a second at the spring meeting of long branch race track.
CAPE TOWN.—The South African Rugby Board has received a letter from Harry Thring, acting secretary of the four British rugby unions, accepting an invitation to send a team to South Africa in 1938.

Fred Perry Faces Stiff Competition In Defense Of French Hard Court Title

(By Robert B. Parker, Associated Press Staff Writer)
PARIS, May 18.—With the British hard court title safely tucked away for another year, Fred Perry, John Bull's ace tennis player, will start defence tomorrow of the French hard court championship in Roland Garros Stadium.
On the crest of a winning streak, Perry was a heavy favorite when the 1935 tournament started. He didn't let his supporters down, breezing through the preliminary rounds and walloping Germany's Gottfried Von Cramm in a four-set final.
But the sparkling Briton, conquered a few days ago by the Tri-color's Christian Boususs and previously by Hans Timmer of Holland in the Riviera tournament, tonight was not the top-heavy choice he was a year ago. Experts pointed to those defeats and the fact he might have a tendency to "save" himself for defence of the Wimbledon title and later England's defence of the Davis Cup.
Notwithstanding others fears for his chances, Perry said he was in the "pink of condition." He said he was fully recovered from the back injury he suffered last September in a semi-final match of the United States championship against Wilmer Allison.
Although more than a dozen nations will be represented in the competition for both men and women, Perry's principal rivals appeared to be Boususs and Von Cramm. His countryman, "Bunny" Austin, also loomed as a threat, but Perry conquered him in the final of their native tournament a fortnight ago.
Other prominent entries included the veteran Jean Borotra, Bernard Destreure and Marcel Bernard of France; Heiner Henkel and Karl Lund of Germany; and G. P. Hughes, C. R. D. Turkey and H. G. N. Lee of England.
Frau Hilda Krahwinkel-Sperling of Germany, who defeated Mlle. Simone Matmieu of France in the 1935 final, will defend with the pair appearing to be the cream of the field unless Helen Jacobs, the United States champion, participates. She is entered but had not put in an appearance up to tonight.

Indian Players Oppose England In Three Tests

LONDON, May 18.—(C. P.)—India's touring cricket team will oppose England in three test matches this summer. The improved standard of play in India led the Marylebone Cricket Club to decide on three international tilts instead of one as in the tour of 1932 and the visiting players are hopeful of making a showing in line with the governing body's ranking.
Led by the 31-year-old Maharaj Kumar of Vizianagram, the Indians will play in the British Isles throughout the summer, meeting all the first-class counties and many other well-known clubs. The first test will be played at Lord's, June 27, the second at Manchester, July 25 and the third at The Oval, Aug. 15.
Four years ago the touring side was skipped by the Maharajah of Porbander and although defeated by 158 runs in the only representative match against the full strength of the Mother Country the players acquitted themselves with great credit. Of 26 first-class matches played the Indians won nine, eight were lost and one drawn.
Seventeen of the visitors this year will miss the restraining influence of the young Nawab of Patna, young Oxford University and Worcestershire player. He was a strong favorite to captain the team but illness compelled him to stand down. One of the finest batsmen in India, the Nawab is a master in the art of back-play and defensive tactics and would have been of great assistance in holding back his more impetuous colleagues.

Mrs. Moody Discusses Tennis Plans

NEW YORK, May 18.—As inscrutable as ever, Helen Willis Moody left the tennis world guessing again today as to her competitive plans for the summer.
With one guess as good as another, it appeared a certainty the attractive California matron, who crowned her comeback a year ago by capturing the Wimbledon championship, will be headed for England next week. She is here to attend an exhibit of her art.
That hunch is hung on two admissions by Mrs. Moody:
1. "I'd love to play for the United States in the Wightman Cup matches against England."
2. "I'll be in New York about a week but I may take as many clothes for a week as I would for several weeks abroad, so I would not have to go home for more clothes if I decided to go."
The Wightman Cup matches will be played at Wimbledon, June 12-13. Assuming she sails next week she would have little more than a week to practice.
Mrs. Moody brought along a couple of tennis rackets. She plans to use them this week.
"Two rackets hardly would be enough for an English campaign," she smiled, "but I can always get more on a minute's notice."

