

Women's Institute Meetings

ALEXANDRA W. I.
The Alexandra Women's Institute members were entertained at the lovely home of Mrs. Clifford Sherren during the month of March meeting.

There were eleven members and one visitor present. The meeting opened in the usual manner and the minutes of the previous meeting were read, approved and signed. The school committee reported several sick calls made, and treats supplied, also a new baby remembered with a gift.

The Red Cross convener reported two pairs of pyjamas, two sweaters and one dress passed in. It was unanimously agreed to donate \$2.00 to the Red Cross.

The "Increase the Funds" donations amounted to \$22.00.

The members agreed to sponsor a Shur-Gain programme, including all surrounding districts in Pownal Hall during the month of May.

Correspondence was read and discussed and a recreation period, consisted of a spelling match,

which was much enjoyed by all. The April meeting is to be held at the home of Mrs. Howard Beaton with roll call to be responded to with Spring decoration hints. Lunch committee will be Mrs. Ernest MacPhee, Mrs. Benjamin Wood and Mrs. Milton Wood. Collection amounted to 90 cents.

NEW HAVEN W. I.
The regular monthly meeting of the New Haven Women's Institute was held at the home of Mrs. Michael Murphy on Wednesday, March 5th.

The meeting opened by singing the Ode and repeating the Creed in unison, and roll call was answered by 19 members with sing, play or pay. 70c was realized from roll call.

Minutes of the last meeting were read, approved and signed by the president, and Mrs. MacDonald reported that Mrs. Manning had organized the Food Club and that three meetings were held so far.

The school committee reported that a soap dish was needed for school, also that the window blinds had been repaired.

Correspondence was read and included thank-you notes from:

Scots Clamor For Home Rule

several of the children who had been treated with ice cream when they had the measles; also thank-you notes for fruit sent and for gift for a new baby.

New committees were appointed for the next month as follows: School, Mrs. Everett Boyle and Mrs. Stanley Newmon; program, Mrs. Artie MacPhee and Mrs. Bud MacKinnon. It was then moved and seconded that all bills be paid.

It was also moved and seconded that the secretary write to Simpson's and Eaton's for print.

Next place of meeting to be the school room with roll call to be answered with an article for grab bag.

Program committee then took charge and a "Jelly Bean" contest was conducted by Mrs. Dunce and Mrs. Richard MacPhee. Prizes being won by Mrs. Clarence Frizell and "Mr." Richard MacPhee.

Mrs. MacPhee also conducted a guessing contest, prize being won by Mrs. Earl Moore.

Meeting closed with "God Save the Queen", and a dainty lunch was served by the hostess.

Scots have taken objection to naming the Queen as Elizabeth II. They point out that Elizabeth I was not the Queen of Scotland, as the Scots at that time recognized Mary as their leader. So in June, Elizabeth II will journey to Scotland to try to patch up the rift, publicized by Scottish nationalists who are clamoring for home rule.

Lord Boyd Orr, food expert on U.N. commissions, shown with the Queen, is one of the leaders of the nationalists.

CENTRAL ROYALTY W. I.

Due to a variety of local and Charlottetown gatherings there was a very small meeting of the Central Royalty Women's Institute held at the lovely home of Mrs. Hugh MacLeod on Thursday, March 6th, there being only 12 members present.

With Mrs. Gladys Currie, vice-president in the chair, the meeting opened by repeating the Creed, answering roll call and reading the minutes as usual and proceeding to business.

There was a discussion re the Red Cross Campaign. Members were glad there was to be no huge banquet this year to start off the campaign (glad of the fact that so much sorely needed money is not going to be used to pay for the banquet.) In appreciation of this fact the organization doubled its usual contribution by pledging \$10.

The fact was also brought out in many of the husbands worked in town and were solicited there. Due to this, Central Royalty's gifts to the Red Cross had been grossly underestimated. It was agreed to try and give the contributions hereafter to the local canvasser.

Due to the small number of members present the discussion re contributing to the Y. M. C. A. and C. A. C. drives were postponed. A report was made by the conveners of the Hall Committee and Mrs. Cecil Wood regarding the proposed new Community Hall. It was suggested by the President (in absentia) that after receiving the report of the Glee Club Committee of which Harry MacAusland is convener, a special meeting of all members of W. I. be called to deal with this subject in the light of their findings.

