

A PRICELESS NECESSITY.

Kidney Disease Cannot Hurt When Doid's Kidney Pills are Used.

Healthy kidneys are absolutely necessary for the production of pure blood.

Pure blood is absolutely necessary for good health - yes for life itself.

If the kidneys are weak, or diseased, the blood is impure, poisonous, and the general health breaks down.

Doid's Kidney Pills restore weak and diseased kidneys to health and strength.

Doid's Kidney Pills have a unique record - Twenty thousand cures, not one failure.

His Only Opportunity.

"Hattie," said the clerk at the blanket counter in the department store.

"Yes, Tom," whispered the girl at the notion counter, still tapping with her pencil on the showcase.

It's, No End.

Up at New Haven, W. Va., there are so many people named Isaac Roush that to avoid confusion they are thus designated:

Big Ike, Gentleman Ike, Spectacle Ike, Ike on the Hill, Ike in the Hollow, Rosa's Ike, Little Ike, Soldier Ike, Lazy Ike, Thirteenth Virginia Ike, Fifer Ike, Aunt Cassy's Ike, Drummer Ike, Fourth Virginia Ike, Hartford Ike, Dam It Ike, Kanawha Ike, Sally's Ike, Hellikly Ike, Trotter Ike, Fiddler Ike, Ten Mile Ike, Mart's Ike and Aunt Betsy's Ike.

In regard to the climate which a foreigner encounters it is easy to exaggerate its discomforts. Although it is tropical, still even in summer the climate may be called healthy.

His Two Questions.

"I say, pa," began little Clarence Callipers, with the rising inflection of one who earnestly desires to acquire important information, "what?"

"Oh, I don't know," replied his long suffering sire wearily.

"Well, pa, there are two of 'em that I want to ask. One is, which is the smartest, the man who knows enough to know that he don't know much or the man who knows enough to look as if he knew everything?"

"The other is, if the end of the world was to come and the earth be destroyed while a man was up in a balloon, where would he land when he came down? And, pa, I don't know which one of 'em to ask." - Pearson's Weekly.

Toronto Firemen Testify

M. McCarthey, Lombard Street, Fire Hall Toronto, dated March 4th, 1892, states: "Am subject to very painful conditions of costiveness and other troubles resulting therefrom, but I am glad to say that I have found a perfect remedy in Dr. Chase's Kidney-Liver pills. I trust this may be of benefit to others."

He Knew Later.

"It is a pretty name," the impressionable traveler murmured. "But tell me, why do they call you Manita?"

"Evidently," she said, as she signalled to her brothers, who were concealed in the bush with clubs, "you do not know our favorite food." - Harlem Life.

He Knew Him.

Boy - Mr. Smitters wants to know if you'll lend him an umbrella. He says you know him.

"You may say that I do know him. He will probably understand why you didn't bring the umbrella." - Boston Transcript.
