"THERE IS NO SUBSTITUTE FOR

NATURAL TENDERNESS

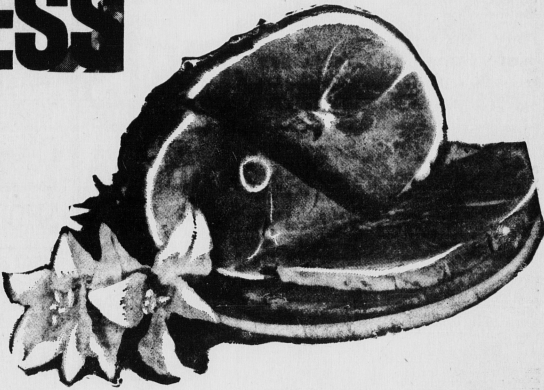

...and That's What You Get at DOMINION

The meat that you buy at DOMINION is tender for two very good reasons. First, because Dominion's own skilled meat buyers tour the packinghouses every day, carefully selecting the prime young sides that Nature has blessed with an extra measure of quality.

But even the very best quality meat is not tender until it is properly hung. So Dominion waits patiently until time and Nature bring out the full rich, satisfying flavour and goodness.

The result is natural tenderness...tenderness that owes everything to Nature...and to Nature alone!

No wonder true meat-lovers say: "There is no substitute for the natural tenderness you get at DOMINION!"
