

# All Stars Tie Abbies; Win Series By One Point

Chatham All Stars won the N. E. P. E. I. Juvenile Crown at the Sports Arena last evening by outscoring the Charlottetown Juvenile Abbies 14-13 in a total goal, home and home series. At the final whistle the score was tied 6-6 but the All Stars had one point advantage, having defeated the Abbies 3-7 in Chatham last Monday night.

The winners made a strong comeback from the first period. At the end of the opening stanza the Abbies were leading 4-0, but the Chatham squad got rolling early in the sandwich session, getting three goals to the Abbies' one. The third period a repetition of the middle stanza with the All Stars again registering three markers.

The opening session period was penalty-ridden with six being called by referees Walter Lowler and Spy Ready. In the second period only two penalties were called with Noonan getting a minor and Butler of the All-Stars being awarded a 10-minute misconduct. In the final session on penalties were called.

Lordon, Fraser and Caine formed the power line for the All Stars last evening, with these three lads firing five of the six goals registered by the winners.

The other goal for Chatham was flipped in by MacCarthy on an assist from Kerr.

For Charlottetown the leading point-getters were Vince Mulligan with three goals and Gerald Noonan with a pair. The singleton was scored by Gordon Ferguson. Both, the grace by Noonan and the single by Ferguson were unassisted.

Hachey and MacDougall, the contending goalies, made some great saves, but there were also a couple of fluke goals scored by each squad. On one occasion a Charlottetown player fired the puck and the Chatham netminder got his mitt on it but the puck got away from him and slid slowly into the net.

In the last two periods the All Stars concentrated more on their passing, more so than in the first period, but the Abbies were over-eager and seemed to get in each others' way. Several times they missed some nice passes in front of the Chatham goal crease.

The new champions, in all probability, will now play the Nova Scotia winners for the crown.

# Combines Even Series; Royals Lose Two Straight

**NORTH SYDNEY, N.S. —** CP—Northside Combines scored twice in the third period here Wednesday night to take a 5-3 win over Charlottetown Royals and square their best-of-seven Nova Scotia-Prince Edward Island Senior Hockey semi-final 2-2.

The fifth game will be played here tonight. The teams return to Charlottetown for the windup.

It was uphill all the way for Combines. They trailed 2-1 at the end of the first and 3-2 until the final minute of the second when they evened the count. Then came the third and George McLellan and Dan McFadyen put the game on ice with a pair of goals midway through the session.

Allie Carver took care of all Charlottetown scoring. Playing coach Roy Buck Whitlock assisted on all three.

McLellan's winner came at 10:36 of the third. Ron Andrea and playing coach Bruce Gallagher got singles.

Feature of the contest was the netminding of the Combines' John Madinsky and Royals' Thane Doyle. Doyle registered 42 stops and Madinsky 41.

Madinsky saved the game for Combines in the second stanza when he was tested 19 times and missed only one.

Only five minor penalties were handed out. O'Callaghan and Royals' Jim McLeod drew double minors for a brief tussle in the middle frame. Only 271 people braved weather conditions for the game.

# Coaches Of Bruins, Rangers Consider Changes In Lineups

**BOSTON (CP)—**The coaches of Boston Bruins and New York Rangers were making some unexpected statements Wednesday as they prepared for the fifth game of their Stanley Cup semi-finals.

Milt Schmidt of the Bruins was talking of making some changes in the Bronco Horvath-Vic Stasiuk-Johnny Bucyk line, which accounted 71 goals during the regular season and which Schmidt has praised as the Bruins' most potent trio.

Meanwhile, Phil Watson of the Rangers was praising referee Vic Powers for the way he handled Tuesday night's game, won 5-2 by the Rangers to tie the best-of-seven series at two games apiece.

Schmidt tried benching Bucyk, a 20-goal man during the season, in the third period of Tuesday's game and inserting rookie Buddy Boone on the wing. That didn't make any difference, and Schmidt indicated some further changes may be in order.

**REVERSAL OF FORM**

"They've shown a complete reversal of form and we're going to have to do something," he said. Schmidt also indicated he was unhappy with the defensive play of his team Tuesday. Rangers scored twice while they were short-handed — "a disgrace," Schmidt muttered.

Watson, who usually is blaming referees, called Powers the best referee in the league after Tuesday's game.

"Powers controlled the game," he explained. "He cracked down right away and that was a big lift for my players."

Jack Evans, Rangers defence-man who suffered a slight concussion was expected to be ready for tonight's fifth game.

# Yanks Defeat Senators Cincinnati Edges Detroit

**By THE ASSOCIATED PRESS**

Bill Skowron again supplied the power for the New York Yankees Wednesday, belting a pair of home runs, one his second grand slammer in two days, for a 7-5 exhibition victory over the Washington Senators.

With Mickey Mantle missing his first game because of a dental appointment, the Moose jarred the bases - loaded shot. That gave Johnny Kucks a 6-0 lead in the second inning, but the Nats tagged him for four runs in the fifth, three on Neil Christley's double.

Skowron, who also hit two homers against the Chicago White Sox Tuesday and drove in eight runs, now leads the Yankees with a .415 average, 20 RBI and seven homers, three of them grand slams.

**HOMERS GIVE MARGIN**

Home runs by Gus Bell and Smoky Burgess brought Cincinnati a 4-2 decision over Detroit and wrapped up a 12-11 record for the Redlegs' Florida stay. Jim Bunning was the loser, going all the way and allowing only three base runners after Burgess' two-run clincher in the second.

A bases-loaded single by Willie Jones gave Philadelphia a 4-3, 14-inning decision over Los Angeles.

A two-run, inside - park homer by Andre Rodgers hauled San Francisco from behind in the ninth for a 9-8 victory over Baltimore.

The Boston Red Sox defeated Pittsburgh 2-0, scoring both on a pair of wild pitches by rookie lefthander Joe Gibbon in the eighth after getting only one hit off Ron Kline and Bob Smith for seven. Ike Delock and Leo Kiely combined for the three-hit shut-out.

The Chicago Cubs scored three in the first two innings off Mike Garcia and whipped Cleveland 8-2.

**BEST IN THIRD**

Pompey, who had gone down for the count only once in his long ring career, made his best showing early in the third when he rocked Calhoun with a pair of slashing right and left to the jaw.

# Calhoun Scores T.K.O. In Sixth

**LOUISVILLE, Ky. (AP) —** Rory Calhoun, a double-barrelled puncher from White Plains, N.Y., scored a technical knockout over Yolande Pompey in the sixth round of their scheduled 10-round fight Wednesday night.

Pompey, cut over the left eye, was no match for his opponent, the sixth ranking middleweight.

Calhoun, after pummeling his Trinidad-born opponent vigorously in the first two rounds, opened a cut over Pompey's eye in the third round. He continued pounding away at the cut and Pompey, the third ranking light heavyweight, was unable to answer the bell for the sixth.
