

Consternation Reported In Moncton Hockey Circles

MONCTON, Oct. 14 (CP)—A surprise announcement that Saint John may not have a hockey team to enter in the New Brunswick Senior League this year was greeted in Moncton with consternation. "If Saint John doesn't ice a hockey team it will mean the end of the league," said Frank Coyle, a member of the Moncton Community Athletic Association. "It would leave only Fredericton and Moncton—and that wouldn't be practical."

Ambrose Wheeler, president of the association had little comment. "Why Saint John would do such a thing is hard to understand," he said.

G. N. Roberts secretary treasurer of the association, described the announcement by Otty Stevenson, Saint John promoter that he had abandoned plans for a Saint John team as "definitely a calamity."

Mr. Coyle said he had no further word from Saint John on whether someone would take over. "This announcement is a blow in the face to hockey in New Brunswick," he said. Even if someone does take over it will give New Brunswick hockey a bad name.

Stevenson Replies

SAINT JOHN, N. B., Oct. 14 (CP)—Statements attributed tonight to Moncton hockey officials, in which they expressed surprise that O. M. Stevenson had abandoned plans for a hockey team in Saint John, drew a reply from the sports promoter.

Stevenson said he had planned before the organization of the league, to enter a Saint John team but that he had stepped aside in favor of a proposed "citizens committee."

Stevenson said he had not attended the last two or three meetings of the league and "they were well aware of the fact that I was no longer interested in entering a Saint John team."

It is understood that a "committee," on which Elmer R. Ingraham and Murray L. MacFarlane are active is working on plans for a Saint John team. However, no announcement has come from this group in regard to a Saint John entry. The group planned to have Pete Langelle veteran left-winger with Saint John Beavers last season, coach the proposed team, but whether Langelle is lining up players is not known.

Major League All-Star Team Is Announced

NEW YORK, Oct. 14 (AP)—The 1952 major league all-star team, announced today, is almost brand new everywhere except the infield.

Of the four players who are holdovers from the 1951 selection, three of them are infielders—first baseman Ferris Fain of Philadelphia Athletics, second baseman Jackie Robinson of Brooklyn Dodgers and shortstop Phil Rizzuto of New York Yankees.

The fourth returnee is Stan Musial, St. Louis Cardinal outfielder making the honor team for the sixth time. He has missed only once since the team was first picked in 1946.

The All-Star team is picked annually by the Associated Press in a poll of members of the Baseball Writers Association of America.

New York's world champion Yankees placed three men on the 10-man team while the Philadelphia Athletics placed two. No other club was honored with more than one performer.

Completing the infield was third baseman Al Rosen 'n Cleveland Indians, joining Musial in the outfield were Hank Sauer of Chicago Cubs and Mickey Mantle of the Yankees.

Larry (Yogi) Berra edged out Brooklyn's Roy Campanella for the catchers' spot. His battery mates were solid choices—Bobby Shantz, Athletics' 24-game winner, and Robin Roberts of the Phillies, who had the season's best record at 26-7.

Shantz received the most votes, getting 70 of the 72 cast. Musial, who won 68 ballots.

The All-Star team:

First base — Ferris Fain, Athletics (.327).

Second base — Jackie Robinson, Dodgers (.308).

Third base — Al Rosen, Indians (.302).

Shortstop — Phil Rizzuto, Yankees (.253).

Left field — Hank Sauer, Cubs (.270).

Right field — Stan Musial, Cardinals (.336).

Center field — Mickey Mantle, Yankees (.311).

Catcher — Larry (Yogi) Berra, Yankees (.273).

Righthanded pitcher — Robin Roberts, Phillies (28-7).

Lefthanded pitcher — Bobby Shantz, Athletics (24-7).

Browns Pay Big Price For Shortstop

ST. LOUIS, Oct. 14 (AP)—St. Louis Browns today paid the largest cash-player purchase price in the club's history to get shortstop Bill Hunter from the Brooklyn Dodger farm system.

Brown's spokesmen said the club gave up outfielder Ray Coleman and two minor league players, pitcher Bob Mahoney and infielder Stan Rokaj, plus cash to acquire the 24-year-old Hunter, tabbed by the Dodgers as "a great shortstop prospect."

