ROYAL TRUST	CIMN	BURGER KING
BORDEN GIFT & SOUVENIR SHOP	U.P.E.I. CAFETERIA	McDONALD'S
RADIO SHACK	CHTN	U.P.E.I. BOOKSTORE

Now that Orientation and Shinerama are over and classes are under way, it's time to let everyone know the results of the week.

This year for Shinerama we had almost everything under control except, unfortunately, the weather.

The powers that be decided on rain.

Despite the rain, about 100 frosh (33 1/3 of those registered for Orientation) turned out to shine shoes.

Most were enthusiastic but, despite bribes of lunch, we lost a few at Sam's corner and the Post office.

A first this year was a trip to Montague where, it is rumored, locals practically had to part with their eye teeth to make a donational substantial enough for the cause.

Thanks again to the group who went to Summerside, after much pleading and begging on the part of the Chair.

All in all, including Shinerama and Klondike Night, the University of Prince Edward Island freshmen raised \$3312.88 for Cystic Fibrosis research. Considering the rain, it was a great success. Every freshman who participated should be commended for the effort.

The people behind the scene should be thanked also: those who put the kits together, woke up the freshmen, drove the vans, delivered lunches, counted money, organized Klondike Night, and generally held things together.

CIMN, our own radio station, gave us great radio coverage. I hear that CFCY, Q94, CHTN, and CBC-Rdio did, as well.

Even the Mayor came out to Shinerama to have his shoes shined.

We certainly cannot forget Karen MacDonald, who kept the Island informed of our progress throughout the day and travelled to Montague, who kept the Island informed of our progress throughout the day and travelled to Montague with us as well.

More thanks: Andy Dean for having the lunches available at the time they were needed; Heather Love for her guidance and for allowing us to take over the Student Union office for the day; my right arm, Debbie Whelan, who kept everything in perspective.

A very special thanks you to Mickey Place, who spoke to us on Cystic Fibrosis and helped behind the scenes as well.

Once again, I thank the Freshmen, wish them a great year at U.P.E.I. and hope that all of their colds are gone.

Marjorie Torrens
Shinerama Chairperson '84

Once again Orientation Week has come and gone.

This year proved to be a great success, with over three hundred freshmen registered for the three days of activities. The freshmen showed great enthusiasm and all events were well attended.

One of our biggest successes was Klondike Night, in which we raised \$327 for Cystic Fibrosis.

On behalf of my other two co-chairpersons, Nancy Field and Marc Doiron, I would like to thank all those people who gave their time and talent to Orientation week. Our biggest thanks goes to our Orientation Committee which worked for long hours to make all activities successful.

Numerous prizes were

awarded at the closing banquet. One was given to Gordi MacFadyen for being the most outgoing frosh.

Hopefully, these freshmen will retain their enthusiasm throughout their university life.

We would also like to thank the U.P.E.I. Student Union Executive and General Manager, Heather Love for all their assistance.

A special thanks is extended to President Meincke for hosting the B-B-Q and to Andy Dean for preparing food on numerous occasions.

I personally would like to thank Nancy and Marc who have worked with me since April in preparing for Orientation.

Sincerely yours,
Heather MacNevin
