S'side St. Mary's Church W.A. Holds Annual Meeting

The annual meeting of the W. A. of St. Mary's Church, Summerside, was held on Wednesday evening in the hall with a good attendance. The motto hymn "The Love of Christ Constrains" was sung in the worship service, followed by the Bible reading in St. Matthew, Chap. 6 and prayers by Archdeacon Harrison, a reading, "Render unto Caesar" was given by Mrs. G. A. Coles.

The president, Mrs. Ray Clark, gave the annual report, which follows, after which the treasurer, Mrs. E. T. Tanton, submitted the financial statement, which showed a good balance in the bank. A report was given by the Social Service Secretary, Mrs. George Morrison, and it showed a large amount of work done within and without the parish.

The Archdeacon commended the officers for the work accomplished during the past year. The following slate of officers was brought in: President, Mrs. Kay Clark, (re-appointed); Vice-President, Mrs. J. R. Murphy; Secretary, Mrs. W. F. Strong, (re-appointed); Treasurer, Mrs. E. T. Tanton, (re-appointed); Dorcas Secretary, Miss Pearl Yeo and Mrs. Margaret Connelly; Living Message, Mrs. Murphy; Social Service, Mrs. Morrison, (re-appointed); Prayer Partner, Miss Mary Mill; Educational Secretary, Mrs. Coles. The Cent-a-Week Fund showed an increase as well as the Thankoffering.

The President's Report: "It is my pleasure to present this, my second annual report of our branch and to express my thanks to you all, for your wonderful co-operation during the year. I hope, as a result of the Every Member Visitation that you will all respond by being more regular in your attendance and that we can increase our membership. It is such a help to your officers to have a full attendance with free discussion on the many problems arising during the meetings."

"During the year 58 visits were made to the sick and shut-ins and 22 made during the Visitation. From Christmas until Easter, we met weekly for sewing and social intercourse. I felt that these meetings, aside from the work accomplished, do much to further a friendlier atmosphere throughout the whole church. "We have held two rummage sales and three pantry sales with gratifying success. Our Easter Tea and Sale was well patronized. People seem to look forward to this gathering."

"Since our last annual meeting we have served two suppers to the Local Council of the A. Y. P. A. The young people coming from the various parishes on the island and having enthusiastic meetings. "Also, on November 11 of each year, your president has had the honor of placing a wreath at the monument in Memorial Square. I may be trespassing on the report of the Social Service Secretary when I mention that we have sent used clothing to the people of the mission church at Inverness, also to the Rummage Sale of the Red Cross, and to the I. O. D. E. to be sent overseas."

"Our Prayer Partner, Miss Mill, has received two letters with pictures from Miss Chadwick which she passed on for our enjoyment. "I am sure we all enjoyed the Day of Prayer service held in the Church of the Nazarene. This is a service to which we all should go each year. I was pleased to see so many at our annual corporate communion on St. Andrew's Day. This year, why not try to make it 100 per cent attendance. I am sure the Archdeacon would be pleased and it would be a personal help to each of us."

"In conjunction with the Guild we served refreshments to those attending the Annual Parish meeting in January. On Ash Wednesday, I believe most of the members of the W. A. responded to the appeal of the Primate for a continuous day of prayer by being present in church at some time during the day, praying for world peace, etc."

"At the Annual Meeting in Charlottetown in March we presented Mrs. Strong with a Life Membership. "At our September meeting we held a short memorial service for two of our valued members, who have passed on to higher service: Mrs. W. B. Mills and Mrs. Ernest Mills. "We received two letters from the matron of All Saints' Residential School, thanking us for bales sent."

"Most of us had the pleasure of hearing Miss Peggy Neve, Regional Girls' Supervisor, this Summer and learned of the work of the G. A. The semi-annual meeting Port Hill was well attended by our members. I am sure we all were delighted with Miss Foerste, and with her description of post-war Japan. It was a real pleasure to

have the members of the other missionary branches in the town, meet with us in the wonderful missionary service we had and to welcome them to the reception afterwards.

"During the year, your president and other members had the pleasure of going to Trinity Church when their W. M. S. entertained Dr. Whittier from India and Dr. Murray from Korea. I think this meeting with the various missionary societies in this way is most helpful to us all and I wish more of our members would take advantage of hearing these various speakers and to learn of what the whole Church of Christ is doing in the world."

"In conjunction with the Guild during the year, we bought a sewing machine, new silver, remodelled our cupboards and had our meeting room cleaned. "I have tried during the year to make our meetings interesting and helpful — by singing your favorite hymns, having extra prayers, the mission study and entertaining readings. We must not forget that prayer is the chief work of the W. A. The objects of the W. A. are: Prayer, study, work give — in that order." —S.
