Georgetown In Finals Defeating Montague 6-3

Georgetown Eagles won the right to meet Souris in the King's County Intermediate finals by defeating Montague 6-3 at Georgetown last night. The Eagles captured the semi-finals in two straight with a first game score of 4-3.

Although the condition of the ice slowed the game considerably, the two teams played good hockey throughout the three periods, carrying the puck over rough ice and completing long passes. With two lines the Meteors were hard pressed to withstand the powerful and consistent attack of the Eagles' three lines, and with heavy ice weariness faded their attack. Fraser, in the Montague net, played a stellar game stopping one rush after another, and cutting off solo attacks with fine style. Although not handling as many shots, Sullivan, Eagle reminder, was on top of every play and held off with finesse the Meteor attack.

manSHIP still strong, the Meteors fought gallantly in the third period to cut down the lead, and at the three quarter mark Power and K. Clements combined for a close-in goal. H. MacLean, who pulled the hat trick last night, won back the lost goal on a screened shot from the blue line, and with only a few seconds to go, MacNeill scored the final goal from close in.

During the period Doug George, Meteor defenceman, received a bad cut on the forehead from a shot puck, and was obliged to go to the dressing room for repairs. He was back in five minutes, and deserved the applause of the large crowd present for his good sportsmanship.

Lineups: Meteors: Goal, F. Fraser; defence, George, Beck, P. Fraser; forwards, Power, Nelson, Cudmore, A. Clements, K. Clements, MacLean. Eagles: Goal, Sullivan; defence, W. MacLean, H. MacLean, MacPhee; forwards, Landry, Stevens, Murphy, MacDonall, MacNeill, Publicover, Martell, McConnell, Johnston.

Officials: Referee-in-chief, Arnold McCallum; linesmen, T. McEwen, J. Scully.

Summary: First Period 1-Georgetown, Stevens 5:32 2-Georgetown, Landry, (MacNeill) 14:25 3-Montague, Nelson, (Cudmore, Power) 15:01 Penalties: Cudmore, Stevens.

Second Period 4-Montague, Nelson 14:28 5-Georgetown, H. MacLean, (MacNeill) 15:35 6-Georgetown, H. MacLean 16:03 Penalties: K. Clements, W. MacLean, Cudmore (5) Stevens (5), MacDonall.

Tempers grew shorter in the second session, and several made their way to the penalty box as McCullum held the game well under his control. The period was almost three quarters gone before Nelson, skating in fast on the wing fired one on which he made no mistake to tie up the game. In quick succession, however, H. MacLean slipped in two counters, one on a solo rush, to put the Eagles two up again.

So-Ed

Something new was added to So-Ed last evening in the form of archery. This new class has been substituted for the square dancing class originally planned. All interest groups were well attended.

In the discussion groups Mr. Rozman from the Department of Public Works gave us a very interesting and informative talk on Yugoslavia. He traced the history of the Yugoslav people right up to the present day and certainly gave us a much clearer understanding of present day Yugoslavia.

In the "You and Your Personality" series Dr. Theriault, M.D. paid us a return visit and talked to us about our anxieties and defenses. A lively question period followed.

One of the best parties of the series follows. The music was top notch—a very lively violin was substituted for the sax and everyone was in a rare mood. Everyone went away happy and looking forward to next week's program.

Leathercraft

Leathercraft classes for all age groups are going quite strongly at present. Mr. Gamble instructs a girls' leathercraft on Monday afternoon and a boy's class on Thursdays. The children are progressing very favorably and many coin purses and key cases are being turned out by the youngsters.

The senior class which meets on Wednesday evening at 7:30 is settling in very nicely. Already the members have finished articles to take home with them. There are still a few vacancies in this senior class.

Girls' Junior Leaders Corps: Ten junior girls have been working very hard on the gym floor for several Saturdays now. They are becoming very proficient on the rings and are also trying to master such things as the jumping horse, pyramids and tumbling. Speaking of tumbling the girls usually go home stiff and with large bruises but turn up the next Saturday ready and willing to start again.

Phiat

The Beta Phiats held their weekly meeting with fifteen members present. The minutes were read and collection taken. After considerable discussion the material and color of the drapes was finally decided upon.

Plans were made for a rummage sale in the near future with no definite date decided, but clothing is being gathered right away. The rest of the evening was spent in the showing of two educational as well as interesting films.

Boys' Jr. Hi-Y: The Club meeting opened with a short devotional period led by the president, Roddy Ives. During the business period plans were made for a rummage sale to be held in the junior lounge Saturday, March the 8th at 2:30.

Following the business three interesting films were shown which were much enjoyed by the Club. The next meeting will be held next Tuesday evening at 7:30.

Farm Prices & Market Report

Following are excerpts from the weekly market report of the Provincial Department of Agriculture, prepared by Mr. W. R. Shaw, Deputy Minister:

One of the most startling movements during the week has been the sudden change and application in hog grades imposed by Federal authorities, which not only will develop considerable confusion, but, I feel, might mean some loss to our hog producers. Under the new grades the weights have been increased on "A's" from the 140-170 range to 150-180 range, on which a \$2.00 premium is paid; while "B" hogs will be from 175 up to almost any weight, and on those a \$1.00 premium will be paid. The packers will continue to pay on the old grades—that is, the "A" price will not apply from 150 to 180 pounds, but from 140 to 170 pounds; while the "B" price will also be on the old basis and not on the new classification.

In addition the premium of \$2.00 on "A's" will now be paid on hogs weighing between 140 and 150 pounds. While the premium will be paid up to 180, however, the price on hogs weighing between 170 and 180 from the packers on a hog, say, from 170 to 175, can be 40¢ per hundred less than the "A" price, and if the hog weighs from 175 to "Heavy" or "Extra Heavy" weight he will still receive the \$1.00 premium, but the settlement price could easily be lower by 6¢ per pound or better, say, than a "B" price. No doubt these grades will be only temporary in character, and have been brought about as a result of Foot and Mouth Disease in Western Canada, but for some time they will be confusing to our producers, and in view of the fact that a large percentage of our hogs in the \$140 to \$150 class grade "A" there will be some loss experienced in premiums.

Island hog producers are advised to weigh their hogs carefully and if possible get their weights within the 160-170 pound classification in which they will be assured of the premium on Grade "A's" and the highest market price.

Foot and Mouth Disease: A great deal of publicity has been given during the past week on the foot and mouth disease, and the provisions that have been developed for its control, said Mr. Shaw. Personally I feel that there has been entirely too much publicity and sensationalism developed in this connection. There is no doubt the outbreak is serious, and will very seriously affect Canadian livestock economy, but as intimated last Thursday night there is nothing to be gained by panicky sensationalism and overdone publicity. It all adds to a jittery position in the market. At the present moment not only has the United States put on a rigid embargo (and I do not think there
