Summerside hockey fans will get a chance to see playoff games tonight at Civic Stadium.

The first one will be between the Intermediate Aces and Parkdale Flyers of Charlottetown. ## Aces Defeat West Prince

The Summerside Intermediate Aces won the deciding game in the best of five semi-final series with the West Prince All-Stars at Civic Stadium last night, edging the Westerners 4-3 and qualifying to meet Parkdale Flyers in the final series for the Intermediate "A" Championship of Prince Edward Island. Claude Gaudet of the Aces scored a "hat trick" his final goal being the decisive one which he banked past Bernard after a nice combination play with Tooy Phillips and Water Campbell.

The Aces scored two unanswered goals in the first period. The teams split a pair of failures in the middle session, and three-quarters through the final frame West Prince suddenly erupted for two goals 24 seconds apart, knotting the game at 3-3. A minute later Gaudet shot the series winner.

## St. Mark's Anglican W.A. Held Their March Meeting

The March meeting of St. Mark's Anglican W.A. was held at the home of Mrs. Elmer Paynter, Kensington, on Wednesday afternoon with 12 members and the rector present. The president Mrs. J.G. Townsend presided and led in the devotions which included a hymn, scripture reading and prayers.

It was suggested that Christmas cards be brought to next meeting and mailed to an address in Formosa where they can be used. The treasurer reported a total of \$27.04 on hand.

The members were asked for opinions on the suggestion that the money spent in floral offerings in case of bereavement, be donated to missions and a memorial card sent to the family. The voice of the meeting indicated that the comfort of flowers in time of sorrow should not be overlooked, and it was decided that the present practice of sending flowers or a plant be continued.

The meeting was asked for nominations for vacancies on the diocesan board and names were submitted. A letter of interest to Educational Secretaries from Mrs. Hemming was read.

Mrs. Elmer Moase gave a very interesting talk on the study of Japan, her subject being "Post War Trends and Gains". She said women are taking advantage of changed conditions, and are taking their places in many positions formerly occupied only by men. There are 200 branches of the W.A. in Japan, with a membership of 3500.

Kindergartens of which there are 98 operated by the church, are considered important as the parents are willing to have the children safely cared for and the parent paves the way for later training of the children and in interesting the parents. The great tragedy in Japan is blindness caused by disease, poor nutrition and war injury. A hostel for the blind in Gifu is called "Love the Blind". Mrs. Walter Moase offered to prepare the study for next month.

Rev. W. Eric Ingraham who had been asked to give a talk on the recent consecration services at Halifax, announced that the G.A. Festival will be held in Kensington on May 10, also that St. Stephen's, Burlington will be host to the J.A. Festival on May 24.

Davis as Co-adjutor Bishop of Nova Scotia by Archbishop Carrington at the Cathedral Church of All Saints. Later a reception was held when presentations were made, and Rev. Mr. Ingraham had the honor of presenting the newly consecrated bishop with a Service