Giants Close In On Cards With Eighth Straight Win Defeating Pittsburgh 4-2

(A. P. By Guardian's Special Wire)
NEW YORK, May 18.—Giants carried their winning streak to eight straight games and remained within a half-game of the pace-setting Cardinals today when they defeated Pittsburgh Pirates 4-2, behind the effective hurling of Carl Hubbell at New York.
Hubbell allowed the Corsairs 2 hits while the Giants were getting only seven off John Tising and Cy Blanton but the New York screwball artist was effective with men on the bases. Tising hurled seven innings for Pittsburgh but was lifted for a pinch-hitter and Cy Blanton finished.
A three-run assault at Brooklyn that drove George Earnshaw from the mound in the first inning, started the Cincinnati Reds on their way to 9-6 victory over Dodgers. Gilly Campbell struck the big blow of the inning, a homer with one on. Led by George Watkins with two doubles and a single in four times, at bat, the Dodgers outlast the Reds 13-11, but the latter made the most of their blows. Gene Schott received credit for the victory but was relieved by Lee Stine in the sixth.
Bees' most persistent nemesis, James (Tex) Carleton, stylish Chicago side-arms, enjoys his usual success and the Cubs' 7-2 victory at Boston put them into a third-place tie with the Pittsburgh Pirates.
Carleton, who entered the National League with the Cardinals in 1932, has beaten the Bees in 18 of his 24 starts against them. Today's Boston triumph was his second of the current season.
The right-hander gave the Bees eight hits and four of them were bunched in the first and ninth innings for the pair of rallies.
St. Louis Cardinals rallied in the seventh and ninth innings to score seven runs and make it two straight wins over the Phillies at Philadelphia. The score was 11-6.
Pepper Martin and Johnny Mize led the Cards' 14 hit attack against Jorgens and Claude Passeau. Johnny Moore made four hits for the Phils against Hallahan, Ryba and Paul Dean.
Pinky Whitney hit two home runs driving in five of the Phillies six tallies.

25 Starters For Derby

EPSON DOWNS, England, May 18.—(C. P. Cable)—Four colts remained closely grouped tonight as favorites for the Derby, great open classic which will be run a week from Wednesday over Epsom Downs.
The field of probable starters stands at 25, within the past 13 days three horses have been scratched—Daytona, Fairley and Miss Dorothy Page's Wyndham. Final acceptances on Wednesday will probably thin the field somewhat. Lord Derby's St. Mangus and J. S. Courtauld's Walvis Bay are considered doubtful starters.
Top-ranking favorites in the latest official call-over of betting odds are Taj Akbar at 6 to 1; Pay Up at 7 to 1; Noble King at 8 to 1 and Rhodes scholar at 19 to 2. Taj Akbar is one of the Aga Khan's three entrants. Pay Up, the two thousand and guinea winner, and Rhodes Scholar are owned by Lord Astor and Noble King by Sir Alfred Butt.
Bala Hissar and Mahmood were quoted at 18 to 1; Abjer at 20 to 1; Boswell and Bel Aethel at 25 to 1; Monument at 28 to 1; Carica, Fearless Fox, Raeburn and Thankerton at 33 to 1; Midstream and Barry-st at 40 to 1.
Only unofficial odds were being quoted for other probabilities. They were as follows: His Grace, Fair Play, Couvert, Magnet 40 to 1; St. Magnus 45 to 1; Zelmox and Walvis Bay 100 to 1; Henry the Fifth and Haulfryn 200 to 1.

352 Competitors For Track Meet

(C. P. By Guardian's Special Wire)
MONTREAL, May 18.—Entries for the Dominion interscholastic track and field championships to be held here Saturday closed tonight with 352 competitors signifying their intention of entering the athletic contest.
Fifty schools will be represented. From Toronto 17 names were forwarded by Central Technical School while Ottawa Giebe Collegiate, which won the Dominion schoolboy title last year is sending a strong contingent.
NEW YORK, May 18.—Tigers took their second straight game from Washington today, defeating the Senators 7-1 at Detroit behind the five hit pitching of "General" Alvin Crowder.
The victory was the veteran right-hander's first of the season, an injury having kept him out of action for nearly a month.
Detroit collected eight hits off Pete Appleton in the six innings he worked, and three off Weaver.
Crowder's only bad inning was the fifth when the bases were filled after Kress had scored Washington's only run of the game, but a double play retired the side.
Ledy Grove won a bitter pitcher's duel over Vernon Kennedy at Chicago today for his fourth shutout of the season and his seventh victory as Boston Red Sox outpointed White Sox 2-0.
