

Society Sketch

From Business

by Holly MacDonald

Hi! Happy New Year! Here we are back for second semester - prime up for a fun time. The Business Society is working hard to provide you with some entertainment and so far the agenda looks impressive.

The Gary Alberts pub was postponed from Jan. 13 to January 20th. This

guitar-playing singer of Cavendish Pub fame can really entertain and ensure a lively time. Remember our ski trip to Sugar Loaf? It has been cancelled and the executive advises all you ski bums to sign up for the Mont St. Anne, P.Q. Ski Trip that is being organized by the Ski Club. The price

is extremely reasonable so why not go CANADIAN.

The second annual Junspeil (right Neil!) is back again by popular demand. Two very capable organizers, Sharon Douglas and Cathy Burke, are handling this event which will be held at the Belvedere Golf and Winter Club. The date is tentatively set for some-time in late February.

This winter is providing plenty of white stuff which no doubt has you all clamouring for the cross country ski weekend we have been promising you. The location is scenic Souris, home of the two Brians. The Seabreeze Motel in Souris is welcoming us for a cross country ski weekend and the price is good. For two night's accommodation and five delicious meals, the cost will be \$40 - \$45. This weekend will be February 13, 14 & 15th. Please sign the poster when

it is posted.

And the social event of the season.....the fifth annual Businessman's Dinner. The executive is looking for a dynamic, interesting guest speaker with a timely topic. If you have any suggestions, contact one of the executive.

What is a real "asset" at hockey games, ski trips, toboggan parties etc? A wine skin!! The Business Society is ordering a limited quantity of these handy little items. The quality is good, size 1-1/2 litres, and priced reasonable, so why not acquire one? It's a great gift idea also.

Seniors, now that policy is finito, let's socialize!! It's your last semester at UPEI, so go out with a BANG! As for the rest of the members, the Business Society want to see you. Good luck with your courses and enjoy the snow.

From The Juniors

by D.J. Walling

"Joining the Juniors" proved to be a great time. Much enthusiasm was shown on the part of many Juniors and other classes that attended one of the best pubs this year. For those of you who missed the pub, it's too bad because it was a good time.

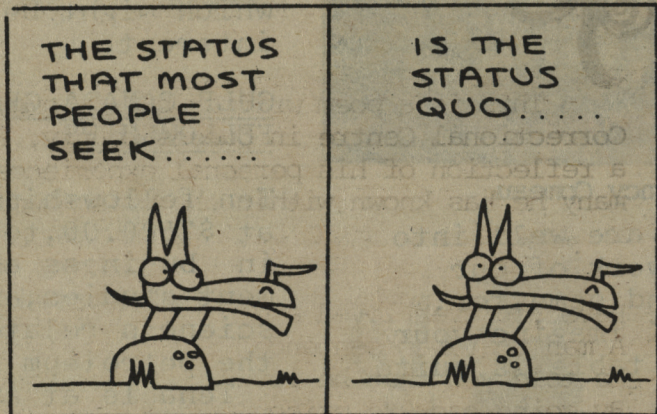

It was great to see two very distinguished members of the staff and faculty, Father Phil Callaghan and Prof. Ab Ferris in attendance, for they both added to the event. I was very surprised and pleased to see so many skaters at the suicide skate and hope that most of you survived.

Special thanks to those who helped to make the event such a success: Lesley, Jen-

nifer, Phyllis, and Clare for helping with the posters; Nancy, Sharon, Jennifer, and Vickie for working at the door; Mike and Steven for helping with the equipment; and Brian for looking after the financial arrangements and the recruiting of the partiers.

Thanks to the C.P.'s, even the two Bruces on the ice who insisted they received "danger pay". Kent, you really earned your money and tips that night.

There will be a Junior Class meeting shortly after the Carnival, so look for the posters and try to make an effort to attend because there will be much help needed in preparing to make the Senior Class grad dance in May a success.
