

# FINANCIAL AID COLUMN

Fellowships will be awarded to candidates in business and management studies, computer sciences, mathematics, geology, geophysics, engineering, physics, chemistry, ecologically oriented studies and other sciences related to the petroleum industry.

**DEADLINE FEB. 1, 1980**

## GANDALF DATA COMMUNICATIONS SCHOLARSHIP

This scholarship program, which is administered by Gandalf personnel, provides financial assistance and on-the-job training to students completing a course in physics, engineering or the computing sciences. Included in the program is

a salaried summer internship at Gandalf's head office and production facilities in Ottawa as well as the student's tuition fees for the final year of an undergraduate degree program.

**DEADLINE MARCH 3, 1980**

## LEVER BROTHERS LIMITED BILINGUAL EXCHANGE FELLOWSHIP IN BUSINESS ADMINISTRATION

The field of study is Business Administration leading to an M.B.A.

The value of this award is \$7,000.00 to be paid over a period

of two years or the equivalent, plus summer

employment. There will be two fellowships annually, one to a French language candidate who will take his fellowship at an English-language institution and one to an English language candidate who will take his fellowship at a French-language institution.

**DEADLINE DATE MARCH 1, 1980**

## A POEM

By Kent Osborné

Look at the born-again Christians.

Look at them!

God damn

one-dimensional

got-it-all-together

we're gonna be saved

you're gonna burn

bastards.

If they're right, God's an asshole.

You'd have to be an asshole to want those

boring sons of bitches hanging around you for eternity, shouting "Praise His holy name"

and quoting the Bible

and feeling sorry for the whores and

queers getting shit on down below.

Wouldn't it be something if the perverts all

went to Heaven and the Bible-thumpers all went to hell.

HA.

I'd love to see the look on Billy Graham's phony face that day.

by Rita Pendergast
