CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 7 11-16 per cent in terms of Canadian funds, unchanged from Wednesday's close. Pound sterling closed at $3.01 11-16, up 1-16.

NEW YORK

NEW YORK (AP)—The stock market scored its first post-labor day advance Thursday but the issue wasn't settled until the final 90 minutes of trading.

The gains were far from overpowering and there were numerous losers. As measured by the market averages, the advance was only about half Wednesday's loss.

But this was enough to lift the Dow Jones industrial average above the 600-point — the level considered so important by the market technicians. Wednesday's slip below 600 was the first since Aug. 13.

Late in the afternoon the Senate passed a tax revision bill containing a $1,000,000,000 tax cut incentive for business to buy new machinery and equipment. This brought renewed buying in the stock market, analysts said.

The volatile growth stocks defence issues and electronics paced the upturn.

Steels, motors, utilities and rails all finished in the plus column. Metals, chemicals, oils, airlines and tobaccos were spotty. Rubber issues were weak.

The Dow Jones industrial average closed at 600.81 up 1.67. The associated Press average of 60 stocks was up .6 at 222.6.

Volume increased to 3,180,000 shares from 3,050,000 Wednesday.

Among Canadian stocks on the New York Exchange, International Nickel rose 1¼, Dome Mines ¼ and Aluminium Ltd. Canadian Pacific and Hudson Bay Mining ¼. Walker Gooderham lost ⅝ and McIntyre Porcupine and Distillers Seagrams ⅛.

Prices were mixed on the American Stock Exchange. Volume increased to 890,000 shares from 860,000 Wednesday. Fargo Oil lost ¾ and Preston gained 1-16.
