Hey, don't forget that as a student at UPEI, you have paid your athletic fee. This entitles you to "free" admittance to the intercollegiate sports at the Field House and the Civic Centre.

For some games, there will be advance tickets at the Field House. To get one of these, just show your student I.D. card. (The tickets are "Free"! ) Not all intercollegiate games will have advance ticket sales. Usually, one just has to show their I.D. card when entering the respective sporting centre and your in. For play-off games there will be an admittance charge.

So, now that you know there's a set calling your name for the next hockey, basketball, or volleyball, why not take it in?! If you don't know when the next game is being played, pick up a schedule at the Barn, or at the Field House.
