EXPORTS TO ENGLAND.

An Important Item That Is Not Mentioned In The General List.

In the latter part of 1893, says an article in the Manchester, Eng., Times, the good barque Tamar E. Marshall, commanded by Capt. W. J. Scott, left the port of St. John, N. B., Canada, for Liverpool, where she arrived in due course. In her cabin she carried the pioneer consignment of the great Hawker remedies, and thus marked an era in the progress of medical science in this country. After alluding to the Hawker remedies as the greatest success of the country, the article quotes the testimony of four well known persons residing in different parts of the country, one a leading clergyman in Cheshire, recommending in the highest terms Hawker's nerve and stomach tonic, Hawker's liver pills and Hawker's balsam of tolu and wild cherry. It further says: "The supply of these remedies brought out by Tamar E. Marshall was soon exhausted and a fresh supply cabled for. The second consignment came by the Allen line steamer Mongolian, and was used up within six days after reaching this country. Other consignments have followed in natural sequence, and a large stock is now held to meet an ever increasing demand." Thus the marvellous success that attends the general introduction of the Hawker remedies in Canada has been repeated abroad, and is the most significant proof of their unrivalled value. The Hawker remedies are manufactured by the Hawker Medicine Co., St. John, N. B., Canada, and are protected from fraudulent imitations by letters patent in Canadr, England and the United States. These standard remedies comprise the following: Hawker's nerve and stomach tonic, Hawker's liver pills, Hawker's catarrh cure, Hawker's tolu and wild cherry balsam, Hawker's pile cure and Dr. Manning's german remedy.

AFTER TYPHOID FEVER.

Harvey Neff has Kidney Diserse, which Doctors could not cure—Dodd's Kidney Pills Restored him to Perfect Health.

Port Colborne, April 9—In March, 1893, Harvey H. Neff of this place had a bad attack of typhoid fever. Good nursing and medical attendance brought him round but the attack left him a victim of kidney disease. This the doctors failed to cure, but Dodd's Kidney Pills, the infalliable remedy, did the same good work in this case as in all others and Mr. Neff is well to-day. Dodd's was the first kidney remedy in pill form ever offered the public. Its wonderful curing in all forms of kidney disease has led to the introduction of numerous cheap and worthless imitations. Purchasers, for their own safety, should insist in getting Dodd's Kidney Pills. Sold in large boxes: price fifty cents or six boxes for $2.50. To be had of all dealers. .....

The most palatable preparation of Cod Liver Oil in the world is Miller's Emulsion and is now being taken by invalids with astonishing success. Miller's is "the kind that cures" coughs, colds, bronchitis and all throat and lung troubles. Every bottle warranted. No oily taste like others in big bottles, 50c. and $1,00, at druggists. .....

You should attend J. B. Macdonald & Co's great discount sale. Everyone pleased with goods and prices. Everything going off cheap.

Personal experience will prove that Hawkers Tolu and Wild Cherry Balsam is the best Cough Cure. .....
