Three Honored On Retirement

Three CNR sectionmen were honored on the occasion of their retirement at a party held in Murray River School recently. The three are: Peter W. MacLean, Albert E. Fraser and Joseph Wood. At the time of his retirement he was working at Murray Harbor. Mr. Fraser began working for the CNR on June 25, 1934 and ended his service at Georgetown. Mr. Wood started with the CNR on Sept. 18, 1944, and retired from Lake Verde. An address was read to the men by Spurgeon Walker and a purse presented them by Lloyd Nicholson. French, Quebec Officials Sign Cultural Agreement

QUEBEC (CP)—The French External Affairs Minister Martin signed a master accord in Ottawa which covered agreements between Quebec and France on educational, scientific, cultural and artistic matters. Canada formally confirmed its assent to the accord Wednesday.

The agreement provides for promotion of the French language and for cultural and artistic exchanges between France and Quebec. Renewal of the agreement will be automatic in five years time, unless one of the parties indicates its intention of withdrawing six months before expiration.

Under terms of the agreement the two governments will cooperate in improvement of French as a language and will develop exchanges in the fields of cinema, radio and television, the plastic arts and music.

Mr. Laporte and education minister Paul Gerin-Lajoie were to leave for Paris Wednesday to attend a meeting of the Franco-Quebec Co-operation Commission at which implementation of the new agreement will be discussed.

The pact follows another signed last February which provided for exchanges and co-operation in the field of education. A week ago, Mr. Leduc and
