**Y. M. C. A. News**

This week we have big news for gymnasts! We have recently acquired the services of George Rasmussen who comes to us from Denmark. George has come up through the Danish system of gymnastics and is well qualified to instruct both boys and young men. Classes for young men will be held on Friday evenings from 7-9 p. m. George will work with boys fourteen years and up on Saturday afternoons from 2-4 p. m. These activities will start the week of October 8. Intermediate and young adult classes will also begin October 9.

Two meetings have been held in the past week to discuss this season's badminton. At the first meeting it was decided to appoint a committee to arrange games and tournament with other clubs in the city. This committee consists of: Fred Norton, chairman, Evelyn Stewart, Milne Cudmore and Don Wannacot. This committee met on Wednesday evening and after much discussion drew up the club rules and schedule of playing for the Fall term. The "Why" Badminton Club will hold its first session Tuesday, October 9. A special welcome will be extended to new members who will be guaranteed a maximum number of games.

The first Junior Teen-Town Dance will be held on Saturday, October 13. This was decided by a committee consisting of President, Roy Wilson, Deanna Phillips, Alex Howatt and Paula Farquharson. This will take the form of a regular dance with a door prize and several novelty dances. A lot of enthusiasm was shown by the young people at a mass meeting of Teen-Town last Saturday night.

Lloyd MacLeod, Harold Dobson and George Anderson of the Alpha Phalanx Fraternally accompanied by Mr. Ivan Robinson, Y. M. C. A. Boys' Work Secretary will be journeying to Truro, N. S. this week-end for a Maritime Phalanx Conference. No doubt the highlight of this Conference, for them

**Girl Guide News**

**Brownie Tests**  
Winifred Anne MacMillan and Dianne Davies were enthusiastic visitors to Headquarters this week and successfully passed test work, in fact Winifred Anne's Semaphore was so fast that one had

at least, will be the discussion group entitled "Courtship, Home and Family" which they will lead.  
Boys and girls gym classes got under way last Monday. The attendance was gratifying and it is expected that the numbers will be even larger next week. Saturday morning program for Juveniles will start October 13. This year the program will include such things as gym games, films, industrial visits, hikes, scavenger hunts, etc.  
So long until next Friday.

to think hard to keep up with her. She completed her precious Golden Hand and is now a First Class Brownie and she earned it, every step of the way. Dianne is just starting the big work but it will not be long before she catches up.

**Xmas Cards.**  
At Headquarters we have a fine selection of Guide and Brownie Christmas Cards all with pictures, and coloured. Some have the crest. The price is five cents each with envelope and orders must be placed now. Why not call and see the catalogue? Money must be paid with orders in advance or a deposit will be accepted.

**Lone News**  
A most enthusiastic meeting of Lones was held last Friday evening at Seven Mile Bay. On our arrival we were greeted by eleven smiling girls standing behind a table piled high with — believe it or not — over 400 hospitals bags which we were delighted to have to take back to the new hospital as the first Lone contribution.

Get busy, you other Lones, this was done by girls before they even enrolled. Patricia Watson and Audrey Graham accompanied the Commissioner and Captain and soon a regular Guide meeting was underway, starting with the horse-shoe formation, repeating the Guide Promise and Law, singing the Guide hymn and offering the Guide prayer.

After a rousing game of "Frogs and Cranes" we got down to pum-pum and soon the hall was humming like a beehive. The Patrol Leader, Mabel Sherry, deserves a

pat on the back for a good job well done, for every girl passed successfully and they were all enrolled.

The new guides are: Mabel Sherry, P. L., Blanche Frances, Patricia and Lorraine Hamill, Marie and Helen Wedge, Leona Muttart, Rita Cormier, Christine and Eileen Sutherland. The meeting closed with Evensong and taps, Father Shea giving the prayer.  
Then though the hour was late, we were surrounded with girls giving orders for uniforms, all being eager to be with the other Guides on the visit of the Princess.

**ANGLO-RUSTICO W. I.**

The Anglo Rustico W. I. met at the Rollings' home on Tuesday Evening, October 2, with an attendance of seven members and one visitor.

The President, Mrs. E. Rollings, with the Ode followed by Collect presided and the meeting opened in unison.

The minutes of the last meeting were read and approved. There was considerable correspondence read and discussed and also a short discussion on the Adult Sewing Class being organized in New Glasgow. Several of the members are planning on attending.  
In the absence of two of the collectors no full report was available from the Orphanage or Cancer Fund collections. It was moved, seconded and carried Miss Coles be paid for two books that she needed in her work in the school.

New committees appointed were as follows: Sick—Mrs. Noel Hooper and Mrs. W. Buntain. School—Mrs. Blair Rollings. Program—Mrs. G. R. LePage and Mrs. Roland Buntain. Lunch—Mrs. Roland Buntain and Mrs. S. D. Parkman.

The next meeting will be held at the home of Mrs. LePage and roll call will be answered with annual dues. Mrs. B. Rollings and Mrs. Nunn put on interesting contests and the lunch committee, assisted by hostesses, served a dainty lunch. Meeting closed with "God Save the King."