Bill Veck, owner of the Browns, said the over-all purchasing price was about \$150,000. Hunter batted .290 this season with Fort Worth and led the Texas League in fielding and stolen bases.

Bucky Harris Signs Contract

WASHINGTON, Oct. 14 (AP)—Bucky Harris signed a new two-year contract to manage Washington Senators of the American Baseball League. His salary was reliably reported to be around \$35,000 a year.

This would be an increase of \$10,000 a year over what he has been making for the last three seasons.

Three years ago Harris returned to the Senators in one of the club's darkest hours. Washington had finished last, 44 games out of first place.

Since then Harris has coached his team into seventh place once and fifth twice.

Harris, who twice has been fired as manager of the Senators, is now on his third hitch here.

Sport Briefs

CINCINNATI, Oct. 14 (AP)—Cincinnati Reds today swapped three players to the Pittsburgh Pirates for Gus Bell, long-ball hitting outfielder. Sent to the Pirates in the deal with outfielder Cal Abrams, catcher Joe Rossi and rookie-outfielder Gale Henley.

ST. LOUIS, Oct. 14 (AP)—St. Louis Cardinals announced today they have acquired third-baseman Ray Jablonski, the International League's rookie-of-the-year. Jablonski, 25, batted .302 and drove in 100 runs with Rochester Red Wings last season.

LONDON, Oct. 14 (AP)—Don Cockell, former British and European light-heavyweight champion, easily won his first fight as a heavyweight tonight by stopping Paddy Slavin of Belfast, the Irish titleholder, in the second round of a scheduled 10-round bout. Cockell weighed 201 1/2, Slavin 194.

THE GUARDIAN, CHARLOTTETOWN OCTOBER 15, 1952

IN THIS CORNER

A system of developing football players which was started at St. Dunstan's University in the fall of 1947 is paying rich dividends for the Saints first and second teams this year. Actually the football plan has paid dividends before but it was not until the Saints made such a brilliant start in Maritime Intercollegiate competition this fall that the results of this scheme were brought to the forefront.

The Saints success this fall is due to a lot of different factors, all of them of great importance, but few of any greater value than the system which gave every student on the campus an opportunity to learn the game of football. We refer to an intra-mural League which was organized by Rev. Father Ellsworth, Professor of Biology at S. D. U. Father Ellsworth took charge of the league in 1947 and he turned a loosely organized circuit into a highly competitive league with competent instructors available for each team.

Practically all of the players starting on the Red and White first and second teams are graduates of this league. Most of the players advance from the intra-mural to the second team which is coached by John Eldon Green, a graduate of S. D. U. in 1947. Some of them make the jump from this league to the senior team although most of the first team players have had one or two year's seasoning with the intermediate squad.

The rest of the job is left to the coach of the senior team. A. J. MacAdam, A. J. who was probably the best football player in the Maritimes in his day and one of the best to come out of St. Dunstan's in the past decade, has done quite a job of it too. He has the task of moulding these boys together into a smooth working machine and anyone who saw or listened to the description of the game in Antigonish last Saturday 5-0 knows how well he has handled this task.

By their showings in the first two games this season the Saints have given their followers a lot to cheer about. They have defeated Mount Allison and St. F. X. by decisive scores and both these Universities have been the big guns in the Intercollegiate football since the end of the war. In addition to winning the Saints have kept their record spotless without having a point scored on them.

Of course the Saints are a long way from winning the Maritime championship this season and that team was good enough to hold St. F. X. to a tie two weeks ago. The Saints play Acadia this Saturday at Wolfville in a game that should provide more than its share of good football. They play St. F. X. here on Saturday, October 25 and this game should draw the biggest football crowd in years. Then they play Acadia and Mount A once again so they have quite a tough road to hoe before they can wear the coveted crown.

Between those games the Saints can be assured of plenty of practice. They will play the second team and the Intermediate squad of Saints is good enough to play any senior or Intercollegiate team in the Maritimes. A number of the second team players are high school students and are not eligible for Intercollegiate play while the remainder are College year men, most of whom are ready to

Eight Players Sign With Islanders For This Season

Eight players have signed contracts and another has agreed to terms of a contract to play with the Islanders this season, it was announced last night by coach Murph Chamberlain.

