6 Reasons For Purchasing a Heintzman Piano.

- 1st.—Mr. Heintzman and sons, all being practical piano makers, personally supervise the whole manufacturing.
- 2nd.—All the Scales are drawn and Patterns made by themselves personally.
- 3rd.—The Heintzman & Co. Pianos have always been awarded First Premiums wherever exhibited.
- 4th.—A majority of manufacturers and so-called "Associations" claim to make pianos "exactly like Heintzman," to have "Heintzman's Foreman" or best workman, etc., etc., showing conclusively that the Heintzman & Co. instruments are universally conceded to possess the highest degree of excellence.
- 5th.—Heintzman & Co., with their immense working capital, have at all times been able to command the choice of workmen, the employment of the most useful and costly machinery, the selection of lumber and its vast and essentially necessary accumulation for the thorough seasoning purposes. They use only first-class Ivory upon their keys, and none but the very best veneers, and only the very choicest and absolutely faultless materials.
- 6th.—The fact that the greatest caution should be exercised in the purchase of a piano, and that the established reputation of its maker should be as much relied upon as the apparent quality of the instrument and far more than its cost, a good and perfect piano is welcomed as a boon in every household and will remain a source of pleasure; while a poor instrument, made of unseasoned material, will, by continually getting out of tune and order, soon become an intolerable nuisance, which, if purchased from an irresponsible maker, can be abated only at a heavy sacrifice. Heintzman & Co. warrant each piano for five years, and their guarantee means just what it says.

A COMMITTEE from the London School Board after looking into the matter of the use of slates in schools decided from a hygienic point of view to discontinue them in the schools. We are pleased to note that this reform has been adopted in our city schools.

YESTERDAY afternoon the dredge belonging to the Hillsboro Bridge was hauled up on the bank in the dock directly west of Poole & Co's wharf. Great difficulty was experienced in getting the dredge upon the bank owing to the way the dock is dredged out. Lines was attached to Poole's wharf and by an extra effort she was pulled over toward the centre.

Sir Louis Davies has received a copy of a resolution by the Harbor Commissioners of Montreal, congratulating him on his appointment to the bench and thanking him for the courteous treatment they always received at his hands and the lively interest he took in perfecting aids to navigation.

An exceedingly pretty wedding took place Tuesday, Sept. 24th at 6.30 o'clock p. m. when Miss Bessie, daughter of Mr. H. E. Smith, Bible Hill near Truro, was united in marriage by Rev. P. M. McDonald to Mr. James W. Forester, of Truro. The happy couple are spending their honeymoon in Charlottetown.

At the Police Court yesterday four drunks were arraigned before the Stipendiary. Arch Brodie and Thomas Powler were each given \$2 or 10 days. Henry Welsh, an old offender, got \$30 or 90 days Jas. McEachern, whose offense was aggravated by an assault on Policeman Hooper, was let off this time with \$10 or 20 days. His Honor in passing sentence intimated that the next person appearing before him charged with an assault on the police would be remanded to the Supreme Court.

A. E. MASSIE, well known in Charlottetown, for some time connected with the Ames Holden Co., Ltd., of Montreal, has severed his connection with the company to accept a position with the James McCready Co., of Montreal. Mr. Massie, who is one of the most popular commercial travellers in the maritime provinces, was Monday presented by the Ames Holden Co. employees in St. John with a handsome alligator Gladstone bag and a gentleman's companion with inscriptions on silver plates.

MUCH regret is felt by the removal of Mrs. Hector Morrison from Kensington, where she has for so long carried on such a first-class dressmaking establishment, it being her intention to spend the winter in Sydney. Previous to her departure, a number of young people waited on her at her home on Monday evening, Sept. 30th, and after expressing regret at her departure, presented her with a beautiful and costly bracelet, as a small token of the esteem and high regard in which she is held. Mrs. Morrison, although greatly taken by surprise both by the gathering and the presentation, thanked them warmly for their kindness toward her, and said that she would always hold in remembrance the friendship of the people of Kensington. A very pleasant and enjoyable time was spent, supper being served in good style by a committee of young ladies. Then amid many "good byes" and hand shakings, the company dispersed, wishing Mrs. Morrison "Bon voyage," and prosperity in the place to which she will soon remove.

FROM ALBERTA

Work of Dodd's Kidney Pills Progressing Rapidly in the Territories. BLAIRMORE, Alberta, N. W. T., 30 (Special).—Dodd's Kidney Pills are the most useful and widely used medicine in the North-West. They have produced more genuine results than any other remedy ever introduced here. They cure the common ailments, which can nearly all be traced to the kidneys, from a pimple to Bright's Disease. Walter H. A. Noble, of this place, is an example. His face was covered with pimples. He, of course, tried all sorts of remedies, but until he took Dodd's Kidney Pills for Backache the pimples remained. His blood was impure. The Kidneys were not strained. It was using Dodd's Kidney Pills for Backache, as every one does in this district, the Backache not only left him but the Pimples disappeared also, giving the cause of both complaints was the same—Kidney Disease.