It was decided to pay the ten cent increase in the annual dues as answers to the April roll call. The matter of contributing 25 cents a member at the September meeting (to provide for share of conference expenses, was held over for April meeting also.

The letter (with accompanying questionnaire) regarding the celebration of Citizenship Day on May 23rd, was read and the Secretary was instructed to return answered questionnaire.

Red Cross report was given by Mrs. Minnie Ward as follows: All baby garments returned finished; No new work this month since knitting given out in February was not finished. New convener for March will be Mrs. Cecil Wood. Sick committee then reported that cards or messages of comfort had been sent to sick and bereaved in community and Group 111 of the Institute reported the holding of a successful card party.

The program was cut short by the absence of one of the participants but Mrs. Olive Arthur gave a very fine resume of the last lesson in the series "Winter Meals."

Mrs. Alec Anderson graciously invited the members to her home for the April meeting with the following lunch committee: Mrs. J. Thompson, Mrs. Wendell Wood, Mrs. Cecil Wood and Mrs. Hilda Wright.

The April program will be: a paper on last lesson of "Interior Decorating" by Helen Love.

After a delicious lunch and a very pleasant evening the gathering dispersed.

SOUTH MILTON W. I.

The South Milton Women's Institute met on March 11th in the schoolroom with the vice-president, Mrs. Russell Coles, presiding. Thirteen members were present and the meeting opened with the "Creed" followed by the minutes and roll call.

The Red Cross secretary, Mrs. Nicholson, displayed two crib quilts which she had donated. One was sold and one given to the Red Cross. An additional supply of Oleo capsules had been purchased for the pupils. Seven pairs of ankle socks, one sweater and complete layette had been finished. Cards were distributed to the ladies who would collect for that Society.

Mrs. Piercey, reporting for the sick committee, stated she had visited and taken a sick treat to three people, and expressed their thanks. It was decided to give \$2.00 to the March of Dimes. A crokinole party, planned for March, will not be held until April.

Mrs. Poole was asked to confer with the teacher re a suitable picture of Queen Elizabeth, and Mrs. Nicholson and Mrs. Horne were appointed to purchase plastic drapes for the schoolroom.

A white elephant sale, with Mrs. N. D. MacLean in charge, was planned for the next meeting which Mrs. Cyrus MacNeill invited to her home. The lunch committee will be Mrs. N. D. MacLean, Mrs. P. MacInyre, Mrs. Gerald Hooper and Mrs. E. R. Moore.

An interesting paper, written by the citizenship convener, Mrs. Laughlin, was read by Mrs. Piercey.

Refreshments were served by the committee and the meeting closed with "The Queen".

ORWELL COVE W. I.

The regular meeting of the Orwell Cove Women's Institute was held in the schoolroom on March 19th. In the absence of the president, Mrs. Frank E. Rooney presided, and the meeting opened by repeating the "Creed" in unison.

The minutes of the last meeting were read and approved, followed by the roll call. The sick committee reported one call and the school committee had no report. Correspondence was read and discussed and questionnaire filled. After considerable discussion on new desks for school, on motion of Mrs. James Rooney, seconded

by Mrs. John A. MacLeod, it was carried that six new desks be bought for school. The teacher Miss MacDonald was appointed to order same. It was also decided that \$5.00 be given the Red Cross campaign.

Two quilt tops were handed in, the quilting to be decided at a later date. Mrs. Wm. Morrissey kindly invited the members for the April meeting, with roll call to be a "Housecleaning Hint". Members were asked to bring articles for a grab bag. Programme committee will be Mrs. Angus Nicholson and Mrs. Wm. Morrissey. Miss Thelma MacDonald entered

the group with a very humorous reading, and the meeting adjourned.

LONG RIVER W. I.

Mrs. Eustace Paynter was hostess to the members of the Long River Women's Institute for their March meeting, with 19 members and two visitors present.

The meeting opened by singing the "Ode", followed by the "Creed", roll call, and reading of the minutes. The sick committee reported three calls made and a letter of thanks was received from Earle Dunning expressing her appreciation to the members for fruit and cards sent her.