Six of the players were signed yesterday and they include three members of last year's team. The six players are forwards Buk Whitlock, Bob Gray, Ray Marshall and defencemen Larry Travis, Wimpy Stevenson and Crusher Kelly.

Gordon and Bill Hagen two forwards on their way here from Vancouver Canucks, were signed some time ago. Goalender Donald Campbell of Toronto has agreed to the terms of a contract. This morning Chamberlain will discuss terms with Hub Beaudy and George McLagan.

In signing with Chamberlain, defenceman Larry Travis agreed to be available for 50 league games and every play-off game. Larry is completing a pre-medical course at Prince of Wales College this year and will miss the remaining 28 league games on account of his studies.

Goalender Campbell, who is the property of the Boston Bruins and Gary Gordon may arrive in the City today. Hagen is due in the last of the week.

Chamberlain yesterday sent the Islanders through two more stiff practices.

In addition to the Saints there are two other good football teams on the island and both of them played here Monday afternoon. We refer to the Abbies and the Summerside Air Force. The Abbies looked good Monday when they defeated Truro 15-5 in an exhibition game. They will be further strengthened this week by the addition of Jerry MacDonald, a rugged forward who played with S. D. U. last year.

Team captain Elmer Blanchard gave a heads up performance in Monday's game. Blanchard, who is the best tackle in the Abbies backfield, engineered two of the scoring plays and tackled viciously all afternoon. Prospective football players who want to learn how to tackle would do well to watch Blanchard. He tackles low and hard at all times, the only kind of a tackle that a good football player knows how to make.

There were a lot of other good players on the field besides Blanchard. One of them, Noel Wilson, deserves special mention. Wilson was badly cut on the forehead when he tackled a Truro player in the first half. He was taken from the field and to hospital where he received 12 stitches to close the gash. As willing as he is rugged, Wilson returned to the game and finished out the contest as the Abbies fullback. Although we did not like to see him re-enter the game, we could not help but admire the boy's guts and stamina.

Orin Carver of Charlottetown, who starred at the Barrie training camp, is playing with Halifax Citadel in exhibition games in Quebec and has been a stand-out at the Halifax training camp. Playing for coach Dugger MacNeill has signed ten players for Halifax including himself. The players are defencemen Joe LePine and Carroll Bloom along with forwards Billy Watson, Bob Bowness, Billy Ford, Muekie Hollett, Don MacPhee and goalie Roy MacMeekin.

INDIANAPOLIS, Oct. 14 (CP)—There will be no professional hockey club in Indianapolis this season. Emery Jones, president of the American Hockey League, announced at St. Louis that the Indianapolis Capitols have withdrawn from the league for this season.

Reynolds And Wilhelm Take Pitching Honors

NEW YORK, Oct. 15 (AP)—Right-handers Willie Reynolds of New York Yankees and Hoyt Wilhelm, New York Giants' relief specialist, took major league earned-run honors for the 1952 season.

Final earned-run averages compiled by the Associated Press today disclosed that Reynolds, who posted a 20-8 record, paced American League pitchers with a 2.07 mark while Wilhelm, a rookie, topped National League moundmen with a 2.43 slate.

It is the first earned-run title for Reynolds, an 11-year man. The 34-year-old Reynolds permitted 56 earned runs in 244 innings.

Wilhelm, who won 15 games and dropped three, became the first day pitcher in National League history to head the E. R. A. The 29-year-old knuckleballer appeared in 71 games, none as a starter. His record showed only 43 earned tallies in 159 frames.

Cleveland's big three of Mike Garcia, Bob Lemon and Early Wynn were well represented among the American League pace-setters.

Garcia was right behind Reynolds at 2.40, followed by Lemon with 2.47. Wynn was 10th with a 2.90 average.

Bobby Shantz of Philadelphia Athletics was fourth with a 2.48 mark and Chicago's Joe Dobson was fifth with 2.53.

Wilhelm's closest competitors were Warren Hacker of Chicago Cubs with 2.58. Others in the first five were Robin Roberts of Philadelphia, 2.62, Karl Drews, another Philly pitcher, 2.67, Bob Rush, Chicago, and Carl Erskine with 2.70 each.

