Ready...willing...and POWERED to steal your heart!

Look at Mercury—so brilliantly styled, so in tune with the times. Drive Mercury. Starting, you'll sense superb command, as ever willing, smooth V-8 power seeks to do your bidding—so steady going—so economical. Mercury Power Steering* takes over the work of steering. Mercury Merc-O-Matic Drive* adds to your pleasure with the smoothest driving ever. Mercury Power Brakes* assure smooth, straight line stopping with half the effort.

Road Test Mercury—livelier performance, easier handling, smoother riding and safer stopping will win your approval, too. After a Road Test, you'll agree the NEW Mercury is the greatest yet—so ready, so willing and powered to steal your heart.

MERCURY OFFERS GREAT NEW POWER FEATURES

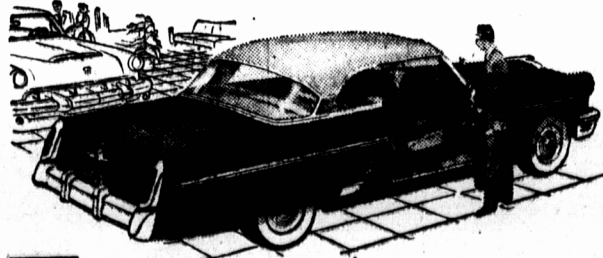

Mercury POWER STEERING now available on all models keeps the vital feel-of-the-road—you know you're in full command of the car. When more than fingertip pressure is needed, hydraulic "muscles" take over, make steering 3 times easier. Let's you park in the tight spots with ease.

All-new optional POWER BRAKES require little more than accelerator pressure. The weight of your foot holds car on a hill. Straight line stopping is up to 50% easier—faster, too, because lower, closer pedal permits quicker changing from gas pedal to brake—cuts reaction time.

There's no clutch—no gear shifting—Merc-O-Matic is fully automatic. To go, set lever and step on gas. It gives instant, smooth power response. There's automatic downshift for hill climbing. There's positive, safe control on curves. Merc-O-Matic Drive is available on all models.

*Optional at extra cost.

3-WAY CHOICE IN TRANSMISSIONS: Merc-O-Matic Drive, greatest of all automatic transmissions; or thirty Touch-O-Matic Overdrive (both optional on all models); or Silent-Ease Synchronized Standard Transmission.
