New Opportunities as Radio and Teletype Technicians with the Canadian Army
 Because the Canadian Army has been assigned additional responsibilities in National Survival, there is an increase in career opportunities, particularly in The Royal Canadian Corps of Signals, for young men interested in becoming:
Operators (Radio and Teletype)
Technicians (Radio, teletype, terminal equipment, generators, motors and other electrical and electronic equipments)
Linemen (Constructing and maintenance of line, cable and antennae systems)
 Think of all these advantages:
 (1) A well paid job with a future
 (2) Opportunities for advancement, travel and adventure
 (3) Many additional benefits.
 You must be 17 to 35, fit and able to meet Army enrolment standards. You can get full details by calling, or mailing this coupon to your local Army Recruiting Station