Meeker Escapes In Accident

NEW DUNDEE, Ont., Oct. 14 (CP)—Howie Meeker, Toronto Maple Leaf right-winger and Progressive Conservative member of Parliament for Waterloo South, escaped injury here today when his car was forced off the road by a gasoline tank truck.

Meeker, who lives in this town about 10 miles east of Galt, was driving to a hockey practice in Toronto.

Collins Scores TKO Over Clayton

BOSTON, Oct. 14 (AP)—Boston's iron-fisted Tommy Collins stripped Ronnie Clayton of two of his proud boxing claims by pounding out a technical knockout over the British featherweight title in 1:58 of the fifth round of their scheduled 10-rounder tonight at the Boston Garden.

Clayton had boasted that he had never been knocked off his feet or beaten by an Irishman in his 104 previous professional starts.

Gets 14-Year Term

NEW CARLISLE, Que., Oct. 14 (CP)—Joseph Alfred Metayer, 37, a safe-cracker who left his glass eye behind, today was sentenced to 14 years in penitentiary after pleading guilty to theft of \$10,000 from a branch of the Banque Canadienne Nationale.

Police said Metayer probably had to remove his glass eye because of the heat given by an acetylene torch used to crack open the safe of the bank branch at nearby Carleton-Sur-Mer, a Bale Des Chateaux resort, Sept. 25.

Sport Echoes From Prince County

"Casey At The Bat" is in danger of being outmoded. "Casey In The Dugout" threatens to take its place. It looks as if Mr. Stengel is at the very top of the managerial heap. As far as we, personally, are concerned, however, he doesn't rate the "Miracle Man" title which Stalling of the 1914 Boston Braves so richly deserved. Why? Because we've come to the conclusion that Joe Blow of Owl Creek could take charge of the Yankees, and bring them in ahead of the pack. Because all other teams play dead when they come in contact with the Yankees in crucial games. Let Stengel bring one of the other teams in the American League to the pennant, and we'll start applauding.

Our friend of "The Realm" jeers at us for prophesying the murder of the Dodgers on a certain Saturday afternoon. Well, as it happens, the Dodgers were murdered that day. Not a very messy teamicide, perhaps but they lost the game 2-0. So our crystal ball activities weren't so bad after all. Furthermore, we prophesied the series would go seven games, while "The Realm" prognosticator thought it would terminate in six. Tell you what we'll do. We'll give the perpetrator of "The Realm" some lessons in the art of the soothsayer, if he'll promise to be a good boy and do his home work.

Windsor Corney, one of the leading spirits of "operation football" in Summerside, explained to us last night why there will be no football teams in the town this fall. "No equipment," he says. Both the boys of the school team, and the prospective players of the intermediate team were eager to take to the gridiron, but the complete absence of football togs put the whammy on the whole project. We have a football field now. We have boys who would like to play. Why don't we have a chairman of football in the S. A. A. who would fight for the rights of those gridiron enthusiasts? This is the second straight year that nothing has been done for football.

Hockey talk is going the rounds in Summerside already despite the fact that we are scraping the bottom of the barrel for hockey facilities in this town. (The fact that better things are looming ahead helps to keep us happy, however.) Eric Johnson, manager of last year's Mercury's, travelling hockey players, plans to put a team in the South Shore League this winter. It is not likely the Sum-Hi kids will enter, but some of the high school boys will probably be on Johnson's team.

Salas-Carter Bout Tonight

CHICAGO, Oct. 14 (AP)—Lauro Salas, the only Mexican ever to hold an undisputed boxing title, is bursting with confidence that he will hang on to his lightweight crown tomorrow night against the swarming attack of Jimmy Carter.

"I read that Carter is favorite 2 to 1 but that is crazy odds," said the little Monterrey Mauler who works out of Los Angeles. "I'm sure I can beat Carter again. I punch too hard and have too much lasting strength for him."

The scheduled 15 rounder at Chicago Stadium will begin at 10 p.m. EST and be televised and broadcast.

The International Boxing Club looks for a slim ringside gathering of 6,000 and a meagre gate of \$25,000.

Carter, 28-year-old New York Negro, lost the lightweight title to the 24-year-old Salas by decision in a stunning upset at Los Angeles five months ago after capturing it from Ike Williams May 25, 1951, with a 14th round kayo.
