IN MEMORIAM

In loving memory of George Robert Dixon, East Baltic, who departed this life January 3rd, 1951, in his eighteenth year.

Somewhere back of the sunset
Where loveliness never dies,
He lives in a land of glory,
'Mid the blue and gold of the skies.

And we who have known and loved him,
Whose passing has brought sad tears,
Will cherish his memory always,
To brighten the passing years.

Ever Remembered, Ever Loved by Mom, Daddy and Joan.

IN MEMORIAM

In loving memory of my grand-nephew George Robert Dixon, East Baltic, who passed away January 3rd, 1951.

He has gone where footsteps never grow weary,
Away from sorrow and pain,
To the beautiful Kingdom of Heaven,
He is waiting to meet us again.

Fondly Remembered by Auntie.

Progress In New Montague Bridge

..*During the past few weeks notable progress has been made with the construction of the new concrete bridge at Montague. The main bridge itself with a roadway of 24 feet is completed together with the curb on the west side. There remains only the sidewalk and the railings, a matter of two weeks providing suitable weather prevails. Up to the present there has been no indication whether or not the bridge will be open for winter travel by grading the approaches.

However, with the near completion of the bridge this matter may be taken under advisement to determine if such a procedure would be feasible at this time of the year.

It is also noted that the concrete foundation and cement floor of the new Federal building at Montague have also been completed.

It is expected that further construction will continue following this phase of the work.
