### Attention Students

We know that you want your yearbook! And, if you use manners, we have you book. If not, go to the X-Press, they'll tell you what we are thinking!  
*Thank-you  
Yearbook Staff*

### History Society

Hey there you boring people that have no lives and insist on devoting your life to an endless search for incorrect answers to things that might not even have happened!

In case you haven't noticed this isn't Kelly writing this week, she's too busy doing other things. This is Dave your elected History rep filling in.

This week we would like to extend our heartfelt gratitude to those who helped support the History Society raffle, but little did you know the draw was fixed and only History Society members won the prizes. The winners were:

First prize -- Mary Lou Griffin;  
Second prize -- Tammy McLeer;  
and Third -- Greg Dawson. To those who did not win...thanks for your money anyway. We would also like thank the UPEI Bookstore, Domino's Pizza and Plaza Video for donating the prizes.

### Shinerama

Scrubba, scrubba, polish, polish. Shinerama is the campaign run each year by university students all over Canada to raise money to help fight cystic fibrosis. C.F. is a genetic disease, affecting the lungs and digestive system, which shows up in very young children, and the life expectancy for people with C.F. is now into their early 30's. (This is in fact wonderful progress. As little as 15 years ago, the life expectancy was near 7 years of age.) UPEI has been one of the biggest fundraisers among Canadian universities, despite our small size, with over \$65,000 raised since 1977. To make this event successful, preparation over the course of the summer is necessary. We're getting ready for this again this year. The Shinerama needs a chairperson who can call meetings, a publicity person who can let the media and the general public know that the event is coming up, and people interested in organizing liaisons with corporate groups in the community so that the committee can get places for the volunteers to stand and shine, as well as getting supplies for the campaign. In this campaign, first-year students come in at the beginning of the year and are fitted into a pre-organized campaign, but we need YOU to organize it. The Student Union and the Canadian Cystic Fibrosis Foundation have all the expertise you'll need to make this a success. Requirements: Creativity, some ongoing enthusiasm, and a smidgen of common sense. Resume type experience isn't needed to join, but will be gained by participating. Call Betty at the Student Union (566-0530) for information and to sign up. We need all the various talents you might possess, so don't be shy. The more people involved, the better you can use your talents.

### The War to Settle the Score

UPEI Intramurals and Recreation present a battle to see what residence will truly claim dominator status, as the respective players who call either Blanchard or Marian Hall home will go to war in an ice ball hockey game.

Place a big red X on your calendar for this Friday March 31st at 2:00 pm at the spacious UPEI rink to see what will truly go down in the annals as one of the great sports competitions of all time. Who will get to have bragging rights for the summer? Come out and see this event which is sponsored by Labatt's.

### UPEI Respect Day

"R-E-S-P-E-C-T, find out what it means to me!"

Many of us have heard Aretha Franklin singing with great gusto this song called "Respect" -- something we could all express a little more often. Consequently, the Peer Helper Group has declared Wednesday, March 29

"Respect Day"

Respect Ribbons will be passed out in the Robertson Library Breezeway from 9:30 am until 12:30 pm. These are meant to relay a message that "I'm okay and you're okay too."

To add to the atmosphere of goodwill and friendship, balloons will be placed in several buildings around campus, which hopefully will remind us to reach out to others in a pleasant way.

To make this occasion come alive and be more meaningful, we offer the following suggestions:

- Say hello to a stranger
- Smile at people
- Give genuine compliments
- Listen well to what others have to say
- Be tolerant of other people's beliefs and lifestyles
- Follow through on the commitments you make
- Pat yourself on the back for your strengths and accomplishments!

So, come and get your respect ribbon on March 29, and remember:

"I'm okay, and you're okay too."