Receipts from the card parties were announced as \$17.10. The committees reported and new ones were appointed as follows: Sick, Mrs. Nelson McLeod, Mrs. Dan Campbell, and Mrs. Hedley Paynter; school, Mrs. Allan Campbell, Mrs. Dan Campbell, Mrs. Ernest Dunning, and Miss Mae Found; lunch, Mrs. Bruce Bell, Mrs. Edwin Bernard, Mrs. James Bernard, and Mrs. Mae Brown.

The correspondence was read and discussed, and it was moved that \$10.00 be sent to Red Cross, also moved and seconded all bills be paid. Plans were made to hold an auction sale at the next meeting, each member to take lunch.

Mrs. Ernest Dunning invited the members for the next meeting, when roll call will be answered by paying one cent for each inch of the wasteline. Program committee is to be Mrs. Oscar Johnson and Mrs. Murdoch McLeod.

Meeting closed by singing "God Save The Queen", and lunch was served by the hostess and committee.

CARLETON W. I.

The March monthly meeting of the Carleton Women's Institute was held at the home of Mrs. Elmer Sturdy.

The president presided and opened the meeting with the National Anthem, after which a delicious lunch was served and slides were shown.

Minutes were read and approved and roll call was taken with 15 members present, answering with a get-well card. It was moved by Mrs. Thomson to send \$5.00 to the March of Dimes, and moved by Mrs. MacCaull, seconded by Mrs. Lowther to send a donation to the A.C.W.W. conference fund.

New school committee was appointed as follows: Mrs. MacCaull and Mrs. Sutherland; new sick committee, Mrs. Lowther and Mrs. Heber Myers; lunch committee, Mrs. Lowther, Mrs. Thomson and Mrs. McMicken.

Mrs. John Myers read a very interesting paper on "Home Nursing", and collection amounted to \$1.05. Mrs. Morley Muttart then kindly invited the members to meet with her for the April meeting.

A PEPSODENT PRODUCT

THIS revolutionary new green chlorophyll toothpaste DESTROYS MOUTH ODOR instantly... makes possible complete all-day protection. Use it after every meal! Fights tooth decay, combats common gum trouble.

AT LAST—chlorophyll in a toothpaste! It's the green substance in all plants with which they convert lifeless chemicals and sunlight into life-giving nourishment. When you brush your teeth with new Chlorodent Toothpaste, this natural agent performs a miracle in your mouth!

Chlorodent doesn't just cover up mouth odor, but DESTROYS it. By using this toothpaste regularly—preferably after meals—you can have a clean, fresh mouth all day long!

Complete Mouth Care

At the same time, Chlorodent fights tooth decay and relieves common gum disorders. It cleans teeth beautifully and puts lasting sparkle in your smile by promoting the hygiene which is the foundation of beautiful teeth. And children love its cool, minty flavor.

Get Chlorodent at any drug counter. Ask your dentist or see for yourself why it's winning friends faster than any other toothpaste ever offered to the Canadian public!

THAT COOL, FRESH GREEN comes from chlorophyll, greatest deodorizing substance ever discovered. It explains Chlorodent's long-lasting clean, fresh feeling.

How science proves Chlorodent stops MOUTH ODOR for hours!

NOW strike at the very causes of tooth decay!

First, Chlorodent greatly reduces the mouth acids that "eat" into tooth enamel. Second, it helps combat the bacteria which cause these acids. Finally, it keeps your teeth so clean that bacteria find it difficult to multiply on them. No toothpaste has ever offered better protection.

Half of all tooth losses caused by GUM TROUBLES!

It's a fact! An estimated 50% of all tooth loss can be traced to conditions which start with sore, bleeding gums. Chlorodent promotes the growth of firm, healthy pink tissue. If you are troubled with tender gums, you will want to use Chlorodent for its fast relief of this condition alone.

WHAT IS CHLOROPHYLL?

Chlorophyll is the magic green substance in all growing things, which transforms the sun's energy into life-giving nourishment. Dentists use chlorophyll preparations as a deodorant, and as an aid in the repair of tender gums. Chlorodent brings you chlorophyll's wonder-working properties in a dentifrice! *Water-soluble chlorophyllins
