**RE-UNION ENJOYED**—All former members of the 24th New Brunswick and P. E. Island Battalion will be interested to hear that the Battalion Colors were deposited in Trinity Church on Sunday last. About three hundred officers N.C.O.'s and men under Col. (Sandy) MacMillan and headed by the Regimental Band, marched from the Armories to Trinity Church. Hundreds of citizens of St. John lined the streets and saw the last parade of the good old fighting 24th. The service at Trinity was indeed imposing. Canon Armstrong spoke of the fine war record of the Canadian troops, particularly the 25th Battalion. It is estimated that four hundred officers and ten thousand men passed through the Battalion during the period of war. All members of the Battalion again met in the afternoon at the Armories to renew old acquaintances. In the evening the Officers of the Battalion had a reunion dinner. It was decided to form an Old Comrade Club, and it is thought that a yearly reunion for all ranks will be arranged. More information about the Old Comrade Club may be had from Capt. J. R. Paton, city, who attended the dinner.

**Magnesia Fine For Dyspeptics**

Neutralize Dangerous Stomach Acids Which Cause Indigestion

The almost universal use of Magnesia by physicians and dietitians is due to the fact that it instantly neutralizes the dangerous stomach acids which cause nearly all digestive stomach trouble. With acid gone and stomach sweet, easy and painless digestion invariably follows.

Old dyspeptics, whom indigestion and sour, weak and sickly stomachs have made miserable for years, find quick and lasting relief in this simple remedy, and are again able to eat what they please. A glass of hot Magnesia water after meals prevents all trouble.

Prepare Magnesia water at home by dropping one teaspoonful or four tablets of pure Bisulphate Magnesia in a glass of hot water. Any reliable druggist can sell you the genuine Bisulphate Magnesia and stomach sufferers and dyspeptics who follow this plan and avoid the use of hot pensin, charcoal, soda salts, drugs and stomach medicines will soon find that the stomach, relieved of irritating acid and gas, soon resumes its normal tone, and will do its work alone without the aid of artificial concoctions.

**Interesting County L. O. L. Meeting**

At a meeting of the Lion L. O. L. Ugg on the evening of May the seventh there was a large number of members present. Representatives from lodges of the county were welcome visitors. After routine business, addresses were made by the visiting Brethren. One of the most forceful was by Bro. Malcolm Martin of Empire Lodge, Grand View, whose remarks are always appreciated. Before a recess was called which means refreshment, and those who know of such occasions are aware of the expectations. Brother R. C. McDonald, Past County Master rose and said, there was a charge against a member of Lion Lodge and asked Dr. McEwen to arise. The Brother Frank McDonald of Thistle Lodge, Eldon, read the charge, which was not of a serious nature. It was an address which is published below. After the address Bro. R. C. McLeod made the presentation.

To Bro. Rev. Dr. McEwen.

Past Grand Master, L. O. L. Dear Friend and Brother—The duty which falls to me tonight can hardly be called a duty rather a privilege. Nothing gives greater pleasure to a true man, than the privilege of expressing gratitude and good will to one who has proved himself a true friend and brother.

Since you first joined the ranks of our beloved order, you have given yourself heart and soul to the principles of right and justice, for which we stand. As Past Grand Master, as Past Grand Chaplain, and Grand Master, you laboured faithfully and well, you spared not your time, your money or your energy, but gave your best to the cause for which you stood.

**Famous Beauty Regains Health and Strength through Ironized Yeast**

"A Wonderful Help in Keeping My Figure Perfect" Says Beautiful Elsie La Bergere

"It was by purest accident that I picked up a package of Ironized Yeast just as I was about to give up the stage for a long needed rest. The results that it brought in me proved that it was just what I needed. For today I actually feel like a new born woman!"

Such is the amazing statement of Elsie La Bergere, known to vaudeville lovers all over the continent for the beauty of her figure.

"My stage work," continued Miss La Bergere, "put such a severe strain on my nervous system that every performance became a hardship. I lost my appetite, and always felt tired and worn-out. Then I discovered Ironized Yeast—and I really cannot give enough praise to it. I find it keeps me absolutely fit in every way, and that it is a great help in keeping the shape of my body in wonderful condition. Ironized Yeast has a permanent place of honor in my traveling bag."

**How New Process Makes Yeast Doubly Effective**

The reason IRONIZED YEAST brings such remarkable results is because it embodies a new scientific process which enables yeast to bring its great benefits often in just half the time. Yeast alone is good, but tests show that it needs some other agent in order to quickly convert its wonderful health-building elements into firm tissue, rock checks and sparkling vitality.

Everyone knows that iron is of great value in converting our food into living cells and tissue. So sticking to this problem, our scientists finally discovered the wonderful process of ironization—the process through which the combination of yeast and iron becomes far more efficient.

Do not think, however, that any combination of yeast and iron will do. Yeast brings its best and quickest results only when it is treated through the scientific process of ironization. And this process is embodied only in IRONIZED YEAST, the one scientific yeast treatment.
