THIEF TAKES LIGHT - "Let there be light - even if it belongs to someone else", is probably the philosophy of the person who stole a sealed - beam headlight from the car of Mr. Des Gaudet while he was sleeping in a ground-floor room just a few feet from the car parked in a driveway beside his home on Notre Dame Street in Summerside on Friday night. When Mr. Gaudet approached his car on Saturday morning he discovered that during the night someone with the mechanical knowledge and the tools to do the job, had removed the nickel rim and the metal fixtures from the right headlight and placed everything carefully on the ground beside the car before disconnecting and taking out the sealed-beam unit which was apparently the only thing the thieves needed.
